

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to the Aliso Canyon Reliability Winter Action Plan and efforts to mitigate the potential effects of a natural gas shortage in the winter.

Recommendation for Council action, as initiated by Motion (Blumenfield - Englander - Harris-Dawson):

NOTE and FILE the Los Angeles Department of Water and Power (LADWP) report dated July 25, 2017 relative to the Aliso Canyon Reliability Winter Action Plan and efforts to mitigate the potential effects of a natural gas shortage in the winter.

Fiscal Impact Statement: Not applicable.

Community Impact Statement: None submitted.

Summary:

At a meeting held on January 16, 2018, the Energy, Climate Change and Environmental Justice Committee considered a report from the LADWP in response to Motion (Blumenfield - Englander - Harris-Dawson) requesting an update on the Aliso Canyon Reliability Winter Action Plan and efforts to mitigate the potential effects of a natural gas shortage in the winter. During the discussion of this matter, the LADWP General Manager provided an overview of the report and responded to related questions from the Committee members.

After providing an opportunity for public comment, the Committee recommended that Council note and file the report as reflected above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE AND ENVIRONMENTAL JUSTICE COMMITTEE
