MOTION

I MOVE, that the matter of the HOMELESSNESS AND POVERTY COMMITTEE REPORT relative to the City's Comprehensive Homeless Strategy, Item No. 6 on today's Council agenda (CF#15-1138-S1), BE AMENDED to:

1. Add to Strategy 6A – Co-Locate Homeless Services Within Homeless Storage Facilities & Create New Facilities, an instruction to LAHSA and the Municipal Facilities Committee to report to the Council's Entertainment and Facilities Committee with proposed facility location information, as well as an update on the availability of CES Leads for these proposed locations, prior to implementation.
2. Add to Strategy 6B – Establish Citywide Safe Parking Program, an instruction to the Homeless Strategy Committee to report to the Entertainment and Facilities Committee with the proposed Safe Parking program, including information on how the program will require locations in all 15 Council Districts or an opt-in program, with implementation of a Safe Parking program being subject to future approval of the program by the Council.
3. Add to Strategy 6C – Establish Citywide Mobile Shower and Public Restroom System, an instruction to LAHSA to report to Council on a Citywide Mobile Shower and Public Restroom System, including recommended locations and schedules, as well as recommendations to ensure locations in all 15 Council Districts or an opt-in program, for Council approval prior to implementation.
4. Add to Strategy 6D – Identify Public Land for Homeless Facilities, an instruction to the City Clerk to refer the CAO report on this matter to the Council's Entertainment and Facilities Committee for consideration when the directed report is transmitted.
