Summary: The Los Feliz Neighborhood Council representing over 36,000 resident stakeholders, was engaged by our constituents and asked to study Motion CF 15-1138-S1 (Wesson/Huizar et al) relative to the creation of a new account in the unappropriated balance entitled Serving and Housing LA's Homeless and the appropriation of various funding sources toward a spending plan to reduce homelessness. Specifically, our concern are with the impacts potential legislation may have on the people we officially represent. After studying CF 15-1138-S1, we support the creation of a new account in the Unappropriated Balance entitled Serving and Housing LA's Homeless and the appropriations of various funding sources toward a spending plan to reduce homelessness. We support the request that the Chief Legislative Analyst report back to LA City Council by November 14, 2015 on best practices implemented by other similar large municipalities and look forward to hearing the results of that study. We urge the city to find both long term and immediate solutions to the problem of homelessness in the City of Los Angeles.
