Dear Los Angeles City Council Members,

We stand with our Brothers and Sisters throughout the great state of California in protesting the removal of Columbus Day and changing it to Indigenous People Day. We have no problem with adding Indigenous People Day, but not by sacrificing Columbus Day!

Please continue to honor the heritage of the many Italian-Americans throughout our state and the organizations, including the Knights of Columbus and the Order of Sons and Daughters of Italy in America, which support Columbus Day with cultural celebrations.

Our state and its cities continually set precedence for the rest of the country. Please don't be the first to dishonor our heritage!

Thank you for considering our opinion.

Sincerely,

Peggy Soletti, Recording Secretary
