To whom it may Concern:

I receive a notice regarding a motel in my neighborhood called "The Adam's Garden Inn" located at 4905 west Adams Blvd. Unfortunately I can't attend the meetings since I work at that times, but I'm glad we have the option to write a letter instead. Well, this motel mentioned above is a nest for prostitution and drugs, we can see this people coming in and out of there day and night, it's really bad for our neighborhood to have this place operating this way. Please do something about it. We hope you can do something to help us to have a better and safer neighborhood. Thank you in advance for you attention to this matter.
