SUMMARY

In a report to the Board of Police Commissioners (Board), dated April 22, 2016, attached to the Council file, the LAPD recommends that the Board approve the donation of 40 iPads from the Los Angeles Police Foundation for the benefit of the LAPD. The LAPD reports that the iPads will enable command staff to have mobile COMPSTAT data access, which will assist them in reviewing crime statistics while in the field. The availability of this data will enable commanding officers to make more timely and accurate decisions on intelligence, tactics, deployment and follow-up. The use of these tablets will also serve as a means of going green' since commanding officers will not have to print and carry large binders of data on a weekly basis. Application Development and Support Division has a restricted fund account with the Los Angeles Police Foundation. Funds from this account are to be used specifically for the purchase of these iPads. At the meeting held on August 2, 2016, your Public Safety Committee considered this matter. An opportunity for public comment was held. After a brief discussion, the Committee recommended that Council approve the donation of 40 iPads for the benefit of the LAPD, as recommended by the Board, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
