RE: **CONTRACTING AUTHORITY REQUEST FOR PUBLIC HEALTH
EMERGENCY PREPAREDNESS AND RESPONSE SERVICES
COORDINATOR**

Dear Honorable Members,

Transmitted herewith for City Council consideration is a request to accept the second (2nd) and third (3rd) amendments to contract C-126913 between the City of Los Angeles and the Los Angeles County Department of Public Health (LACDPH) for a Public Health Emergency Preparedness and Response Services Coordinator to extend the term of the contract for 12 months for a period from July 1, 2018 through June 30, 2019, for an amount not to exceed \$137,828.00.

Background

On December 15, 2015, the City Council approved reports relative to a contract with LACDPH (Council File 15-1092) to provide the City of Los Angeles' Emergency Management Department (EMD) with a staff position dedicated to public health emergency planning.

This position request reflects the joint work effort between the City of Los Angeles EMD and LACDPH which has been providing the City with a Public Health position since 2007. This position allows the City of Los Angeles access to County of Los Angeles public health-related information and services. Changes in 2015 marked the initial contract for the City to assume responsibility for the position's employment related to personnel and payroll responsibilities, reimbursed by LACDPH with grant funding.

The position continues to be exclusively dedicated to supporting the City's emergency preparedness and response planning related to public health emergencies and threats, including bioterrorism. Since the City of Los Angeles does not have a city health department, the work that will be undertaken by the Public Health position is critical to ensuring the level of awareness is met in relation to emergency management planning efforts within EMD.

The Senior Project Coordinator (Class Code 1538) acts as the liaison between the LACDPH Emergency Preparedness and Response Division and the City of Los Angeles' Emergency Management Department in implementing, executing, and coordinating key public health emergency preparedness domains for the City of Los Angeles including community resilience, incident management, information management, countermeasures and mitigation, surge management, and bio surveillance. Duties include, but are not limited to, developing comprehensive response plans for the City of Los Angeles incorporating County of Los Angeles Health Agency policies and procedures related to medical countermeasures planning and dispensing; developing training and exercises; and health-related hazard specific planning for chemical and biological incidents.

Request

EMD is seeking City Council acceptance of the second and third amendments to contract C-126913. The LACDPH provided a second and third amendment to call specific attention to two different and distinct changes in the initial contract. If accepted, both amendments (#2 and #3) will run concurrently.

The second and third amendments of this contract continue the work of public health emergency preparedness and response planning under the Catalog of Federal Domestic Assistance (CFDA) Number 93.074 Hospital Preparedness Program (HPP) and Public Health Emergency Preparedness (PHEP) Aligned Cooperative Agreements through the United States Department of Health and Human Services Centers for Disease Control and Prevention (CDC).

The requested contract covers the direct and fringe benefit costs of the requested Senior Project Coordinator position. The position will be front-funded within EMD's existing budgeted salary funds and then reimbursed by the LACPHD and recorded as revenue to the General Fund.

Amendment #2 seeks an extension of the contract term of performance. Council approved the original contract with a term of January 1, 2016 - June 30, 2017. Then on March 7, 2018, the City Council approved the 1st Amendment to the contract which included significant changes to the scope of work and a term extension from July 1, 2017 through June 30, 2018. The term for the second amendment will be from July 1, 2018 through June 30, 2019.

Amendment #3 enhances several compliance matters and provides updates to the County's standard provisions for contracts.

In addition, and in accordance with Charter Section 100 (d) (4), the Senior Project Coordinator position (Civil Service Class Code 1538) has received a Civil Service Commission Exemption as of March 8, 2018 for a term not to exceed two years. (CSC No. 2901 File No. 54965)

As the city's agent, EMD is requesting City Council authorization to execute the attached

contract amendments in coordination with the Office of the City Attorney and City Clerk. EMD will process all necessary paperwork required for reimbursement of appropriated funds to the City.

Recommendations

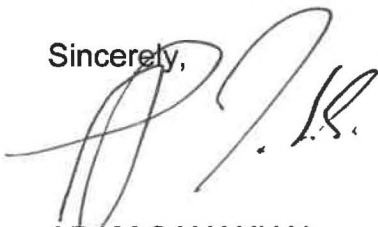

It is therefore requested that the City Council, subject to the approval of the Mayor:

1. AUTHORIZE the General Manager of EMD to negotiate and execute the attached contract amendment with the County of Los Angeles in an amount not to exceed \$137,828 and extend the term of the contract for the period from July 1, 2018 through June 30, 2019 subject to approval of the City Attorney as to form.
2. AUTHORIZE EMD to deposit monthly reimbursement payments received to the City's General Fund, Fund 100, Dept. 35, Revenue Source Code 5188, "Misc. Revenue - Others".
3. Authorize EMD to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to approval of the City Administrative Officer, and authorize the Controller to implement the instructions.

With the approval of the City Council, EMD will coordinate final review of the proposed subrecipient contract with the Office of the City Attorney and the Office of the Mayor. Per the performance period of the grant, EMD will process the necessary reimbursement request(s) to the County of Los Angeles.

If there are any questions, please contact me at 213-484-4800.

Sincerely,

ARAM SAHAKIAN
General Manager

percent (10%) above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable Contract term, and make corresponding service adjustments, as necessary, an Amendment shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors, and shall be incorporated into and become part of this Contract.

D. Notwithstanding Paragraph 79.A., in instances where the County's Board of Supervisors has delegated authority to the Director to amend this Contract to permit modifications to or within budget categories within each budget, as reflected in Exhibit C, and corresponding adjustment of the scope of work tasks and/or activities and/or allow for changes to hours of operation, changes to service locations, and/or correction of errors in the Contract's terms and conditions, a written Change Notice shall be signed by the Director and Contractor, as authorized by the County's Board of Supervisors. The executed Change Notice shall be incorporated into and become part of this Contract.”

3. Paragraph 22 of the Agreement, ASSIGNMENT AND DELEGATION, shall be replaced in its entirety to read as follows:

“22. ASSIGNMENT AND DELEGATION/MERGERS OR ACQUISITIONS:

A. The Contractor shall notify the County of any pending acquisitions/mergers of its company unless otherwise legally prohibited from doing so. If the Contractor is restricted from legally notifying the County of pending acquisitions/mergers, then it should notify the County of the actual acquisitions/mergers as soon as the law allows and provide to the County the legal

framework that restricted it from notifying the County prior to the actual acquisitions/mergers.

B. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

C. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

D. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration

for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

4. Paragraph 31, CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS shall be replaced in its entirety to read as follows:

“31. CONSIDERATION OF HIRING GAIN/GROW PARTICIPANTS:

A. Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to GAINGROW@DPSS.LACOUNTY.GOV and BSERVICES@WDACS.LACOUNTY.GOV and DPSS will refer qualified GAIN/GROW job candidates.

The Contractor understands that it is the County’s policy to encourage all County Contractors to voluntarily post the County’s “Safely Surrendered Baby Law” poster in a prominent position at the Contractor’s place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor’s place of business. Information on how to receive the poster can be found on the Internet at www.babysafela.org

6. Paragraph 35, COUNTY’S QUALITY ASSURANCE PLAN, shall be replaced in its entirety to read as follows:

“35. COUNTY’S QUALITY ASSURANCE PLAN:

County or its agent will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which County determines are significant or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. The report to the Board will include improvement/corrective action measures taken by County and the Contractor. If improvement does not occur consistent with the corrective action measures, the

County may terminate this Contract or impose other penalties as specified in this Contract.

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

7. Paragraph 77, COMPLIANCE WITH FAIR CHANCE EMPLOYMENT PRACTICES, shall be added to read as follows:

“77. COMPLIANCE WITH FAIR CHANCE EMPLOYMENT PRACTICES:

Contractor shall comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History. appropriate by the Auditor-Controller (A-C).

B. The Contractor shall submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and vendor information, and any other information that the A-C Determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

C. Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments.

D. At any time during the duration of the Master Agreement, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business, or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with the contracting department(s), shall decide whether to approve exemption requests.”

9. Paragraph 79, FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS, shall be added in its entirety to read as follows.

”79. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director’s specific written approval, as authorized by the County’s Board of Supervisors, County may: 1) increase or decrease funding up to ten percent (10%) above or below each term’s annual base maximum obligation; and 2) make modifications to or within budget categories within each budget, as reflected in Exhibit C and make corresponding service adjustments, as necessary.

Such adjustments may be made based on the following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocations as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation shall be effectuated by an amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if such period is less than

a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.”
