PROTEST

Re: “ LADWP WATER RATE ORDINANCE

To the Los Angeles City Clerk:

I vehemently protest the rate hike. It is taking advantage of every Department of Water and Power customer if the water rate ordinance lifts the caps that limits the extra charges for “adjustment factors”, which raise our rates in-between the other rate increases. The extra charges would then be unlimited, and they can be increased over and over, without City Council approval. This is not acceptable.

Furthermore, there is no transparency involved in this rate hike. Thus, the entire procedure should be brought to the public for review. As we understand it, the employees are seeking a “cost of living” raise this year. When it has been determined by various studies that LA DWP employees have the highest salaries and benefits in comparison to comparable utilities across the nation.

The name and address at the top of this letter head is the name of my account and the address for service from LADWP.

Cordially yours,

Nancy A. Young

PROTEST THE LADWP WATER RATE INCREASE!

Why we oppose the five-year rate increase:

- According to the LADWP's own benchmarking study **and** a review by the ratepayer advocate **and** an independent study, LADWP salaries and benefits are higher than comparable utilities, higher than comparable jobs for L.A. City, and higher than comparable jobs across the nation, yet nothing is being done about it except calls for more studies—while LADWP plans a “cost-of-living” raise in 2016.
- The new water rate ordinance lifts the cap that limits the extra charges for “adjustment factors,” which raise your rates in-between the other rate increases. These extra charges will now be unlimited, and they can be increased over and over, without City Council approval.

To protest the new water rate ordinance, just write on a piece of paper (you can use the lower portion of this one):

Your **name** (or the name of the DWP customer)
 Your **address** (the property address, not a P.O. Box or billing address)
 The words, “**LADWP Water Rate Ordinance**”
 The words, “**I protest**” or “**We protest**”

Mail or hand-deliver it to:

It must arrive **by the morning of February 17** to be counted. One protest per address will count. If half of all DWP customers file a valid protest, the rate hike will not be imposed. It must be on paper to be valid, no e-mail or calls will count, although you can certainly call your City Council representative and express your views. It might help.
