Comments for Public Posting: I'm a member of the West Hills NC, Co-chair of our Homelessness Committee and founding member of the West Valley Neighborhood Alliance on Homelessness but speaking for myself. Please reconsider the continuation of LAMC 85.02 that in essence forces people out of their vehicles and into the street and homeless. Additionally, please exhibit the requisite political courage and will to establish multiple safe parking locations in each Council District to help unhoused people have safety and connection to needed services. Thank you, Thomas Booth, LCSW
