SUMMARY

In a report to the Board of Police Commissioners dated December 15, 2015, attached to the Council file, the LAPD recommends that the Board approve the donation to complete the build-out of the Homicide Library from the Los Angeles Police Foundation for the benefit of the LAPD. The LAPD reports that the Homicide Library will provide a centralized location for the housing of murder books, provide a digital and searchable database of all homicide cases for investigations and offers the victim's family members and witnesses a stress free location to openly discuss on-going investigations. After further discussion of the matter, the Committee recommended that Council approve the donation to complete the build-out of the Homicide Library for the benefit of the LAPD, as recommended by the Board of Police Commissioners, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted, .
