SUMMARY

At its regular meeting held on August 13, 2018, the Budget and Finance Committee considered a report from the BOS dated June 29, 2018 relative to contracting with a company to provide waste disposal services (waste pumping) for RVs on the wait list for towing and for individuals living in RVs who are enrolled in services for housing placement; and, partnering with private and City RV disposal stations to provide those individuals with vouchers as a supplemental service.

After providing an opportunity for public comment, the Budget and Finance Committee concurred with the August 1, 2018 action of the Homelessness and Poverty Committee to approve the recommendations in the BOS report and for BOS to search for additional waste pumping sites. The Budget and Finance Committee also instructed the CAO to report with funding options as detailed in Recommendation No. 2 above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
