SUBJECT: APPROVAL OF NON-MONETARY DONATION

RECOMMENDED ACTION

1. That the Board of Police Commissioners APPROVE the Department’s Report and TRANSMIT to the Mayor and City Council for ACCEPTANCE the donation of $32,195.00 for the repainting of a helicopter for Air Support Division.

DONOR INFORMATION:

Ms. Cecilia Glassman, Executive Director
633 West 5th Street, Suite 1210
Los Angeles, California 90071

DISCUSSION

The donation is for the benefit of Air Support Division and will be used to repaint a helicopter that was transferred from the Los Angeles Fire Department (LAFD) fleet to the Los Angeles Police Department (Department) aircraft inventory. The helicopter is currently LAFD red and needs to be painted blue with corresponding insignia in order to be deployed as a Department aircraft. The aircraft will serve as the only medium-lift helicopter in the fleet and provide the Department with airborne tactical capabilities the current fleet is unable to support due to limited lift capacity. Air Support Division has a restricted account with the Los Angeles Police Foundation (Foundation). The Foundation will use funds from this account to pay the vendor directly for repainting the helicopter.

No expressed or implied commitments or promises were made to the donor or representatives of the donor. The donor will not receive any preferential treatment, endorsement, or recommendation; and the donor is not allowed the use of any Department patents.

Administrative Services Bureau has reviewed the donation and determined that it has been submitted in accordance with Section 5.467 et seq. of the Los Angeles Administrative Code, which provides for the receipt and acceptance of donations to the Department.
If you have any questions, please contact Sergeant Tonya Juarez-Washington, Commander’s Aide, Administrative Services Bureau, at (213) 486-7060.

Respectfully,

CHARLIE BECK

Upon an agreement between the Los Angeles City Fire Department and the Los Angeles Police Department (LAPD), the aircraft was transferred to the Police Department inventory.
