RE: LADWP Water Rate Ordinance
Paul & Yong Kistler
17047 Timer Ridge Drive
Granada Hills, CA 91344

Dear Sir or Madam,

I hereby object to or protest the proposed Water Rate Restructure and Increases for the Los Angeles Department of Water and Power - LADWP Water Rate Ordinance.

I believe Los Angeles City Council Technology Solution Mandates driven by Information Technology advisors versus Engineers populating the LADWP today will achieve water rate levels consistent with revenue needs, economic growth and stakeholder consent.

The current tired path sought by the LADWP, and their history to date, has not fulfilled our mutual promises. We can move beyond this.

Sincerely,
Paul & Yong Kistler
