Re: LADWP Water Rate Ordinance

To Whom It May Concern:

I am the owner at 1275 N. Berendo.

I am adamantly opposed to any rate change/increase in LADWP Rates.

I feel that the \$200,000,000.00 that LADWP steals from its customers annually and gives to the City of Los Angeles is already excessive.

Re: "LADWP Water Rate Ordinance"

We oppose the five-year rate increase:

- According to the LADWP's own benchmarking study and a review by the ratepayer advocate and an independent study, LADWP salaries and benefits are higher than comparable utilities, higher than comparable jobs for L.A. City, and higher than comparable jobs across the nation, yet nothing is being done about it except calls for more studies—while LADWP plans a "cost-of-living" raise in 2016.
- The new water rate ordinance lifts the cap that limits the extra charges for "adjustment factors," which raise your rates in-between the other rate increases. These extra charges will now be unlimited, and they can be increased over and over, without City Council approval.

Re: LADWP Water Rate Ordinance

To Whom It May Concern:

I would like to protest the proposed ordinance. It is unfair and unreasonable. Our rates are rising so quickly already and to do away with any City Council approval for further increases is wrong. Please do not approve.

Sincerely,

Dear Los Angeles City Clerk,

My wife and I, as long time LADWP customers, wish to PROTEST the proposed rate increase under the LADWP WATER RATE ORDINANCE. The passing of this ordinance as constructed will do a great disservice to the millions of DWP customers by raising rates to infinity with no guarantee of the infrastructure services promised. Please do not implement this Ordinance change.

Sincerely Yours,

PROTEST THE LADWP WATER RATE INCREASE!

Why we oppose the five-year rate increase:

- According to the LADWP's own benchmarking study and a review by the ratepayer advocate and an independent study, LADWP salaries and benefits are higher than comparable utilities, higher than comparable jobs for L.A. City, and higher than comparable jobs across the nation, yet nothing is being done about it except calls for more studies—while LADWP plans a “cost-of-living” raise in 2016.
- The new water rate ordinance lifts the cap that limits the extra charges for “adjustment factors,” which raise your rates in-between the other rate increases. These extra charges will now be unlimited, and they can be increased over and over, without City Council approval.

To protest the new water rate ordinance, just write on a piece of paper (you can use the lower portion of this one):

Your **name** (or the name of the DWP customer)
Your **address** (the property address, not a P.O. Box or billing address)
The words, “**LADWP Water Rate Ordinance**”
The words, “**I protest**” or “**We protest**”
