

MOTION

The Council District AB1290 Fund provides funding for redevelopment and community services in various Council Districts.

The Department of General Services is coordinating the fabrication and installation of security gates for the street ends of Ripple Street and Gilroy Street in Elysian Valley. This is a public safety measure to prevent further non-emergency vehicular access to the shared walking and bike path. This effort is of special benefit for the residents of the City and for CD-13 and deserves financial assistance from the City.

Sufficient funds are available in the CD-13 portion of the Council District AB 1290 Fund for this purpose.

I THEREFORE MOVE that \$27,510 in the AB1290 Fund No. 53P, Account No. 281213 (CD 13 Redevelopment Projects - Services) be transferred/appropriated to the General Services Fund No. 100-40, as follows: \$16,400 to Account No. 001101 (Hiring Hall Construction), \$7,610 to Account No. 001121 (Benefits Hiring Hall Construction) and \$3,500 to Account No. 003180 (Construction Materials and Supplies) for the fabrication and installation of security gates for the street ends of Ripple Street and Gilroy Street in Elysian Valley.

I FURTHER MOVE that the Department of General Services be authorized to make any technical corrections or clarifications to the above instructions in order to effectuate the intent of this Motion.
