PROTEST

2 February, 2016

To Whom It May Concern:

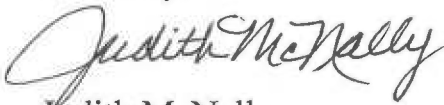

This letter is to protest the rises in water rates that are proposed to be put in this year.

I work very hard to keep water usage down in our home, here in Sunland, and would feel supremely cheated to have my efforts penalize by increases in rates plus added charges for things like water quality, water security, water procurement, low-income subsidies, and so on.

I will be contacting a network of friends to alert them to this matter, as well.

Thank you for your attention to this subject.

Sincerely,

Judith McNally

PROTEST

Regarding the LADWP Water Rate Ordinance,

15-1543

We are opposed to the increases of LADWP water rates for private residences.

We are new, first time homeowners, both working professionals and parents to one child. In this year of owning the above property, we have converted our lawn to drought tolerant plants and ceased overhead sprinkler watering completely. We have installed many efficient home upgrades. We even go so far as to collect clean sink water for our plants.

Whether or not homeowners choose to follow the same water conservation as we do in our household, a rate increase would put an unreasonable burden on residential property owners.

The regulation of water usage in agriculture, business and on city and state properties would be most beneficial to drought preparation and survival. Taking more money from families, who are working to make ends meet, will not stop the misuse of water from major offenders.

As water conservationist and homeowners, we implore you not to impose the LADWP water rate increase.

Thank you for your attention,

Greg Brown and Celeste Jale

I, MERRYL ARBOGAST, live and receive service at 10530 Larwin Ave, Unit 4. My LADWP account number is 2067021000. I protest the new proposed LADWP Water Rate Increase. I believe the changes to be unwarranted and unnecessary. We have already reduced water usage to meet LADWP's requirements, and now you want to charge us for the resulting lost income. Our household, and many of our neighbors, are retired and living on fixed incomes. This increase will create an undue burden on us. I urge you to reconsider this rate increase.

Sincerely,

Merryl Arbogast

I, David Fouquette, live and receive service at 22210 James Alan Circle, #7 Chatsworth, CA 91311. My LADWP account number is 923 101 1000. I protest the new proposed LADWP Water Rate Ordinance. I believe the changes to be lopsidedly unfair to LADWP's customers, and will adversely affect our lifestyles. Among other reasons, it will make such a basic and necessary commodity as water, prohibitively expensive.

Furthermore, the idea of Brian D'Arcy refusing to turn over financial records to L.A. Mayor Eric Garcetti after two nonprofit trusts he co-directs used \$40 million in ratepayer money is outrageous.

It's time DWP stops trying to take advantage of the ratepayer's just because they can.

Sincerely

David Fouquette

WHY WE OPPOSE THE FIVE-YEAR RATE INCREASE FOR DWP

-According to the LADWP's own benchmarking study and a review by the ratepayer advocate and an independent study, LADWP salaries and benefits are higher than comparable utilities, higher than comparable jobs for L.A. City, and higher than comparable jobs across the nation, yet nothing is being done about it except calls for more studies—while LADWP plans a "cost-of-living" raise in 2016.

-The new water rate ordinance lifts the cap that limits the extra charges for "adjustment factors", which raise your rates in-between the other rate increases. These extra charges will now be unlimited, and they can be increased over and over, without City Council approval.

To protest the new water rate ordinance, just write on a piece of paper (you can use the lower portion of this one):

Your name (or the name of the DWP customer)

Your address (the property address, not a P.O. Box or billing address)

The words, "LAWPD Water Rate Ordinance"

The words, "I protest" or "We Protest"

15-1543

PROTEST

Mail or hand-deliver it to:

City Clerk

200 N. Spring Street, Room 395

Los Angeles, CA 90012

Mail by February 10 to arrive by a.m. February 17, 2016 to be counted. One protest per address will count. If half of all DWP customers file a valid protest, the rate hike will not be imposed. It must be on paper to be valid, no e-mail or calls will count, although you can certainly call your City Council representative and express your views. It might help.
