Dear Sus,

We protest the proposed water rate increase!!

We conserve water as instructed by the Mayor and you want to increase rates again!!

According to the Dept of Labor there was no increase in the cost of living in 2015 (CPI) which means no increase in my SSI benefits!! Yet you want to increase water rates!!

We pay enough and you keep asking for more - when will this stop!!

I protest the proposed rate increase. My pension and social security did not increase and I am on lifeline for low income. It is very difficult to justify the increase when my and other water usage has gone down along with careful electric usage. I am 87 years old. Please do not increase proposed rates

RE: LADWP Water Rate Ordinance – Feb. 17, 2016 Public Hearing

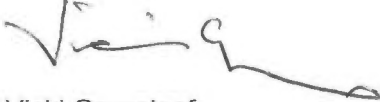

Sir or Ma'am:

We object to the proposed water rate hike.

My family works hard to reduce our environmental footprint in every area, including water usage. However, both my husband and I work from home ... and we have a full-time employee, which my water usage unavoidably reflects.

We pay city business tax and self-employment tax ... and now the city is finding another way to make it difficult not only for families ... but for small business owners.

LADWP Water Rate Ordinance

We are Robert M, and Roxie C. Montrose. Our address is 8248 W. 83rd Street in Playa Del Rey, CA 90293. We protest the water rate restructure and increase, as proposed. Our protest is based upon 1) our current state of (un)employment, coupled with the serious cutbacks we have made during our drought crisis. This increase renders our conservation efforts pointless.

Sincerely,

Robert M. Montrose
