INNOVATION, GRANTS, TECHNOLOGY, COMMERCE AND TRADE COMMITTEE REPORT relative to the Los Angeles Harbor Department's (LAHD) process to ensure compliance with mitigation measures; and efforts to make public documents, including those associated with TraPac Air Quality Mitigation Measure 17, more easily accessible.

Recommendation for Council action:

NOTE and FILE the communication dated August 2, 2016 from the LAHD relative to the Department's process to ensure compliance with mitigation measures; and efforts to make public documents, including those associated with TraPac Air Quality Mitigation Measure 17, more easily accessible.

Community Impact Statement: None submitted.

SUMMARY:

At the public hearing held on August 2, 2016, your Innovation, Grants, Technology, Commerce and Trade Committee considered a communication dated August 2, 2016 from the LAHD relative to the Department's process to ensure compliance with mitigation measures; and efforts to make public documents, including those associated with TraPac Air Quality Mitigation Measure 17, more easily accessible. The Executive Director of the LAHD provided an overview of the matter and answered related questions from the Committee. After an opportunity for public comment, the Committee recommended that Council note and file the LAHD communication. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

INNOVATION, GRANTS, TECHNOLOGY, COMMERCE, AND TRADE COMMITTEE
