SUMMARY

In a report to the Board dated April 15, 2016, attached to the Council file, the LAPD recommends that the Board approve the donation of gym equipment from the Los Angeles Police Foundation for the benefit of the LAPD, Metropolitan Division. The LAPD reports that there is currently no gym equipment in the workout room at the new Metro facility, requiring officers to travel to other stations or the Police Academy in order to complete their physical fitness regimens. Metropolitan Division has a restricted fund with the Los Angeles Police Foundation. The Los Angeles Police Foundation will use funds from this account to pay for gym equipment for the workout room at Metro. The equipment comes with a five-year warranty and Metro will take care of any future repairs or replacement outside the warranty period.

At the meeting held on December 6, 2016, your Public Safety Committee considered this matter. An opportunity for public comment was held. After a brief discussion, the Committee recommended that Council approve the donation of gym equipment for the benefit of the LAPD, Metropolitan Division, as recommended by the Board, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
