RE: CPC-2013-4028-GPA-ZC-SPR-ZAA-CD5

To whom it may concern,

We, as residents of 438 S. Arnaz Dr., Los Angeles, CA 90048, would like to contest the construction of the high rise building that Fisch Properties is planning to build on the NW corner of Hamel and Colgate. The parking, which is already compromised, will be made even more difficult for residents of the neighborhood.

The building's high-rise nature also forces long-time residents who love its genuine charm and neighborhood-feel to settle for something that is completely out of line with its original, and intended homogeneity in aesthetic, architecture, et al.

We do hope you reconsider. Many people will be affected by these changes. Thank you for reading.

Sincerely,

Tara and Christopher Herrmann
