GENERAL COUNCIL AGENDA TO BE POSTED

#52

# MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb / sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

The Department of General Services is providing services for the Westwood Greenway project including construction of a fence in an area bounded by Westwood Boulevard to the west and Overland Avenue to the east; the southern boundaries run along just north and south of the Expo Line. This effort is of special benefit for the residents of the City and for Council District 5 and deserves financial assistance from the City.

Sufficient funds are available in the Council District 5 portion of the Street Furniture Revenue Fund which could appropriately be transferred to the Bureau of Street Services for this purpose.

I THEREFORE MOVE that \$19,756 from the Council District 5 portion of the Street Furniture Revenue Fund No. 43D, Department 50 be transferred/appropriated to the General Services Fund No. 100-40, as follows: \$7,902 to Account No. 1014 (Salaries - Construction) AND \$11,853 to Account No. 3180 (Construction Materials & Supplies) for services associated with the Westwood Greenway Project, as further detailed in the text of this Motion.

I FURTHER MOVE that the General Services Department be authorized to make any clarifications or corrections to the above instructions as may be necessary to implement the intent of this Motion.
