Summary: We, the GPNC, believe that this motion is a step in the right direction.

As evidenced by our current city election cycle, we exist in a pay-to-play system of government. We would very much like to see a report from both the Ethics Commission and the CAO regarding a possible increase of the matching fund rates. We are hopeful that this will enable more viable candidates in future elections.

For these reasons, the Glassell Park Neighborhood Council SUPPORTS this motion.
