To the Honorable Herb Wesson,

President of the Los Angeles City Council

To the Honorable Members of the Los Angeles City Council

I am writing to express my strong support for Councilmember Mitch O'Farrell's effort to repeal Columbus Day and replace it with Indigenous People's Day (Council File 15-1343) in the City of Los Angeles, on the second Monday in October. Recognizing the contributions, history, and sacrifices made by the original inhabitants of the Los Angeles area is long overdue. In recent years, there is a greater awareness of the well-documented history of the Americas from the time Christopher Columbus set foot on the shores of what is historically referred to as Hispaniola in 1492. Indeed, Columbus returned three additional times to the "New World", setting in motion a genocide that would last centuries, the effects thereof are still felt today. Later, the Spanish missionaries came to California, decimating native Tribes to the point of extinction in some cases. It is time for Los Angeles to reflect on the legacy of these actions and create a permanent tribute to the people who made it possible for the rest of us to make a life for ourselves on the lands that the original inhabitants were so mercilessly removed from.

Thank you for voting in favor of replacing Columbus Day with Indigenous Peoples Day.

Sincerely,

Elizabeth M Pestian
