CF15-1022-S2

Whereas the City plans to change NC election procedures unilaterally and,
Whereas the City plans to make all NC elections self-affirmation against the will of some boards and bylaws,
and
Whereas the City plans to reduce unilaterally the voting age of stakeholders in some NC's to 16 years of age
against the bylaws and will of the boards, and
Whereas the City is mandating all NC's use online voting only, against the will of the some boards who voted
against online voting, and
Whereas the City is attempting to mold neighborhood councils to fit an electronic voting model rather than fitting
the contracted for electronic voting model to neighborhood councils,

Therefore, The Los Angeles Neighborhood Council Coalition (LANCC) moves to demand the City suspend
online voting unless and until it can show evidence that the online model is complete and secure as contracted
for, that the City will provide proper outreach, that the Department can show it has returned to its core mission
of supporting NC's, and can truly support neighborhood councils per its Charter mandate, and allow all of the
councils, per the Charter, Ordinance and plan, to self-rule for the benefit of its stakeholders, and to allow the
NC's to determine whether it should be online, self-determination and age specific for its voters.

Let me know.

Making it better together!
