Re: LADWP Water Rate Ordinance

To Whom It May Concern

I, Annette Separzadeh, the owner and LADWP user of the above address, do hereby protest the proposed rate changes by the LADWP.

I understand the reasoning for this rate ordinance but, as a concerned citizen, I try to conserve as much water as I can possibly conserve. I am not willing to pay higher rates for those citizens who waste water.

I will not be able to attend the public hearing but I will be watching carefully for the results.

Yours Sincerely,

Annette Separzadeh
Owner of property at
