### **1. IATIA NEW WORLD MISSION, INC. (dba IATIA Cherish**

**Mission Inc.,)** is a non-profit organization established on 4/27/2015, ministering, educating, discipling and building churches for the homeless people for the better life and transformed lives according to the will of God. Pastor Timothy Kwan-Ung Park actually started the homeless ministry since Oct, 30, 2012.

아티아 체리쉬 미션 은 4/27/15일에 설립된 비영리단체로서 실제로는 2012년 10월 30일부터 시작하여 가난한 자들과 특히 노숙자 홈리스 사람들을 대상으로 섬기며 그들을 위한 교육과 제자훈련과 함께 교회를 세워줌으로써 하나님의 뜻대로 지금보다 더 나은 삶을 살며 변화되는 삶을 살수 있도록 돕는 비영리단체 기관입니다.

**IATIA NEW WORLD MISSION, INC.** is the same non-profit organization which focuses on the New World Homeless town project. This project is especially made both by ceo of Timothy Kwan-Ung Park and the partner ceo Elder John Oh. Mr. John Oh started the homeless ministry since 1995.

**"IATIA"** is the collection of the first letters of God's name, 'I AM THAT I AM' in the Bible, book of Exodus. When God sent Moses to the Egyptian king Pharaoh, He introduced His name as "I AM THAT I AM" and God said this name be forever. **"IATIA Cherish"** means God cherish on poor people.

**"IATIA 아티아"** 는 성경 출애굽기에 나오는 "I AM THAT I AM 나는 스스로 있는 자" 라는 하나님의 영어이름의 첫 글자를 모아 새롭게 만들어본 이름 입니다. 성경에 하나님께서 모세를 이집트의 왕 바로에게 보낼 때 자신의 이름을 "나는 스스로 있는자" 라고 자신을 소개하면서 그 이름은 영원히 기억될 이름이라고 하셨습니다. **"IATIA Cherish"** 의 뜻은 하나님께서 가난한자들을 불쌍히 여겨 은혜를 베푸시기 원하신다는 뜻 입니다.

**2. Mission statement:** We believe that God who created the whole world loves his people. He said that anyone who comes to His house of God should not be discriminated and allow them to pray and worship Him freely. For He said, "My house is the house of prayer for all nations." But in reality, the homeless especially street people are not welcomed to the most of local churches for many reasons, of course there are churches welcoming the homeless people as well. We believe God whose name is 'I AM THAT I AM' have compassion on the homeless people who are not welcomed to the most house of God, the churches.

By this reason, the people of God and community people should rise and help the homeless people by serving, educating, discipling and even providing churches and community for the homeless people for them to live peacefully and worship and pray freely without being discriminated.

**목적선언문:** 우리는 세상을 창조하신 하나님께서는 자기 백성들을 사랑하신다고 믿습니다. 하나님께서는 "내 집은 만민이 기도하는 집이라" 말씀하시면서 누구든지 하나님의 집인 교회로 찾아와 하나님에게 기도하고 예배하고자 하는 사람은

차별 받지 말아야 한다고 말씀하셨습니다. 그러나 현실은 길거리에서 노숙하는 홈리스들 대부분은 일반 교회서 환영 받지 못하고 차별 당합니다. 물론 노숙자들을 환영하는 교회들도 있습니다. 우리들은 '나는 스스로 있는 자' 라고 이름을 가지고 계신 하나님께서는 교회서조차 환영 받지 못하는 불쌍한 홈리스들에게 자비와 사랑을 베푸시기 원한다고 믿습니다. 그런 이유로 하나님의 백성들과 커뮤니티 사람들은 모두 일어나 노숙자들을 섬기며, 그들의 필요를 채워주며, 교육하고, 제자훈련 하며, 그들이 마음껏 차별 받지 않고 하나님에게 기도하고 예배할 수 있는 교회와 커뮤니티를 지어 주시기를 원하신다고 믿습니다.

## 5. Inspirational Testimony 간증:

- I, Pastor Timothy Kwan-Ung Park, CEO of IATIA Cherish Mission Inc. was born on Dec.2, 1959 nine years after Korean War on 6/25/1950. My parents who both graduated university in Seoul Korea majored a social work. They began to open an Orphanage. They raised hundreds of war orphans at that time and I grew up with many orphans though I was not orphan. '아티아 체리쉬 미션' 대표 박관웅 목사는 육이오 한국 전쟁 9년후 1959년 12월 2일 태생이다. 나의 부모님은 한국에서 사회 사업을 전공했다. 그들께서는 고아원을 시작하셨다. 그들은 수백 명의 전쟁고아들을 돌보셨으며 나는 그들과 함께 자랐으나 나는 고아는 아니었습니다.
- In the Bible, orphans are called "fatherless," and God said "I am father of fatherless." Because of my father's orphanage, I learned lots of real life of orphans, the fatherless. 성경에서는 고아들을 "fatherless 아버지 없는 자식" 이라 부르며 하나님께서는 자신은 "고아의 아버지" 라 스스로 부르셨습니다. 나는 나의 아버지의 고아원 운영으로 인해 고아에 대하여 많은 것을 배우게 되었습니다.
- After my whole family immigrated to the United States of America in 1978, my whole family lived new life in America, working hard, studying hard, and going to church very hard. We lived normal people's lives, but I always felt compassion on the poor and weak people. It was very natural behavior of what I have learned from orphanage in Korea. So I served the poor people in church among diversity of people. 1978년 우리 가족은 미국으로 이민 왔습니다. 우리 가족은 모두 열심히 일하고, 공부하고 교회도 열심히 다녔습니다. 우리는

평범한 가정의 삶을 살았지만 나는 항상 가난하고 약한 자들을 불쌍히 여기는 마음을 가지고 있었습니다. 한국 고아원 시절 배운 자연스런 행동이었습니다. 그래서 나는 교회서도 늘 어렵고 가난한 자들을 열심히 섬겼습니다.

- On Oct 30, 2012, the Glory Church of Jesus Christ (주님의영광교회) started the homeless ministry and I became in charge. Every Friday and Saturday, we worshiped and ministered the hundreds of homeless every week until April 1 of 2015. The police and community people decided to clear all the homeless people from the Hope Street. So the homeless ministry stopped since that time. 2012년 10월 30일 주님의 영광교회에서는 홈리스 사역을 시작하였고 내가 책임자가 되었습니다. 매주 금요일과 토요일은 우리는 노숙자들과 예배를 드리고 친교하며 음식을 제공했습니다. 그 외에도 많은 일들을 그들을 위해 하였는데 2015년 4월 1일 경찰과 커뮤니티 사람들은 교회 뒤편에 있는 홈리스 노숙자들을 모두 철거하기로 결정했습니다. 그리고 홈리스 사역은 멈추게 되었습니다.
- We started the homeless ministry at the MacArthur Park from April 15, 2015 and it continues till present time. 우리는 다운타운 맥아더 공원에서 4월 15일에 새로 시작했습니다. 그리고 지금까지 계속하고 있습니다.
- God's dream is that He wants to build the churches for the homeless for He said that "My house is a house of prayer for all nations". There will be no discrimination to the homeless where God build the homeless churches. We, IATIA Cherish Mission Inc. will build churches for homeless at least one in each state of United States of America in coming 10 years. We ARE NOW TRYING TO INCORPERATED WITH CITY TO BUILD THE "IATIA NEW WORLD HOMELESS TOWN PROJECT." 하나님의 꿈은 노숙자들을 위해 교회를 세워주기를 원하십니다. 왜냐하면 하나님께서는 말씀하시기를 "내 집은 만민이 기도하는 집이라" 말씀하셨지만

실제로 교회에 기도와 예배 드리러 오는 홈리스들은 대부분의 교회서는 차별 받고 환영 받지 못하기 때문입니다. 물론 그렇지 않은 교회가 가끔은 있지만 말입니다. 하나님께서 세우시는 노숙자들을 위한 교회에는 그들을 차별하지 않을 것입니다. 우리 '아티아 웨리쉬 미션'은 홈리스들을 위한 교회를 세우게 될 것이며 최소한 미국 각주마다 한 개씩의 홈리스 교회를 향후 10년안에 세울 것입니다. 이제는 IATIA NEW WORLD MISSION HOMELESS TOWN PROJECT 건설을 추진중이다.

Good evening council

I'm Timothy Kwan-ly Park, CEO of  
NPO. IATIA NEW WORLD MISSION.

We have served homeless people since 1995 thru

We are the one who proposed to the White House & LA  
on May 20, this year for the idea of relocating <sup>LA and</sup> city  
20,000 homeless people out of the city to  
build homeless town to give homeless people  
entire new life opportunity.

We are currently caring more than 60-80  
homeless people & many of them are  
undocumented people.

Here we IATIA New World Mission proposed  
3 things briefly.

① Majority of Korean organization working for  
the homeless people do not get city support  
or financial support.

We, IATIA New World Mission, <sup>can gather</sup> Korean  
community for the homeless ~~can gather Korean community~~  
<sup>city's</sup> restoration program.

# Give us opportunity to share & participate  
"the Nation emergency status of homeless ~~in LA~~"

② We want city to support us & secure the endavor  
for the homeless people literally on the street by  
providing us facility, program & people.

# UCI students<sup>Rath Sarnoff - Public Record</sup> saw a need and opened a clinic

BY ALEX CHAN

In April 2014, a small group of UC Irvine undergraduates began working to open a free healthcare clinic for underserved patients that also would prepare the students for medical careers.

Eight months later, the An Lanh Clinic in Garden Grove became a reality.

About 40 UCI undergrads staff the clinic, according to Andy Nguyen, a senior who is the facility's student president. Physicians and other healthcare professionals, as well as medical students, also have volunteered their time.

In a little over a year, they have served more than 200 patients who were uninsured or could not afford other healthcare options. The average family income of the patients was \$17,870 for a family of four, according to the clinic's demographic data.

When the facility opened, Tiffany Pham — now a senior at UCI — saw firsthand how it could make a difference. "We had a patient who was walking to our building very slowly from the parking lot, and it took her 30 minutes to come inside," Pham said.

After examining her, the students and physicians found that she had rheumatoid arthritis in her knee.

She was prescribed medication and when she returned for a checkup a few weeks later, Pham saw her make the journey from the parking lot to the clinic in 10 minutes.

"I honestly think that's astounding," the pharmaceutical sciences student said. "We were able to do something to help her get better."

An Lanh's founders origi-

nally proposed their idea to a physician in Anaheim, who got them in touch with Lestonnac Free Clinics, which offers medical and dental care across Orange County.

Lestonnac allowed the students to occupy one of its satellite clinics in Garden Grove and provided them with medical equipment, such as test kits and devices to measure blood pressure and heart rate.

The students also needed to decide on a name for their medical haven.

By spring of 2015, the group settled on "An Lanh," meaning "peace" or "healing" in Vietnamese.

"We wanted to choose something that would cater to the Vietnamese population, knowing that a majority of the community in Garden Grove is Vietnamese," said Kristine Jermakian, a UCI senior.

Currently, the clinic is recruiting students in informatics and computer science to develop an easier-to-navigate website.

"A clinic is not just science-based," Jermakian said. "We need people from all sorts of backgrounds."

Since opening day, the students have devoted their Saturdays, the only day the clinic is open, to An Lanh.

From 8 a.m. to 1 p.m., patients check in and are examined by students who record their symptoms and determine a possible treatment approach.

The students then confer with the on-site physicians, who join them in talking to the patients — either providing recommendations, prescribing medication or referring them to specialists as necessary.

**WHAT: The use of 225 E 5th Street for use of to facilitate smart-team training for homeless and at-risk youth of Los Angeles.**

Fire Station #23 remained in operation for fifty years, whereupon its men responded to over 60,000 fires. Engine Truck Company #23 closed its doors for good on November 23rd, 1960. In 1979, the Fire Commission decided to renovate the property and eventually turn it into a firehouse museum. A non-profit organization named Olde 23 was set up to oversee the restoration process and to raise funds for the massive undertaking. In 1980, the building was added to the National Register of Historic Places. Nine years later, though, in 1988, the plans for turning Old #23 into a museum were nixed and the city opened their Los Angeles Fire Department Museum at a location in Hollywood instead. Now mainly used for film shoots, Firehouse 23 still remains. **The building is unusually narrow structure, only 26 feet (7.9 m) wide but 167 feet (51 m) deep stretching the entire distance from Fifth to Winston Streets.**

This facility can boasts several classrooms, production facility and a 16 computer/ print station for students to utilize, create and execute the latest technological programs.

**WHO: Homeless and at risk youth from Skid Row to South Los Angeles**

Thousands of youth sleep on the streets each year. It is estimated that nearly 10,000 youth under the age of 24 end up homeless each year in Los Angeles County. Thousands more are neglected by overburdened and overwrought public systems, living in unsafe abusive environments. These kids haven't had the opportunity to enjoy a childhood. They have experienced severe traumas over long periods of time. Once they turn to the streets, they enter into a constant state of survival mode, trying to make it work from one minute to the next. Their lives are chaotic and they are in need of support and life skills training, now.

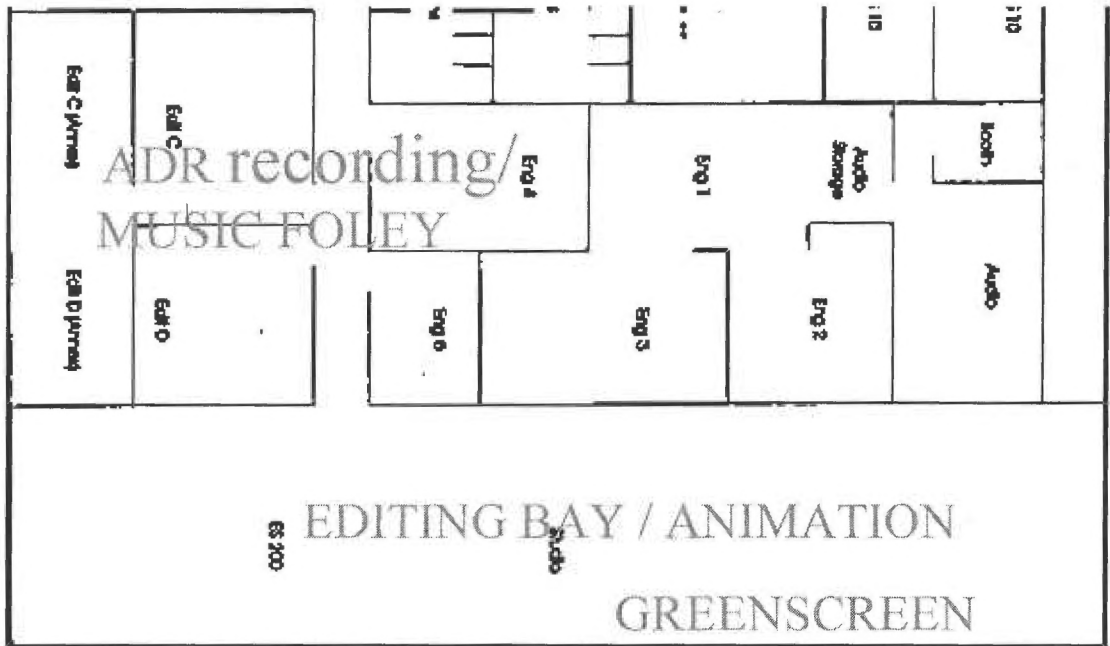

**SKID ROW LACKS:**

1. After School Programs for teens
2. Computer Stations for literacy, email, resume building, workshops and employment.
3. Housing for teens and their families.
