Dear Councilmembers:

Regarding Council File 15-1022-S2 and the Health, Education and Neighborhood Councils Committee on August 22nd

As a Mar Vista Community Council stakeholder, I am asking that you DO NOT postpone the next Neighborhood Council election to 2019.

The Mar Vista Community Council is not representing our neighborhood and there are NO provisions to recall a neighborhood council. We do not want their terms extended for an additional year.

Sincerely,

Selena Inouye  
Mar Vista, CA
