**COUNCIL TRANSMITTAL: REQUEST FOR AUTHORITY TO ISSUE TAX-EXEMPT MULTIFAMILY CONDUIT REVENUE BONDS IN THE FORM OF A NOTE IN THE AMOUNT UP TO \$6,400,000, INCREASE THE HCIDLA LOAN COMMITMENT BY \$530,000, AND NEGOTIATE AND EXECUTE A LOAN FOR THE CASA CARMEN SENIOR APARTMENTS**

**SUMMARY**

The Los Angeles Housing + Community Investment Department (HCIDLA) respectfully requests authority to issue tax-exempt multifamily conduit revenue bonds in the form of a Note in an amount up to \$6,400,000; increase the HCIDLA loan commitment by \$530,000 from \$2,050,000 to \$2,580,000; and, negotiate and execute a loan agreement in the total amount up to \$2,580,000 for the Casa Carmen Senior Apartments (Project). The proposed financing is in connection with the development of the Project that will be partially financed by the issuance of tax-exempt multifamily conduit revenue bonds and execution of the HCIDLA loan agreement.

On October 19, 2016, the California Debt Limit Allocation Committee (CDLAC) awarded the Project a bond allocation in the amount of \$6,400,000 and designated May 1, 2017 as the bond issuance deadline. Due to current disruptions in the equity and debt markets, the Project has experienced a drop in the tax credit equity pricing from previously projected \$1.10 to \$0.95. In addition, the Project has increases in development costs, which were partially addressed through value engineering and downward adjustments of soft costs. These circumstances have created a gap of \$530,000 in project financing. Since it was unlikely that the Project would be able to meet the May 1, 2017 bond issuance deadline, HCIDLA requested and received a 90-day extension from CDLAC; the new bond issuance deadline is August 1, 2017.

## **RECOMMENDATIONS**

The General Manager of HCIDLA respectfully requests the following:

- I. That your office schedule this transmittal for consideration at the next available meeting(s) of the appropriate City Council committee(s) and forward it to the City Council for review and approval immediately thereafter.
- II. That the City Council, subject to the approval of the Mayor, take the following actions:

  - B. Authorize the General Manager of HCIDLA, or designee, to negotiate and execute relevant bond documents for the Casa Carmen Senior Apartments, subject to the approval of the City Attorney as to form;
  - C. Authorize the General Manager of HCIDLA, or designee, to increase the HCIDLA financial commitment by \$530,000 from \$2,050,000 to up to \$2,580,000;
  - D. Obligate CRA/LA Excess Non-Housing Bond Proceeds for the project listed below:

<u>Project</u>	<u>Fund</u>	<u>Account</u>	<u>Account Name</u>	<u>Amount</u>
Casa Carmen Senior Apartments	57D/22	22L90T	Pico Union Taxable	\$2,580,000.00

- E. Amend the Motion (Cedillo-Martinez) (C.F. 16-0184) to clarify that the \$2,050,000 reimbursement cited in the Motion will occur through loan repayments to be specified in HCIDLA's \$2,580,000 loan agreement for the Casa Carmen Senior Apartments;
- F. Authorize the General Manager of HCIDLA, or designee, to negotiate and execute loan documents and amendments for the HCIDLA loan in the amount up to \$2,580,000, including but not limited to: interest rate, loan and affordability terms, loan amount, subordination to new permanent loans, and, assumption, assignment and transfer of properties to a new limited partnership, subject to the approval of the City Attorney as to form and legality; and
- G. Authorize the General Manager of HCIDLA, or designee, to prepare Controller instructions and make any necessary technical adjustments that are consistent with the Mayor and Council actions, subject to the approval of the City Administrative Officer, and authorize the City Controller to implement those instructions.

## **BACKGROUND**

### Project Summary

The subject site is located at 1800 W. 11<sup>th</sup> Street, Los Angeles, CA, in Council District One. The site is currently improved with one vacant commercial building and with the remainder of the site vacant land. 1010 Development Corporation, a California non-profit corporation, currently owns the property. At closing of the construction financing, Casa Carmen Senior Apartments, L.P. (Borrower) will acquire the site through a transfer from 1010 Development Corporation and will proceed with demolition of the vacant commercial building and begin the new construction work. The project is located in a Historic Preservation Overlay Zone and the historic facade of the existing commercial building will be incorporated into the new structure. When completed, the multi-story apartment building will provide 24 one-bedroom affordable housing units for homeless senior citizens ages 62 and above plus one unrestricted two-bedroom manager's unit. Project amenities will include elevator service, a community room, a computer lab, a laundry room, outdoor landscaped areas, surface parking, and a manager's leasing office. An on-site service coordinator will assist residents in developing personalized service plans and establishing linkages with necessary third party organizations that can offer specialized care and assistance. Some of the services that will be coordinated by the service partner include: financial education, adult wellness and skill building classes, substance abuse counseling, and referral to medical and mental health service providers.

### Financing History

On April 20, 2005, the City Council provided inducement authority to HCIDLA to declare the intent of the City of Los Angeles (City) to issue bonds to help finance multifamily residential projects located in the City. (C.F. 04-2646). On May 20, 2016, HCIDLA issued an inducement letter. On June 6, 2016, HCIDLA conducted a public hearing in accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA). On June 17, 2016, the TEFRA Resolution and Minutes were adopted by the City Council (C.F. 16-0690). The inducement letter and evidence of TEFRA are required as part of the bond application to CDLAC. In July 2016, HCIDLA submitted the bond application to CDLAC for an allocation of tax-exempt bonds. On October 19, 2016, CDLAC provided the \$6,400,000 tax-exempt bond allocation and designated May 1, 2017 as the bond issuance deadline. Due to unforeseen market events described in the Summary section, HCIDLA requested and CDLAC approved an extension of the bond issuance deadline to August 1, 2017.

### Affordability Restrictions

Pursuant to HCIDLA's Multi-family Bond Policies and Procedures, the Project must provide a public benefit. Therefore, a Bond Regulatory Agreement will be executed in connection with the issuance of the tax-exempt bonds. The Bond Regulatory Agreement will include affordability restrictions throughout a term ending no sooner than the later of: 1) 15 years after the date on which 50% of the dwelling units are first occupied; 2) the date such bonds are paid in full; or, 3) the date on which any Section 8 assistance terminates, if applicable. In addition, the bond award includes a CDLAC Resolution which requires that the Project's income and rent restrictions be in place for a term of 55 years. As such, the Bond Regulatory Agreement will have a 55 year term.

The Project will also have affordability restrictions applied under a separate agreement with the California Tax Credit Allocation Committee (TCAC) for a minimum term of 55 years as a result of the allocation of 4% Low Income Housing Tax Credits.

The Project consists of 24 units targeted to households at or below 30% of Area Median Income (AMI), and one unrestricted Manager unit. Table 1 below provides a summary of the unit mix for the Project.

### **Financial Structure**

The issued bonds will be privately placed with Citibank, N.A. (Citi). Citi has proposed a “back-to-back loan” structure. In order to meet Community Reinvestment Act (CRA) requirements, large banking organizations such as Citi are required to achieve two types of CRA goals in the markets that they serve. In each market they are required to have a certain dollar volume of “investment” activity and to achieve a certain dollar volume of “lending” activity in each period. In order to achieve these CRA goals, Citi’s proposed tax-exempt back-to-back loan structure, which characterizes Citi’s involvement as a “loan” of tax-exempt proceeds rather than a purchase of tax-exempt bonds (replacing the “Bond” with a “Note”). Citi’s ability to achieve these goals is fundamental to its ability to continue to allocate significant levels of capital to affordable housing activity in the City.

Instead of purchasing bonds, Citi will make a tax-exempt loan (Funding Loan) in the amount of up to \$6,400,000 to the City. The tax-exempt loan will have an interim or construction phase that typically lasts for about two years. The City will loan the proceeds of the Funding Loan to the Borrower in the form of a Borrower Loan. The Borrower will use the proceeds from the Borrower Loan to fund the acquisition, rehabilitation and construction work. The construction loan term will be 24 months (plus

one possible six-month extension) with a variable rate equal to the one month LIBOR index plus a spread of 2.50%; the current indicative rate is 2.93%. Once construction is completed, the loan will be paid off with permanent financing sources.

The obligation of the Borrower to repay the Borrower Loan will be secured by a mortgage on the Project (Mortgage). The Mortgage and Borrower Loan will be pledged by the City to a trustee/fiscal agent acting on behalf of Citi as the sole security for payment of the Funding Loan. Similar to a private placement tax-exempt bond structure, the obligations of the City are secured by and payable only from payments received from the Borrower under the Borrower Loan between the Borrower and the City. The Funding Loan will be a strictly limited, non-recourse loan. The Funding Loan will be evidenced by a Note, delivered in physical (non-book entry) form and subject to the restrictions on transfer as set forth in the HCIDLA's Multifamily Bond Policies and Procedures. The bonds will be unenhanced (without a credit enhancement), unrated and subject to HCIDLA's Multifamily Bond Policies and Procedures.

In addition, Citi has requested a waiver of certain HCIDLA policies related to the issuance of non-rated tax-exempt bonds. HCIDLA has agreed to a limited number of modifications that nonetheless retain City protections intended by the Multifamily Bond Policies and Procedures and prevent the City from incurring undue risk or liability. The City Attorney's Office has reviewed this proposal. The Bond Counsel and Issuer Financial Advisor have also reviewed and assessed no undue risk or liability. The modifications are as follows:

- a) HCIDLA has agreed to allow the sale or transfer of the Note or beneficial ownership interests in the Note to: 1) a Qualified Institutional Buyer (QIB), 2) an affiliate of the Funding Lender, or 3) a trust or custodial arrangement established by the Lender, the beneficial interest of which will be owned only by QIBs. Each transfer shall require an executed Transferee Representation Letter in place of the traditional Investor Letter.
- b) No beneficial ownership interest in the Note shall be sold in an amount that is less than 15% of the outstanding principal amount of the Note.
- c) HCIDLA has agreed to permit the Note Holder Representative to declare a default under the Note and request the City to authorize exercise of remedies.

Additionally, the Note structure adheres to both HCIDLA's Multifamily Bond Policies and Procedures and has been reviewed by the City's Financial Advisor, City Attorney's Office and Bond Counsel.

HCIDLA will require Citi to adhere to the reporting requirements of the City's Responsible Banking Ordinance (RBO) #182138. At closing, Bond Counsel will provide the City with the required legal opinions as to the tax-exempt status of the Note under federal and state law. The legal and financing documents will also include the required items as per the Multifamily Bond Policies and Procedures, including but not limited to, language that the Note structure is a limited obligation and strictly payable from the project revenues. In addition, the borrower will be required to provide annual statements and additional information as may be reasonably requested by HCIDLA.

The financing structure also includes funds from the State of California Supportive Housing Multifamily Housing Program (SHMHP), the Federal Home Loan Bank of San Francisco’s Affordable Housing Program (AHP), 4% tax credit equity, a rental subsidy from the Los Angeles County Department of Health Services (DHS), and HCIDLA. The estimated terms of each additional financing source is detailed below.

HCIDLA Loan:

On February 26, 2016, City Council authorized HCIDLA to provide a \$2,050,000 funding commitment in CRA/LA Excess Non-Housing Bond Proceeds (C.F. 16-0184) to the Borrower. With Council approval, the HCIDLA commitment will be increased by \$530,000 of CRA/LA Excess Non-Housing Bond Proceeds from \$2,050,000 to \$2,580,000. HCIDLA will provide a loan in the amount up to \$2,580,000 to the Borrower. HCIDLA underwriting supports the request for the additional funds. The HCIDLA loan will have a 55 year term, 4% simple interest rate, and the loan payments will be based on residual receipts. To date, the HCIDLA loan has not been executed.

SHMHP loan:

The \$3,500,000 residual receipts loan will have a 3% simple interest rate, and a 55 year term.

AHP loan:

The \$234,446 loan will have a 0% interest rate, and a 30 year term with deferred payments.

DHS subsidy:

DHS will provide a 15 year operating subsidy for 24 units. The subsidy will be provided at fair market rent level up to \$1,103, for one-bedroom units minus tenant contribution.

Other Financing

On September 21, 2016, the California Tax Credit Allocation Committee (CTCAC) reserved an allocation of 4% federal and state Low Income Housing Tax Credits (LIHTCs) for the project. Originally, the CTCAC required that the project construction must be able to begin by April 3, 2017. Subsequently, the CTCAC deadline was extended to June 4, 2017.

Timeline

CDLAC designated May 1, 2017 as the bond issuance deadline. Subsequently, due to unforeseen delays connected to market conditions, CDLAC extended the bond issuance deadline to August 1, 2017. CTCAC designated their construction deadline as April 3, 2017 and then extended it to June 4, 2017. The developer is working with CTCAC to see if the CTCAC construction deadline can be further extended.

**FISCAL IMPACT STATEMENT**

There is no fiscal impact on the General Fund as a result of the issuance of the bonds. The City is a conduit issuer and will not incur liability for repayment of the bonds. The bonds are a limited obligation payable strictly from revenue from the Project. The City will not be obligated to make payments on the bonds.

The Borrower hereby acknowledges and consents to such assignment to the Fiscal Agent.

(b) With respect to the Unassigned Rights, subject to the limitations set forth in this Section 2.2, the Governmental Lender may:

(i) *Tax Covenants.* Seek specific performance of, and enforce, the tax covenants of the Funding Loan Agreement, the Regulatory Agreement, the Tax Certificate and the Borrower Loan Agreement, injunctive relief against acts which may be in violation of any of the tax covenants, and enforce the Borrower's obligation to pay amounts for credit to the Rebate Fund;

(ii) *Regulatory Agreement.* Seek specific performance of the obligations of the Borrower or any other owner of the Project under the Regulatory Agreement and injunctive relief against acts which may be in violation of the Regulatory Agreement or otherwise in accordance with the provisions of the Regulatory Agreement; provided, however, that the Governmental Lender may enforce any right it may have under the Regulatory Agreement for monetary damages (which term shall not be deemed to include fees, expenses and indemnification obligations payable by the Borrower to the Governmental Lender under the Regulatory Agreement or the Borrower Loan Agreement) only against Excess Revenues (defined below), if any, of the Borrower, unless the Funding Lender otherwise specifically consents in writing to the use of other funds; and

(iii) *Unassigned Rights.* Take whatever action at law or in equity which appears necessary or desirable to enforce the other Unassigned Rights, provided, however, that the Governmental Lender or any person under its control may only enforce any right it may have for monetary damages (which term shall not be deemed to include fees, expenses and indemnification obligations payable by the Borrower to the Governmental Lender under the Regulatory Agreement or the Borrower Loan Agreement) against Excess Revenues, if any, of the Borrower, unless the Funding Lender otherwise specifically consents in writing to the enforcement against other funds of the Borrower.

(c) In no event shall the Governmental Lender, except at the express written direction of the Funding Lender:

(i) prosecute its action to a lien on the Project; or

(ii) take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Borrower Loan or of causing the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, rehabilitation, composition, reorganization, conservation or other similar law in effect now or in the future; or

(iii) interfere with the exercise by the Fiscal Agent, the Funding Lender or the Servicer of any of their rights under the Borrower Loan Documents upon

the occurrence of an event of default by the Borrower under the Borrower Loan Documents or the Funding Loan Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Borrower Loan or the Funding Loan.

(d) The Governmental Lender shall provide Written Notice to the Funding Lender and the Servicer immediately upon taking any action at law or in equity to exercise any remedy or direct any proceeding under the Borrower Loan Documents or the Funding Loan Documents.

(e) As used in this Section 2.2, the term “Excess Revenues” means, for any period, the net cash flow of the Borrower available for distribution or payment to shareholders, members or partners (as the case may be) for such period, after the payment of all interest expense, the amortization of all principal of all indebtedness coming due during such period (whether by maturity, mandatory sinking fund payment, acceleration or otherwise) with respect to the Project, the payment of all fees, costs and expenses on an occasional or recurring basis in connection with the Borrower Loan or the Funding Loan, the payment of all operating, overhead, ownership and other expenditures of the Borrower directly or indirectly in connection with the Project (whether any such expenditures are current, capital or extraordinary expenditures), and the setting aside of all reserves for taxes, insurance, water and sewer charges or other similar impositions, capital expenditures, repairs and replacements and all other amounts which the Borrower is required to set aside pursuant to agreement, but excluding depreciation and amortization of intangibles.

### **Section 2.3. Loan; the Borrower Note; Conditions to Closing.**

(a) The Funding Loan shall be funded by deposits to the Project Fund under the Funding Loan Agreement by the Funding Lender upon satisfaction of the conditions set forth in the Construction Funding Agreement, in one or more installments not to exceed the Borrower Loan Amount in accordance with the disbursement procedures set forth in the Construction Funding Agreement and the Funding Loan Agreement. Upon funding of each installment of the Funding Loan, the Governmental Lender shall be deemed to have made the Borrower Loan to the Borrower in a like principal amount. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note. The proceeds of the Borrower Loan shall be used by the Borrower to pay costs of the acquisition, construction, development, equipping and/or operation of the Project. The Borrower hereby accepts the Borrower Loan and acknowledges that the Governmental Lender has contracted with the Funding Lender to fund the Borrower Loan in the manner set forth herein and in the Funding Loan Agreement. The Governmental Lender acknowledges that the Borrower Loan shall be funded by the Funding Lender for the account of the Governmental Lender.

(b) The Borrower hereby accepts the Borrower Loan. As evidence of its obligation to repay the Borrower Loan, simultaneously with the delivery of this Borrower Loan Agreement to the Governmental Lender, the Borrower hereby agrees to execute and

deliver the Borrower Note. The Borrower Loan shall mature and be payable at the times and in the amounts required under the terms hereof and of the Borrower Note. The Governmental Lender shall assign the Borrower Note to the Fiscal Agent on the Closing Date as a condition to closing of the Borrower Loan and the Funding Loan.

(c) Closing of the Borrower Loan on the Closing Date shall be conditioned upon satisfaction or waiver by the Governmental Lender and the Funding Lender in their sole discretion of each of the conditions precedent to closing set forth in the Funding Loan Agreement and this Borrower Loan Agreement, including but not limited to the following:

(i) evidence of proper recordation of the Security Instrument, an assignment of the Security Instrument from the Governmental Lender to the Fiscal Agent, the Regulatory Agreement, and each of the other documents specified for recording in instructions delivered to the Title Company by counsel to the Funding Lender (or that such documents have been delivered to an authorized agent of the Title Company for recordation under binding recording instructions from Funding Lender's counsel or such other counsel as may be acceptable to the Funding Lender);

(ii) delivery to the Fiscal Agent or into escrow with the Title Company (or separate escrow company, if applicable) of all amounts required to be paid in connection with the origination of the Borrower Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Funding Deposit and the Borrower Initial Equity, all as specified in written instructions delivered to the Title Company by counsel to the Funding Lender (or such other counsel as may be acceptable to the Funding Lender) and/or as specified in a closing memorandum of the Funding Lender; and

(iii) payment of all fees payable in connection with the closing of the Borrower Loan including the Governmental Lender's Closing Fee and the initial fees and expenses of the Fiscal Agent.

In addition, closing of the Borrower Loan shall be subject to the delivery of an opinion of counsel to the Borrower addressed to the Governmental Lender and the Funding Lender, dated the Closing Date, in form and substance acceptable to Tax Counsel, regarding the due execution by the Borrower of, and the enforceability against the Borrower of, the Borrower Loan Documents.

#### **Section 2.4. Borrower Loan Payments.**

(a) The Borrower shall make the Borrower Loan Payments in accordance with the Borrower Note. Each Borrower Loan Payment made by the Borrower shall be made in funds immediately available to the Fiscal Agent or the Servicer by 2:00 p.m., New York City time, on the Borrower Loan Payment Date. Each such payment shall be made to the Fiscal Agent or Servicer, as applicable, by deposit to such account as the Fiscal Agent or Servicer, as applicable, may designate by Written Notice to the Borrower.

Payments made on the Governmental Lender Note shall be deemed to be made on the same date and in the same amount as on the Borrower Note. Whenever any Borrower Loan Payment shall be stated to be due on a day that is not a Business Day, such payment shall be due on the first Business Day immediately thereafter. In addition, the Borrower shall make the Borrower Loan Payments in accordance with the Borrower Note in the amounts and at the times necessary to make all payments due and payable on the Funding Loan. All payments made by the Borrower hereunder or by the Borrower under the other Borrower Loan Documents, shall be made irrespective of, and without any deduction for, any setoffs or counterclaims, but such payment shall not constitute a waiver of any such setoffs or counterclaims.

(b) Unless there is no Servicer, payments of principal and interest on the Borrower Note shall be paid to the Servicer and the Servicer shall then remit such funds to the Fiscal Agent. If there is no Servicer, payments of principal and interest on the Borrower Note shall be paid directly to the Fiscal Agent.

### **Section 2.5. Additional Borrower Payments.**

(a) The Borrower shall pay the following amounts:

(i) to the Servicer, the Rebate Amount then due, if any, to be deposited in the Rebate Fund as specified in Section 5.36 hereof and the Rebate Analyst's Fee and any other costs incurred to calculate such Rebate Amount (to the extent such costs are not included in the Borrower Loan Payment);

(ii) to the Fiscal Agent for remittance to the Governmental Lender, the Ongoing Governmental Lender Fee and all fees, charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Governmental Lender incurred under the Borrower Loan Documents or the Funding Loan Documents, as and when the same become due;

(iii) [reserved];

(iv) all Costs of Funding and fees, charges and expenses, including agent and counsel fees incurred in connection with the origination of the Borrower Loan and the Funding Loan, as and when the same become due;

(vi) any Late Charge due and payable under the terms of the Borrower Note and Section 2.6 hereof; provided, however, that all payments made pursuant to this subsection (a) shall be made to the Servicer, if there is no Servicer, such payments shall be made to the Fiscal Agent on behalf of the Funding Lender; and

(vii) to the Fiscal Agent, all fees, charges, costs, advances, indemnities and expenses, including agent and counsel fees, of Fiscal Agent incurred under the Borrower Loan Documents or the Funding Loan Documents as and when the same become due.

(b) The Borrower shall on demand pay to the party entitled thereto as expressly set forth in this Borrower Loan Agreement or the other Borrower Loan Documents or Funding Loan Documents:

(i) all expenses incurred in connection with the enforcement of any rights under this Borrower Loan Agreement or any other Borrower Loan Document, the Regulatory Agreement, or any Funding Loan Document by the Governmental Lender, Funding Lender, Fiscal Agent or the Servicer;

(ii) all other payments of whatever nature that the Borrower has agreed to pay or assume under the provisions of this Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document; and

(iii) all expenses, costs and fees relating to inspections of the Project required by the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer or the Construction Consultant, in accordance with the Borrower Loan Documents or the Funding Loan Documents or to reimburse such parties for such expenses, costs and fees.

**Section 2.6. Overdue Payments; Payments if Default.** If any Borrower Payment Obligation is not paid by or on behalf of the Borrower when due, the Borrower shall pay to the party to whom such payment is required to be made, a Late Charge in the amount and to the extent set forth in the Borrower Note, if any.

**Section 2.7. Optional and Mandatory Prepayment of the Borrower Note.** The Borrower Note shall be subject to optional and mandatory prepayment to the extent and in the manner set forth in such Borrower Note.

**Section 2.8. Calculation of Interest Payments and Deposits to Real Estate Related Reserve Funds.** The Borrower acknowledges as follows: (a) calculation of all interest payments shall be made by the Funding Lender; (b) deposits with respect to the Taxes and Other Charges shall be calculated by the Servicer or if there is no Servicer, the Funding Lender in accordance with the Security Instrument; and (c) deposits with respect to any replacement reserve funds required by the Funding Lender shall be calculated by the Servicer in accordance with the Replacement Reserve Agreement. In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund,

such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

**Section 2.9. Grant of Security Interest; Application of Funds.** To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Fiscal Agent and the Funding Lender, and grants to the Fiscal Agent and the Funding Lender, a security interest in all the Borrower's right, title and interest in and to all Rents and all payments to or moneys held in the funds and accounts created and held by the Funding Lender, Fiscal Agent or the Servicer for the Project. The Borrower also grants to the Fiscal Agent and the Funding Lender a continuing security interest in, and agrees to hold for the benefit of the Fiscal Agent and the Funding Lender, all Rents in its possession prior to the payment of Rents or any portion thereof to the Fiscal Agent and the Funding Lender or the Servicer (to the extent that the Borrower is required to pay such Rents to the Fiscal Agent, the Funding Lender or the Servicer). The Borrower shall not, without obtaining the prior Written Consent of the Funding Lender, further pledge, assign or grant any security interest in the Rents, or permit any Lien to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements, except those naming the Fiscal Agent or the Funding Lender as the secured party, to be filed with respect thereto. This Borrower Loan Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. Upon the occurrence and during the continuance of an Event of Default hereunder, the Fiscal Agent, the Funding Lender and the Servicer shall apply or cause to be applied any sums held by the Fiscal Agent, the Funding Lender and the Servicer with respect to the Project in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion, unless otherwise specifically provided herein.

**Section 2.10. Marshalling; Payments Set Aside.** The Governmental Lender, the Fiscal Agent and the Funding Lender shall be under no obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that the Borrower makes a payment or payments or transfers any assets to the Governmental Lender, the Fiscal Agent or the Funding Lender, or the Governmental Lender, the Fiscal Agent or the Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Governmental Lender, the Fiscal Agent or the Funding Lender and any and all remedies available to the Governmental Lender, the Fiscal Agent or the Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against the Borrower, Guarantor or General Partner and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Governmental Lender, the Fiscal Agent and the Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by the Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the

Governmental Lender or the Fiscal Agent in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender, the Fiscal Agent or the Funding Lender in connection with the exercise by the Governmental Lender, the Fiscal Agent or the Funding Lender of its rights under this Section 2.10.

**Section 2.11. Borrower Loan Disbursements.** The Borrower Loan shall be disbursed by the Funding Lender, on behalf of the Governmental Lender, pursuant to the Construction Funding Agreement by depositing Funding Loan proceeds with the Fiscal Agent under the Funding Loan Agreement. Amounts held by the Fiscal Agent shall be disbursed to or for the benefit of the Borrower as provided in the Funding Loan Agreement.

### **ARTICLE III**

#### **PERMANENT LOAN**

**Section 3.1. Permanent Loan Commitment.** The parties contemplate that the Borrower Loan will be repaid from the proceeds of the Permanent Loan following completion of the Improvements. Borrower shall duly observe, pay and perform all of Borrower's obligations and responsibilities under the Permanent Loan Commitment as and when required thereunder and shall maintain the Permanent Loan Commitment in full force and effect. Borrower shall not consent to any amendment or waiver of any term or provision of the Permanent Loan Commitment or permit any departure therefrom by Permanent Lender without the prior written consent of Funding Lender in Funding Lender's sole and absolute discretion. The occurrence of any breach or default by Borrower under the Permanent Loan Commitment shall constitute an Event of Default hereunder. Borrower shall promptly provide Funding Lender with copies of all notices of default or potential default delivered or received and notices of any material adverse event that constitutes (or following the giving of notice or passage of time or both, would constitute) a default or event of default under the Permanent Loan Commitment, whether such event is declared a default or an event of default or is waived by Permanent Lender.

### **ARTICLE IV**

#### **REPRESENTATIONS AND WARRANTIES**

**Section 4.1. Borrower Representations.** To induce the Governmental Lender, the Fiscal Agent and the Funding Lender to execute this Borrower Loan Agreement and to induce the Funding Lender to make Disbursements, the Borrower represents and warrants for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and will be complete and accurate, and deemed remade, as of the date of each Disbursement. Subject to Section 4.2 hereof, the representations, warranties and agreements set forth in this Section 4.1 shall survive the making of the Borrower Loan, and shall remain in effect and true and correct in all material respects until the Borrower Loan and all other Borrower Payment Obligations have been repaid in full:

**Section 4.1.1 *Organization; Special Purpose.*** The Borrower is a California limited partnership in good standing under the laws of the State, has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper limited partnership action has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management and operation of the Project.

**Section 4.1.2 *Proceedings; Enforceability.*** Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

**Section 4.1.3 *No Conflicts.*** The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower, nor to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever (other than the lien of the Security Instrument or lien securing the Subordinate Debt) upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

**Section 4.1.4 *Litigation; Adverse Facts.*** There is no Legal Action, nor is there a basis known to the Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the

validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of the Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, General Partner or Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of the Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of the Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which the Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

**Section 4.1.5 *Agreements; Consents; Approvals.*** Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions

contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or “blue sky” laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

**Section 4.1.6 Title.** The Borrower shall have marketable title to the Project, free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee (or leasehold, if applicable) interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower’s knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

**Section 4.1.7 Survey.** To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

**Section 4.1.8 No Bankruptcy Filing.** The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a “Bankruptcy Proceeding”), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

**Section 4.1.9 Full and Accurate Disclosure.** No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower’s ability to meet its

obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

**Section 4.1.10 *No Plan Assets.*** The Borrower is not an “employee benefit plan,” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute “plan assets” of one or more such plans within the meaning of 29 C.F.R. § 2510.3.101.

**Section 4.1.11 *Compliance.*** The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower’s obligations under any Borrower Loan Document or any Funding Loan Document.

**Section 4.1.12 *Contracts.*** All service, maintenance or repair contracts affecting the Project have been entered into at arm’s length (except for such contracts between the Borrower and its Affiliates or the Affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower’s business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

**Section 4.1.13 *Financial Information.*** All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

**Section 4.1.14 *Condemnation.*** No Condemnation or other proceeding has been commenced or, to the Borrower’s knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

**Section 4.1.15 *Federal Reserve Regulations.*** No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any “margin

**Section 4.1.16 *Utilities and Public Access.*** To the best of the Borrower’s knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower’s responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

**Section 4.1.17 *Not a Foreign Person.*** The Borrower is not a “foreign person” within the meaning of Section 1445(f)(3) of the Code.

**Section 4.1.18 *Separate Lots.*** Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

**Section 4.1.23 *Flood Zone.*** On the Closing Date, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to Closing, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

**Section 4.1.24 *Physical Condition.*** The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

**Section 4.1.25 *Encroachments.*** All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

**Section 4.1.26 *State Law Requirements.*** The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

**Section 4.1.27 *Filing and Recording Taxes.*** All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

**Section 4.1.28 *Investment Company Act.*** The Borrower is not (i) an “investment company” or a company “controlled” by an “investment company,” within the meaning of the Investment Company Act of 1940, as amended; or (ii) a “holding company” or a “subsidiary company” of a “holding company” or an “affiliate” of either a “holding company” or a “subsidiary company” within the meaning of the Public Utility Holding Company Act of 1935, as amended.

**Section 4.1.29 *Fraudulent Transfer.*** The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower’s assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower’s total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower’s assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower’s probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower’s assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

**Section 4.1.30 *Ownership of the Borrower.*** Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in the Borrower.

**Section 4.1.31 *Environmental Matters.*** To the best of the Borrower’s knowledge, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to

environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification.

**Section 4.1.32 *Name; Principal Place of Business.*** Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

**Section 4.1.33 *Subordinated Debt.*** There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date.

**Section 4.1.34 *Filing of Taxes.*** The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

**Section 4.1.35 *General Tax.*** All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

**Section 4.1.36 *Approval of Borrower Loan Documents and Funding Loan Documents.*** By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in any manner.

**Section 4.1.37 *Funding Loan Agreement.*** The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

**Section 4.1.38 *Americans with Disabilities Act.*** The Project, as designed, will comply in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 (“ADA”), to the extent required (as evidenced by an architect’s certificate to such effect).

**Section 4.1.39 *Requirements of the Act, the Law, the Code and the Regulations.*** The Project satisfies all requirements of the Act, the Law, the Code and the Regulations applicable to the Project.

**Section 4.1.40 *Regulatory Agreement.*** The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act, the Law and the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

**Section 4.1.41 *Intention to Hold Project.*** The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

**Section 4.1.42 *Concerning General Partner.***

(a) The Managing General Partner is a limited liability company duly organized and validly existing under the laws of the State. The Administrative General Partner is a limited liability company duly organized and validly existing under the laws of the State. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by the General Partner for its own account and on behalf of the Borrower, as a general partner of the Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) The General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets or condition (financial or otherwise) of the General Partner.

(c) The General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by the Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of the General Partner on behalf of the Borrower, and by all necessary action on behalf of the General Partner.

(e) The execution, delivery and performance by the General Partner, on behalf of the Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) the General Partner's organizational documents; (ii) any other Legal Requirement affecting the General Partner or any of its properties; or (iii) any agreement to which the General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

**Section 4.1.43 *Government and Private Approvals.*** All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that the Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of the Borrower, are required for the due execution, delivery and performance by the Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by the Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

**Section 4.1.44 *Concerning Guarantor.*** This Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement: (i) have been duly executed and delivered by Guarantor; and (ii) are legally valid and binding obligations of Guarantor, enforceable against Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

**Section 4.1.45 *No Material Defaults.*** Except as previously disclosed to Funding Lender in writing, there exists no material violation of or material default by the Borrower under, and, to the best knowledge of the Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which the Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which the Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which the Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of the Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

**Section 4.1.47 *Rights to Project Agreements and Licenses.*** The Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. The Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents and the Funding Loan Documents under the documents evidencing and securing the Subordinate Debt or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

**Section 4.1.48 *Patriot Act Compliance.*** The Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other

**Section 4.1.50 *Other Documents.*** Each of the representations and warranties of the Borrower or the General Partner contained in any of the other Borrower Loan Documents, the Funding Loan Documents, the Related Documents or the Permanent Loan Commitment is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents, the Funding Loan Documents, the Related Documents or the Permanent Loan Commitment that speak as of a particular date, were true and correct in all material respects as of such date). **Section 5.3. Repairs; Maintenance and Compliance; Physical Condition.** The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Expenses.** The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Fiscal Agent's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of the Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer to collect the Borrower Note, or to enforce the rights of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.15 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the active negligence or willful misconduct of the Governmental Lender or the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) and 43(i) of the Security Instrument. Notwithstanding the foregoing, neither the Borrower nor the Governmental Lender shall be responsible for any costs associated with securitization of the Borrower Loan or the Funding Loan.

## **Section 5.16. Indemnification.**

### **Section 5.16.1 *Indemnification of Governmental Lender and Fiscal Agent.***

(c) the issuance and sale of the Governmental Lender Note or any certifications or representations made by any person other than the party seeking indemnification;

(g) any and all claims arising in connection with the issuance and sale of the Governmental Lender Note or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by Borrower with respect to Borrower or the Project in any offering document or materials regarding the initial offering of the Governmental Lender Note (in connection with their issuance under the Funding Loan Agreement), the Project or Borrower or the Tax Agreement executed by Borrower or any other certificate executed by Borrower which, at the time made, is misleading, untrue or incorrect in any material respect and any untrue statement or alleged untrue statement of a material fact by the Borrower relating to Borrower or the Project contained in any offering material relating to the initial offering of the Governmental Lender Note, as from time to time amended or supplemented with information provided by Borrower, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to Borrower or the Project required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Governmental Lender Note or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Governmental Lender Note could be sold and the carrying out by Borrower of any of the transactions contemplated by the Funding Loan Agreement or the Borrower Documents;

(h) Borrower's failure to comply with any requirement of this Borrower Loan Agreement or the Regulatory Agreement (provided no indemnity shall be required for claims due to nonpayment of the Borrower Note);

(i) any act or omission of Borrower or any of its agents, servants, employees or licensees in connection with the Borrower Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (provided no indemnity shall be required for claims due to nonpayment of the Borrower Note);

(j) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of Borrower, whether or not related to the Project, or resulting from or in any way connected with the acquisition and construction or management of the Project, the issuance of the Governmental Lender Note or otherwise in connection with transactions contemplated or otherwise in connection with the Project, the Governmental Lender Note or the execution or amendment of any document relating to the Project or the Governmental Lender Note;

(k) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project; and

(l) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect's certificate to such effect).

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of Fiscal Agent or any of its related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and

(ii) in the case of the foregoing indemnification of Governmental Lender or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Governmental Lender.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Borrower Loan Agreement, Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that Governmental Lender, and Fiscal Agent, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of Borrower or (B) such separate counsel is employed with the approval of Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

Borrower understands and agrees that the foregoing release includes all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, and Borrower has read and understands, and hereby waives the benefits of, Section 1542 of the California Civil Code which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

Borrower acknowledges that it may hereafter discover facts different from or in addition to those which it now knows or believes to be true with respect to the foregoing release by Borrower and agrees that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof.

Nothing in this Section 5.16.1 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

**Section 5.16.2 *Indemnification of Funding Lender.*** In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Funding Lender, the Servicer, Citigroup, Inc. and each of their respective officers, directors, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the Governmental Lender or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably

withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.16.2 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.16.2 shall survive the termination of this Borrower Loan Agreement.

**Section 5.17. No Warranty of Condition or Suitability by the Governmental Lender or the Funding Lender.** Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

**Section 5.18. Right of Access to the Project.** Subject to the rights of residential tenants under Leases at the Project, the Borrower agrees that the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

**Section 5.19. Notice of Default.** The Borrower will advise the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

**Section 5.20. Covenant with Governmental Lender, the Fiscal Agent and Funding Lender.** The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Note and, accordingly, all

covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent and any lawful owner, holder or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

**Section 5.21. Obligation of the Borrower To Construct the Project.** The Borrower shall proceed with reasonable dispatch to construct and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender, the Fiscal Agent and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender, the Fiscal Agent and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

**Section 5.22. Maintenance of Insurance.** The Borrower will maintain the insurance required by the Security Instrument.

**Section 5.23. Information; Statements and Reports.** The Borrower shall furnish or cause to be furnished to Governmental Lender and Funding Lender:

(a) ***Notice of Default.*** As soon as possible, and in any event not later than five Business Days after the occurrence of any Event of Default or Potential Default, a statement of an Authorized Representative of the Borrower describing the details of such Event of Default or Potential Default and any curative action the Borrower proposes to take;

(b) ***Financial Statements; Rent Rolls.*** In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(c) ***General Partner.*** As soon as available and in any event within 120 days after the end of each fiscal year of General Partner, copies of the financial statements of General Partner as of such date, prepared in substantially the form previously delivered to the Governmental Lender and the Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(d) **Leasing Reports.** On a monthly basis (and in any event within 15 days after the end of each Calendar Month): (i) a report of all efforts made by the Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by the Borrower, shall be in form and substance satisfactory to the Funding Lender, and shall, if requested by the Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable and (ii) a rent schedule for the Mortgaged Property showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable for the current month, the date through which rent has been paid, and any related information requested by Funding Lender;

(e) **Audit Reports.** Promptly upon receipt thereof, copies of all reports, if any, submitted to the Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of the Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(f) **Notices; Certificates or Communications.** Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to the Borrower or General Partner naming the Governmental Lender or the Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of the Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(g) **Certification of Non-Foreign Status.** Promptly upon request of the Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by the Funding Lender;

(h) **Compliance Certificates.** Together with each of the documents required pursuant to Section 5.23(b) hereof submitted by or on behalf of the Borrower, a statement, in form and substance satisfactory to the Funding Lender and certified by an Authorized Borrower Representative, to the effect that the Borrower is in compliance with all covenants, terms and conditions applicable to the Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by the Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of the Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(i) **Other Items and Information.** Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of the Borrower, General Partner, Guarantor or the Project, as the Funding Lender or the Governmental Lender reasonably requests from time to time.

**Section 5.24. Additional Notices.** The Borrower will, promptly after becoming aware thereof, give notice to the Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against the Borrower, General Partner or Guarantor, or any Legal Action which is threatened against the Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of the Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which the Borrower, General Partner or Guarantor is a party or by or to which the Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of the Borrower, General Partner or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of the Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of the Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least 15% of the tenants at the Project have been received by the Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of the Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by the Borrower or General Partner; or (iii) the nature of the trade or business of the Borrower; and

(g) any default or alleged default on the part of any general or limited partner (including, without limitation, the General Partner and the Equity Investor) under the Partnership Agreement.

**Section 5.25. Compliance With Other Agreements; Legal Requirements.**

(a) The Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with, the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and the Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) The Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction of the Improvements, and will furnish the Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. The Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. The Funding Lender shall at all times have the right to audit, at the Borrower's expense, the Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and the Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with the Funding Lender in any such audit. Without limiting the generality of the foregoing, the Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to the Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

**Section 5.26. Completion and Maintenance of Project.** The Borrower shall cause the construction of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to the Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. The Borrower shall thereafter maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance.

**Section 5.27. Fixtures.** The Borrower shall deliver to the Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which the Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

**Section 5.28. Income From Project.** The Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. The Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of the Funding Lender.

**Section 5.29. Leases and Occupancy Agreements.**

(a) ***Lease Approval.***

(i) The Borrower has submitted to the Funding Lender, and the Funding Lender has approved, the Borrower's standard form of tenant lease for use in the Project. The Borrower shall not materially modify that approved lease form without the Funding Lender's prior Written Consent in each instance, which consent shall not be unreasonably withheld or delayed. The Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third-party tenants without the Funding Lender's prior Written Consent if:

(A) The lease is a Permitted Lease, and is executed in the form attached as an exhibit to the Construction Funding Agreement without material modification;

(B) The Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

(C) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

If any Event of Default has occurred and is continuing, the Funding Lender may make written demand on the Borrower to submit all future leases for the Funding Lender's approval prior to execution. The Borrower shall comply with any such demand by the Funding Lender.

No approval of any lease by the Funding Lender shall be for any purpose other than to protect the Funding Lender's security for the Borrower Loan and to preserve the Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by the Funding Lender shall result in a waiver of any default of the Borrower. In no event shall any approval by the Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) ***Landlord's Obligations.*** The Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) ***Leasing and Marketing Agreements.*** Except as may be contemplated in the Management Agreement with the Borrower's Manager, the Borrower shall not without the approval of the Funding Lender enter into any leasing or marketing

agreement and the Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

**Section 5.30. Project Agreements and Licenses.** To the extent not heretofore delivered to the Funding Lender, the Borrower will furnish to the Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to the Funding Lender and consents to such assignments where required by the Funding Lender, all in form and substance acceptable to the Funding Lender. Neither the Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to the Funding Lender, except as approved and consented to in writing by Funding Lender.

**Section 5.31. Payment of Debt Payments.** In addition to its obligations under the Borrower Note, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of the Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform the Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to the Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

**Section 5.32. ERISA.** The Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

**Section 5.33. Patriot Act Compliance.** The Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. The Funding Lender shall have the right to audit the Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over the Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that the Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then the Funding Lender may, at its option, cause the Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in Article IV and elsewhere in this Borrower Loan Agreement become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Article IV remain true and correct and have not been breached, and in addition,

upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

**Section 5.34. Funding From Equity Investor.** Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

**Section 5.35. Tax Covenants.** The Borrower further represents, warrants and covenants as follows:

(a) **General.** The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.35 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.35.

(b) *Use of Proceeds.* The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) *Limitation on Net Proceeds.* At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) *Limit on Costs of Funding.* The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of 2% of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) *Prohibited Facilities.* The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) *Limitation on Land.* Less than 25% of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) *Limitation on Existing Facilities.* No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15% of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100% for 15%). For purposes of the preceding sentence, the term “rehabilitation expenditures” shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) *Accuracy of Information.* The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower’s information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) *Limitation of Project Expenditures.* The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the sixtieth day preceding the provision of an

inducement letter from the Governmental Lender with respect to the Project on May 20, 2016, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible “preliminary expenditures,” which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction or acquisition of the Project.

(viii) *Qualified Costs.* The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code’s regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Funding Loan shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed 50% or more by the proceeds of the Funding Loan for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other Affiliate of the Borrower or the holders or payees of the Funding Loan and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) *Limitation on Maturity.* The average maturity of the Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) *No Arbitrage.* The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not

pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Funding Loan, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) ***No Federal Guarantee.*** Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) ***Representations.*** The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) ***Qualified Residential Rental Project.*** The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the

longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) **Information Reporting Requirements.** The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) **Funding Loan Not a Hedge Bond.** The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) **Termination of Restrictions.** Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) **Public Approval.** The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Funding Loan.

(l) **40/60 Test Election.** [The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement].

(m) **Modification of Tax Covenants.** Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.35 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax

Counsel, in order for interest on the Funding Loan to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.35, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.35; provided, however, that the Funding Lender shall take no action under this Section 5.35 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.35.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan in an amount related to the amount of the Borrower Loan.

The amounts received upon the sale of the Governmental Lender Note and interest and other investment earnings on those amounts shall be allocated and used for financing Qualified Project Costs of each building and related land in the Project so that the aggregate basis of each such building and related land, within the meaning of Section 42(h)(4) of the Code, shall be financed 50% or more from those amounts.

**Section 5.36. Payment of Rebate.**

(a) *Arbitrage Rebate.* The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) *Delivery of Documents and Money on Computation Dates.* The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) (1) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any “previous rebate payments” made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) *Correction of Underpayments.* If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.36 of an amount described in Section 5.36(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) *Records.* The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.36 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Funding Loan is retired in full.

(iv) *Costs.* The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) *No Diversion of Rebatable Arbitrage.* The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) *Modification of Requirements.* If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.36, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) *Rebate Fund.* The Servicer shall establish and hold a separate fund designated as the “Rebate Fund.” The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.36 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.36).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.36 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lender or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.36 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

**Section 5.37. Covenants Under Funding Loan Agreement.** The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

**Section 5.38. Notice of Default.** The Borrower will advise the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

**Section 5.39. Continuing Disclosure Agreement.** The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement. The duties and obligations of the Borrower under the Continuing Disclosure Agreement shall be as set forth in the Continuing Disclosure Agreement.

**Section 5.40. Permanent Loan Commitment.** Borrower shall timely perform and comply with, and shall keep in full force and effect, the Permanent Loan Commitment, without default, at all times until the repayment in full of the Borrower Payment Obligations.

## ARTICLE VI

### NEGATIVE COVENANTS

The Borrower hereby covenants and agrees as follows, which covenants shall remain in effect so long as any Borrower Payment Obligation or other obligation of the Borrower under any of the other Borrower Loan Documents or the Funding Loan Documents remains outstanding or unperformed. The Borrower covenants and agrees that it will not, directly or indirectly:

**Section 6.1. Management Agreement.** Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement).

**Section 6.2. Dissolution.** Dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

**Section 6.3. Change in Business or Operation of Property.** Enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business and activities incidental or related thereto or otherwise cease to operate the Project as a multi-family property or terminate such business for any reason whatsoever (other than temporary cessation in connection with construction of the Project).

**Section 6.4. Debt Cancellation.** Cancel or otherwise forgive or release any claim or debt owed to the Borrower by a Person, except for adequate consideration or in the ordinary course of the Borrower's business in its reasonable judgment.

**Section 6.5. Assets.** Purchase or own any real property or personal property incidental thereto other than the Project.

**Section 6.6. Transfers.** Make, suffer or permit the occurrence of any Transfer other than a transfer permitted under the Security Instrument or the Regulatory Agreement, nor transfer any material License required for the operation of the Project.

**Section 6.7. Debt.** Other than as expressly approved in writing by the Funding Lender, create, incur or assume any indebtedness for borrowed money (including subordinate debt)

whether unsecured or secured by all or any portion of the Project or interest therein or in the Borrower or any partner thereof (including subordinate debt) other than (i) the Borrower Payment Obligations, (ii) the Subordinate Debt, (iii) secured indebtedness incurred pursuant to or permitted by the Borrower Loan Documents and the Funding Loan Documents, and (iv) trade payables incurred in the ordinary course of business.

**Section 6.8. Assignment of Rights.** Without the Funding Lender's prior Written Consent, attempt to assign the Borrower's rights or interest under any Borrower Loan Document or Funding Loan Document in contravention of any Borrower Loan Document or Funding Loan Document.

**Section 6.9. Principal Place of Business.** Change its principal place of business without providing 30 days' prior Written Notice of the change to the Funding Lender, the Governmental Lender, the Fiscal Agent and the Servicer.

**Section 6.10. Partnership Agreement.** Without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect, any of its rights or remedies under the Partnership Agreement; provided, however, the consent of Funding Lender is not required for an amendment of the Partnership Agreement resulting solely from the "Permitted Transfer" of partnership interests of Borrower as defined in and permitted by the Security Instrument.

**Section 6.11. ERISA.** Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

**Section 6.12. No Hedging Arrangements.** Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

**Section 6.13. Loans and Investments; Distributions; Related Party Payments.**

(a) Without the prior Written Consent of the Funding Lender in each instance, the Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in the Borrower, any Affiliate or any other Person owning an interest, directly or indirectly, in the Borrower, or make any distribution, in cash or in kind, in respect of interests in the Borrower, any Affiliate or any other Person owning an

interest, directly or indirectly, in the Borrower (except to the extent permitted by the Security Instrument and subject to the limitations set forth in Section 5.28 hereof).

(b) Disbursements for fees and expenses of any Affiliate of the Borrower and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage. Except in accordance with the Approved Developer Fee Schedule (provided that no such payment shall be made unless the Borrower Loan is “in balance” as determined by Funding Lender in accordance with Section 3.3 of the Construction Funding Agreement) or as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any “deferred developer fees” shall be made prior to the repayment in full of the Borrower Loan.

**Section 6.14. Amendment of Related Documents or CC&Rs.** Without the prior Written Consent of Funding Lender in each instance, except as provided herein, the Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&Rs (including, without limitation, those contained in the Borrower Loan Agreement, Architect’s Agreement, any Engineer’s Contract, any Construction Contract, and any Management Agreement, but excluding the Partnership Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

**Section 6.15. Personal Property.** The Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than the Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in the Borrower at the time of installation, without the Funding Lender’s prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

**Section 6.16. Fiscal Year.** Without the Funding Lender’s Written Consent, which shall not be unreasonably withheld, neither the Borrower nor General Partner shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

**Section 6.17. Publicity.** Neither the Borrower nor General Partner shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the Funding Lender or any of its Affiliates as the source of the financing provided for herein, without the prior written approval of the Funding Lender in each instance (provided that nothing herein shall prevent the Borrower or General Partner from identifying the Funding Lender or its Affiliates as the source of such financing to the extent that the Borrower or General Partner are required to do so by disclosure requirements applicable to publicly held companies). The Borrower and General Partner agree that no sign shall be posted on the Project in connection with the construction of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or the Funding Lender consents to not being identified on any such sign.

**Section 6.18. Subordinate Loan Documents.** Without Funding Lender’s prior written consent, Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Subordinate Loan Documents.

### **DEFAULTS**

**Section 8.1. Events of Default.** Each of the following events shall constitute an “Event of Default” under the Borrower Loan Agreement:

(a) failure by the Borrower to pay any Borrower Loan Payment in the manner and on the date such payment is due in accordance with the terms and provisions of the Borrower Note or the failure by the Borrower to pay any Additional Borrower Payment on the date such payment is due in accordance with the terms and provisions of the Borrower Note, the Security Instrument, this Borrower Loan Agreement or any other Borrower Loan Document;

(b) failure by or on behalf of the Borrower to pay when due any amount (other than as provided in subsection (a) above or elsewhere in this Section 8.1) required to be paid by the Borrower under this Borrower Loan Agreement, the Borrower Note, the Security Instrument or any of the other Borrower Loan Documents or Funding Loan Documents, including a failure to repay any amounts that have been previously paid but are recovered, attached or enjoined pursuant to any insolvency, receivership, liquidation or similar proceedings, which default remains uncured for a period of five days after Written Notice thereof shall have been given to the Borrower;

(c) an Event of Default, as defined by the Borrower Note, the Security Instrument or any other Borrower Loan Document, occurs (or to the extent an “Event of Default” is not defined in any other Borrower Loan Document, any default or breach by the Borrower or any Guarantor of its obligations, covenants, representations or warranties under such Borrower Loan Document occurs and any applicable notice and/or cure period has expired);

(d) any representation or warranty made by any of the Borrower, the Guarantor or the General Partner in any Borrower Loan Document or Funding Loan Document to which it is a party, or in any report, certificate, financial statement or other instrument, agreement or document furnished by the Borrower, the Guarantor or the General Partner in connection with any Borrower Loan Document or Funding Loan Document, shall be false or misleading in any material respect as of the Closing Date;

(e) the Borrower shall make a general assignment for the benefit of creditors, or shall generally not be paying its debts as they become due;

(f) the Borrower Controlling Entity shall make a general assignment for the benefit of creditors, shall generally not be paying its debts as they become due, or an Act of Bankruptcy with respect to the Borrower Controlling Entity shall occur, unless in all cases the Borrower Controlling Entity is replaced with a substitute Borrower Controlling Entity that satisfies the requirements of Section 21 of the Security Instrument; which, in the case of a non-profit Borrower Controlling Entity, may be replaced within 60 days of such event with another non-profit Borrower Controlling Entity acceptable to the Funding Lender, in which case no Event of Default shall be deemed to have occurred;

(g) any portion of Borrower Deferred Equity to be made by Equity Investor and required for (i) completion of the construction of the Improvements or (ii) the closing of the Permanent Loan or (iii) the operation of the Improvements is not received in accordance with the Partnership Agreement after the expiration of all applicable notice and cure periods;

(h) the failure by the Borrower or any ERISA Affiliate of the Borrower to comply in all respects with ERISA, or the occurrence of any other event (with respect to the failure of the Borrower or any ERISA Affiliate to pay any amount required to be paid under ERISA or with respect to the termination of, or withdrawal of the Borrower or any ERISA Affiliate from, any employee benefit or welfare plan subject to ERISA) the effect of which is to impose upon the Borrower (after giving effect to the tax consequences thereof) for the payment of any amount in excess of \$50,000;

(i) a Bankruptcy Event shall occur with respect to the Borrower, any General Partner or Guarantor, or there shall be a change in the assets, liabilities or financial position of any such Person which has a material adverse effect upon the ability of such Person to perform such Person's obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document, provided that any such Bankruptcy Event with respect to a Guarantor shall not constitute an Event of Default: (i) if such Bankruptcy Event occurs on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such Bankruptcy Event occurs prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within 30 days after notice thereof from the Funding Lender;

(j) all or any part of the property of the Borrower is attached, levied upon or otherwise seized by legal process, and such attachment, levy or seizure is not quashed, stayed or released: (i) prior to completion of the construction of the Improvements, within 10 days of the date thereof or (ii) after completion of the construction of the Improvements, within 30 days of the date thereof;

(k) subject to Section 10.16 hereof, the Borrower fails to pay when due any monetary obligation (other than pursuant to this Borrower Loan Agreement) to any Person in excess of \$100,000, and such failure continues beyond the expiration of any applicable cure or grace periods;

(l) any material litigation or proceeding is commenced before any Governmental Authority against or affecting the Borrower, any General Partner or Guarantor, or property of the Borrower, any General Partner or Guarantor, or any part thereof, and such litigation or proceeding is not defended diligently and in good faith by Borrower, any General Partner or Guarantor, as applicable, provided that any such material litigation or proceeding against a Guarantor shall not constitute an Event of Default: (i) if such material litigation is commenced on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such material litigation or proceeding is commenced prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within 30 days after notice thereof from the Funding Lender;

(m) a final judgment or decree for monetary damages in excess of \$50,000 or a monetary fine or penalty (not subject to appeal or as to which the time for appeal has expired) is entered against the Borrower, any General Partner or Guarantor by any Governmental Authority, and such judgment, decree, fine or penalty is not paid and discharged or stayed (i) prior to completion of the construction of the Improvements, within 10 days after entry thereof or (ii) after completion of the construction of the Improvements, within 30 days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment, fine or penalty); provided that any such judgment, decree, fine or penalty against a Guarantor shall not constitute an Event of Default: (i) if such judgment, decree, fine or penalty is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, decree, fine or penalty is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within 30 days after notice thereof from the Funding Lender;

(n) a final, un-appealable and uninsured money judgment or judgments, in favor of any Person other than a Governmental Authority, in the aggregate sum of \$50,000 or more shall be rendered against the Borrower, any General Partner or Guarantor, or against any of their respective assets, that is not paid, superseded or stayed

(i) prior to completion of the construction of the Improvements, within 10 days after entry thereof or (ii) after completion of the construction of the Improvements, within 30 days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment); or any levy of execution, writ or warrant of attachment, or similar process, is entered or filed against the Borrower, any General Partner or Guarantor, or against any of their respective assets (that is likely to have a material adverse effect upon the ability of the Borrower, any General Partner or Guarantor to perform their respective obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document), and such judgment, writ, warrant or process shall remain unsatisfied, unsettled, unvacated, unhandled and unstayed (i) prior to completion of the construction of the Improvements, for a period of 10 days or (ii) after completion of the construction of the Improvements, for a period of 30 days, or in any event later than five Business Days prior to the date of any proposed sale thereunder, provided that any such judgment, levy, writ, warrant, attachment or similar process against a Guarantor shall not constitute an Event of Default: (i) if such judgment, levy, writ, warrant, attachment or similar process is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, levy, writ, warrant, attachment or similar process is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within 30 days after notice thereof from the Funding Lender;

(o) the inability of the Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of the Funding Lender for a period in excess of 30 days after Written Notice from the Funding Lender unless: (i) such inability shall have been caused by conditions beyond the control of the Borrower, including, without limitation, acts of God or the elements, fire, strikes and disruption of shipping; (ii) the Borrower shall have made adequate provision, acceptable to the Funding Lender, for the protection of materials stored on-site or off-site and for the protection of the Improvements to the extent then constructed against deterioration and against other loss or damage or theft; (iii) the Borrower shall furnish to the Funding Lender satisfactory evidence that such cessation of construction will not adversely affect or interfere with the rights of the Borrower under labor and materials contracts or subcontracts relating to the construction or operation of the Improvements; and (iv) the Borrower shall furnish to the Funding Lender satisfactory evidence that the completion of the construction of the Improvements can be accomplished by the Completion Date;

(p) the construction of the Improvements is abandoned or halted prior to completion for any period of 30 consecutive days;

(q) the Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Project orders or requires that construction of the Improvements be stopped, in whole or in part, or that any required approval, license or permit be withdrawn or suspended, and the order, requirement, withdrawal or suspension remains in effect for a period of 30 days;

(r) failure by the Borrower to Substantially Complete the construction of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Substantial Completion Date, unless otherwise agreed to in writing by the Funding Lender;

(s) failure by Borrower to complete the construction of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Completion Date, unless otherwise agreed to in writing by the Funding Lender;

(t) [reserved];

(u) failure by any Subordinate Lender to disburse the proceeds of its Subordinate Loan in approximately such amounts and at approximately such times as set forth in the Cost Breakdown and in the Subordinate Loan Documents;

(v) an “Event of Default” or “Default” (as defined in the applicable agreement) shall occur under any of the Subordinate Loan Documents, after the expiration of all applicable notice and cure periods;

(w) the occurrence of any one or more of the following: (i) a breach or default under the Permanent Loan Commitment or (ii) the Permanent Loan Commitment is terminated, expires or otherwise fails to remain in full force and effect, or (iii) the Borrower fails to satisfy, on or prior to the Maturity Date set forth in the Note, any of the conditions precedent under the Permanent Loan Commitment for the closing of the Permanent Loan; or

(x) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, which continues for a period of 30 days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower; provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such 30-day period, and the Borrower shall have commenced to cure such failure within such 30-day period and thereafter diligently and expeditiously proceeds to cure the same, such 30-day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed 60 days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender’s judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the

Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

**Section 8.2. Remedies, Acceleration.** Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action (whether directly or by directing the actions of the Fiscal Agent), without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, and interest on and all other amounts due on the Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

**Section 8.2.1 Remedies Cumulative.** Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender or the Fiscal Agent against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

**Section 8.2.2 Delay.** No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender or the Fiscal Agent shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender and the Fiscal Agent reserve the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

**Section 8.2.3 Set Off; Waiver of Set Off.** Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of the Borrower to the Funding Lender or the Fiscal Agent arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not the Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and the Borrower hereby grants to the Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by the Funding Lender to or for the credit or the account of the Borrower.

**Section 8.2.4 Assumption of Obligations.** In the event that the Funding Lender, the Fiscal Agent or the assignee or designee of either shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

**Section 8.2.5 Accounts Receivable.** Upon the occurrence of an Event of Default, the Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing the Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

**Section 8.2.6 Defaults Under Other Documents.** The Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

**Section 8.2.7 *Abatement of Disbursements.*** Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, the Funding Lender's obligation to make further Disbursements shall abate: (i) during the continuance of any Potential Default; (ii) after any disclosure to the Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of the Borrower to fail to be true and correct in all material respects, unless and until the Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

**Section 8.2.8 *Completion of Improvements.*** Upon the occurrence of any Event of Default, the Funding Lender shall have the right to cause an independent contractor selected by the Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform the Borrower's obligations under this Borrower Loan Agreement. All sums expended by the Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by the Borrower and shall be secured by the Security Documents.

**Section 8.2.9 *Right To Directly Enforce.*** Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender or the Fiscal Agent, provided that only the Governmental Lender may enforce the Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.9 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

**Section 8.2.10 *Power of Attorney.*** Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, the Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by the Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of the Borrower's obligations under this Borrower Loan Agreement in the name of the Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of the Borrower or its General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by the Funding Lender for the Borrower (including all funds in all deposit accounts in which the Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the construction of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of the Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction of the Improvements, which the Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury;

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction; and

(k) to take such action as it deems necessary to cause Borrower to remain in compliance with the Permanent Loan Commitment and to satisfy all conditions precedent to the closing of the Permanent Loan.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Note, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

## ARTICLE IX

### SPECIAL PROVISIONS

#### **Section 9.1. Sale of Note and Secondary Market Transaction.**

**Section 9.1.1 Cooperation.** Subject to the restrictions of Section 2.6 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Note and the Funding Loan or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Note and Funding Loan (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that the Borrower shall not incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts

covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

**Section 9.1.2 *Use of Information.*** The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

**Section 9.1.3 *Borrower Obligations Regarding Secondary Market Disclosure Documents.*** In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

**Section 9.1.4 Borrower Indemnity Regarding Filings.** In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender, Governmental Lender and the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which Funding Lender, Governmental Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Governmental Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Governmental Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

**Section 9.1.5 Indemnification Procedure.** Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

**Section 9.1.6 Contribution.** In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (a) the indemnified parties and the Borrower’s relative knowledge and access to information concerning the matter with respect to which

the claim was asserted; (b) the opportunity to correct and prevent any statement or omission; and (c) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties by written notice as provided herein.

**Section 10.2. Brokers and Financial Advisors.** The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

**Section 10.3. Survival.** This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the assignment of the Borrower Note to the Fiscal Agent, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Fiscal Agent, the Funding Lender and the Servicer.

**Section 10.4. Preferences.** The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender, the Fiscal Agent or the Servicer, or the Governmental Lender, the Fiscal Agent or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be

repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

**Section 10.5. Waiver of Notice.** The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender, the Fiscal Agent or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender, the Fiscal Agent or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender, the Fiscal Agent or the Servicer to the Borrower.

**Section 10.6. Offsets, Counterclaims and Defenses.** The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender, the Fiscal Agent or the Servicer with respect to a Borrower Loan Payment. Any assignee of the Funding Lender's or the Fiscal Agent's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

**Section 10.7. Publicity.** The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or its Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

**Section 10.8. Construction of Documents.** The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

**Section 10.9. No Third-Party Beneficiaries.** The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Fiscal Agent, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

**Section 10.10. Assignment.** The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's or Fiscal Agent's rights, title, obligations and interests therein may, be assigned by the Funding Lender or the Fiscal Agent, as appropriate, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise, subject to the requirements of Section 2.6 and Article IV of the Funding Loan Agreement. Upon such assignment, all references to Funding Lender or Fiscal Agent, as appropriate in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender or the Fiscal Agent, as appropriate. The Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that the Borrower has delivered, or caused to be delivered, to Funding Lender with reference to the Borrower, General Partner, Guarantor or any Affiliate, or the Project, including information that the Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or the Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

**Section 10.11. Governmental Lender, Funding Lender, Fiscal Agent and Servicer Not in Control; No Partnership.** None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer. Neither the Governmental Lender, the Funding Lender, the Fiscal Agent nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the

Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall in no event be liable for any Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer, the Fiscal Agent and the Borrower, or to create an equity in the Project in the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer, or any sharing of liabilities, losses, costs or expenses.

**Section 10.12. Time of the Essence.** Time is of the essence with respect to this Borrower Loan Agreement.

**Section 10.13. Release.** The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

**Section 10.14. Term of the Borrower Loan Agreement.** This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.12, 5.15, 5.16, 5.35, 5.36, 9.1.3, 9.1.4, 9.1.5, 9.1.6, 10.15 hereof and Section 5.7 of the Construction Funding Agreement shall survive the termination of this Borrower Loan Agreement.

**Section 10.15. Reimbursement of Expenses.** If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender, the Fiscal Agent and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Note.

**Section 10.16. Permitted Contests.** Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, the Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of the Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Governmental Lender's or Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to the Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless the Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of the Borrower's intent to so contest or object thereto, and unless (i) the Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (ii) the Borrower pays when due any portion of the claim, demand, levy or assessment to which the Borrower does not object, (iii) the Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) the Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) the Borrower at all times prosecutes the contest with due diligence, and (vi) the Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, the amount so determined to be due and owing by the Borrower. In the event that the Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by the Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by the Borrower, in order to make such payment.

**Section 10.17. Funding Lender Approval of Instruments and Parties.** All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by the Funding Lender. The Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of the Funding Lender. No such approval shall result in a waiver of any default of the Borrower. In no event shall the Funding Lender's approval be a representation of any kind with regard to the matter being approved.

**Section 10.18. Funding Lender Determination of Facts.** The Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

**Section 10.19. Calendar Months.** With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of

Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

**Section 10.20. Determinations by Lender.** Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

**Section 10.21. Governing Law.** This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State of California, without giving effect to the choice of law principles of the State of California that would require the application of the laws of a jurisdiction other than the State of California.

**Section 10.22. Consent to Jurisdiction and Venue.** The Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State of California. The state and federal courts and authorities with jurisdiction in the State of California shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. The Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against the Borrower or any of the Borrower's assets in any court of any other jurisdiction.

**Section 10.23. Successors and Assigns.** This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

**Section 10.24. Severability.** The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

**Section 10.25. Entire Agreement; Amendment and Waiver.** This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is

sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event the Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

**Section 10.26. Counterparts.** This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

**Section 10.27. Captions.** The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

**Section 10.28. Servicer.** The Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Note, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless the Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

**Section 10.29. Beneficiary Parties as Third-Party Beneficiary.** Each of the Beneficiary Parties shall be a third-party beneficiary of this Borrower Loan Agreement for all purposes.

**Section 10.30. Waiver of Trial by Jury.** TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES OTHER THAN THE GOVERNMENTAL LENDER (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY OTHER THAN THE GOVERNMENTAL LENDER, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

IF FOR ANY REASON THIS WAIVER IS DETERMINED TO BE UNENFORCEABLE, ALL DISPUTES WILL BE RESOLVED BY JUDICIAL REFERENCE PURSUANT TO THE PROCEDURES SET FORTH IN THE SECURITY INSTRUMENT.

**Section 10.31. [Reserved.]**

**Section 10.32. [Reserved.]**

**Section 10.33. Reference Date.** This Borrower Loan Agreement is dated for reference purposes only as of the first day of June 2017, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

**Section 10.34. Business Tax Registration Certificate.** Subject to any exemptions available to it, the Borrower represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Borrower Loan Agreement, the Borrower shall maintain, or obtain as necessary, any such Business Tax Registration Certificate(s) required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate(s) to be revoked or suspended.

**Section 10.35. Child Support Assignment Orders.** This Borrower Loan Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, the Borrower certifies that it will (a) fully comply with all State and federal employment reporting requirements applicable to Child Support Assignment Orders; (b) that the principal partners(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) maintain such compliance throughout the term of this Borrower Loan Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower under the terms of this Borrower Loan Agreement, subjecting the Borrower to the remedies provided herein where such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Governmental Lender. Any subcontract entered into by the Borrower relating to this Borrower Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower to obtain compliance of its subcontractors shall constitute a default by the Borrower under the terms of this Borrower Loan Agreement, subjecting the Borrower to the remedies provided herein where such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Governmental Lender.

The Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (1) of Section 7110 of the Public Contract Code.

**Section 10.36. Americans with Disabilities Act.** The Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Requirements (as defined in Exhibit I of the Regulatory Agreement). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of: (i) the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L.110 325 and all subsequent amendments; (ii) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, the implementing regulations at 24 C.F.R. Part 8, as well as the requirements of Uniform Federal Accessibility Standards 24 C.F.R § 40, Appendix A; (iii) the Fair Housing Act, 42 U.S.C. §§ 3601-3620; 24 C.F.R. Parts 100, 103, and 104, and its implementing regulations; and (iv) applicable California building codes. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Borrower Loan Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

**Section 10.37. Nondiscrimination and Affirmative Action.** The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower relating to this Borrower Loan Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Borrower Loan Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

## ARTICLE XI

### LIMITATIONS ON LIABILITY

**Section 11.1. Limitation on Liability.** Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

**Section 11.2. Limitation on Liability of Governmental Lender.** The Governmental Lender shall not be obligated to pay the principal (or prepayment amount) of or interest on the Funding Loan, except from moneys and assets received by the Fiscal Agent or the Funding Lender on behalf of the Governmental Lender pursuant to this Borrower Loan Agreement. Any obligation or liability of the Governmental Lender created by or arising out of this Borrower Loan Agreement (including, without limitation, any liability created by or arising out of the representations, warranties or covenants set forth herein or otherwise) shall not impose a debt or pecuniary liability upon the Governmental Lender or a charge upon its general credit, but shall be payable solely out of the moneys due and to become due under the Funding Loan Documents (and not from any moneys due or to become due to the Governmental Lender pursuant to the Unassigned Rights). Neither the issuance of the Funding Loan nor the delivery of this Borrower Loan Agreement shall, directly or indirectly or contingently, obligate the Governmental Lender to make any appropriation for payment of the Funding Loan. No agreements or provisions contained in this Borrower Loan Agreement, the Funding Loan Agreement, any other Funding Loan Document, nor any agreement, covenant or undertaking by the Governmental Lender contained in any document executed by the Governmental Lender in connection with the Project or the issuance, sale and delivery of the Governmental Lender Note shall give rise to any pecuniary liability of the Governmental Lender or a charge against its general credit or taxing powers, or shall obligate the Governmental Lender financially in any way. Nothing in the Funding Loan or this Borrower Loan Agreement or the proceedings of the Governmental Lender authorizing the Funding Loan or in the Act or the Law or in any other related document shall be construed to authorize the Governmental Lender to create a debt of the Governmental Lender within the meaning of any constitutional or statutory provision of the State. No covenant, agreement or obligation contained herein shall be deemed to be a covenant, agreement or obligation of any present or future director, officer, employee or agent of the Governmental Lender in his or her individual capacity, and neither any employee or officer of the Governmental Lender nor any officer thereof executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the issuance thereof. No director, officer, employee or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to this Borrower Loan Agreement, the Funding Loan Agreement, the Act or the Law, provided such director, officer, employee or agent acts in good faith. It is recognized that notwithstanding any other provision of this Borrower Loan Agreement, neither the Borrower, the Funding Lender nor the Fiscal Agent shall look to the members of the Governmental Lender's City Council or its officers, program participants, attorneys, accountants, financial advisors, agents or staff, past, present or future, for damages suffered by the Borrower, the holders or such Fiscal Agent as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Borrower Loan Agreement, the Funding Loan, the Regulatory Agreement, any of the other Funding Loan Documents or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, nor for any other reason except for representations made by the Governmental Lender in any certificate of the Governmental Lender and the opinion of counsel to the Governmental Lender delivered on the date of origination of the Funding Loan. Although this Borrower Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Borrower Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

No director, officer, employee, attorney or agent of the Governmental Lender shall incur any personal liability with respect to any other action taken by him or her pursuant to this Borrower Loan Agreement or the Act, provided such director, officer, employee, attorney or agent acts in good faith. No agreements or provisions contained in this Borrower Loan Agreement nor any agreement, covenant or undertaking by Governmental Lender contained in any document executed by the Governmental Lender in connection with the Project or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of Governmental Lender or a charge against its general credit or taxing powers, or shall obligate Governmental Lender financially in any way.

## ARTICLE II

### TERMS; GOVERNMENTAL LENDER NOTE

#### Section 2.1. Terms.

(a) ***Principal Amount.*** The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) ***Draw-Down Funding.*** The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender to the Fiscal Agent for payment to or for the benefit of the Borrower for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of Section 7.7 hereof, Section 2.11 of the Borrower Loan

Agreement and of the Construction Funding Agreement. Upon each advance of principal, under the Borrower Loan Agreement and the Construction Funding Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$[\_\_\_\_\_] which amount shall be advanced under the Borrower Note and deposited with the Fiscal Agent and disbursed on the Closing Date pursuant to a Written Requisition. Subject to the terms and conditions of the Borrower Loan Agreement, the Funding Lender agrees to advance on behalf of the Governmental Lender, through the Fiscal Agent, to the Borrower under the Borrower Loan Agreement at least \$55,000 on the Closing Date, and the Governmental Lender agrees that such advance shall be deemed an advance on the Funding Loan for the account of the Governmental Lender under this Funding Loan Agreement. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after December 31, 2020; provided, however, that upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion. The Governmental Lender has reviewed and approved the form of Contingency Draw-Down Agreement and consents to the terms thereof and agrees to take all actions reasonably required of the Governmental Lender in connection with the conversion of the Funding Loan to a fully drawn loan pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Funding Lender or the Borrower.

(c) **Origination Date; Maturity.** The Funding Loan shall be originated on the Closing Date and shall mature on the Maturity Date at which time the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) **Principal.** The outstanding principal amount of the Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances under the Borrower Note and the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Note previously received from payments of corresponding principal amounts under the Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Fiscal Agent shall keep a record of all principal advances and principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender and the Funding Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(e) **Interest.** Interest shall be paid on the outstanding principal amount of the Governmental Lender Note at the rate set forth in the Borrower Note and otherwise as set

forth in the Borrower Loan Agreement; provided, however, that in no event shall interest paid on the Governmental Lender Note exceed the Maximum Rate.

(f) **Corresponding Payments.** The payment or prepayment of principal, interest and premium, if any, due on the Funding Loan and the Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the Borrower Note.

(g) **Usury.** The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Note and all agreements made in the Governmental Lender Note, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Note, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

**Section 2.2. Form of Governmental Lender Note.** As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Note. The Governmental Lender Note shall be substantially in the form set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement or State law.

manual or facsimile signature of an Authorized Attesting Officer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Governmental Lender Note. In case any officer of the Governmental Lender whose manual or facsimile signature shall appear on the Governmental Lender Note shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also the Governmental Lender Note may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution thereof shall be the proper officers to sign the Governmental Lender Note although at the date of such Governmental Lender Note such persons may not have been such officers.

**Section 2.4. Authentication.** The Governmental Lender Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Funding Loan Agreement unless a certificate of authentication on such Governmental Lender Note, substantially in the form set forth in Exhibit A hereto, shall have been manually executed by the Fiscal Agent. The Fiscal Agent shall authenticate the Governmental Lender Note by execution of the certificate of authentication on or attached to the Governmental Lender Note, and the certificate of authentication so executed on or attached to the Governmental Lender Note shall be conclusive evidence that it has been authenticated and delivered under this Funding Loan Agreement.

The Governmental Lender, the Fiscal Agent and any agent of the Governmental Lender or the Fiscal Agent may treat the person in whose name the Governmental Lender Note is registered as the owner of the Governmental Lender Note for the purpose of receiving payment of the Governmental Lender Note and for all other purposes whatsoever whether or not the Governmental Lender Note payments are overdue, and, to the extent permitted by law, neither the Governmental Lender, the Fiscal Agent nor any such agent shall be affected by notice to the contrary.

(c) The transfer of the Governmental Lender Note is subject to registration by the holder thereof only upon compliance with the conditions for registration of transfer imposed on the holder under this Section 2.5 and under Section 2.6 hereof. Upon surrender of the Governmental Lender Note at the principal corporate trust office of the Fiscal Agent, the Governmental Lender shall execute (if necessary), and the Fiscal Agent shall authenticate and deliver, in the name of the designated transferee or transferees (but

not registered in blank or to “bearer” or a similar designation), a new Governmental Lender Note of a like principal amount, and having the same stated maturity, tenor and interest rate.

(d) A Governmental Lender Note delivered in exchange for or upon transfer of a Governmental Lender Note shall be a valid limited obligation of the Governmental Lender evidencing the same debt, and entitled to the same benefits under this Funding Loan Agreement, as the Governmental Lender Note surrendered for such exchange or transfer.

(e) Registration of the transfer of the Governmental Lender Note may be made on the Fiscal Agent’s register by the holder thereof in person or by such holder’s attorney duly authorized in writing. The Governmental Lender Note presented or surrendered for registration of transfer or exchange shall (i) be accompanied by evidence of compliance with the provisions of Section 2.6 hereof, (ii) be duly endorsed or be accompanied by a written instrument or instruments of transfer, in a form satisfactory to the Fiscal Agent, duly executed and with guaranty of signature of the holder thereof or his, her or its attorney duly authorized in writing and (iii) include written instructions as to the details of the transfer of the Governmental Lender Note. The Governmental Lender Note shall not be transferred through the services of the Depository Trust Company or any other third-party registrar.

(f) No service charge shall be made to the registered holder of the Governmental Lender Note for any registration, transfer or exchange, but the Fiscal Agent and the Governmental Lender may require payment of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in connection with any transfer or exchange of the Governmental Lender Note, and any legal or unusual costs of transfers.

#### **Section 2.6. Restrictions on Transfer.**

(a) The Funding Lender shall deliver to the Fiscal Agent and the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) in its entirety, the Governmental Lender Note and the Funding Loan or (ii) a participation interest or other beneficial ownership interest in the Governmental Lender Note and the Funding Loan, to the extent permitted by Section 2.6(c) below, provided that such sale shall be only to Approved Transferees that execute and deliver to the Governmental Lender and Fiscal Agent the Required Transferee Representations.

(e) In the case of a transfer of the Governmental Lender Note and Funding Loan, subject to the foregoing transfer restrictions, the transferor shall provide to the Governmental Lender written notice of such proposed transfer not less than 10 calendar days prior to such proposed transfer, during which time the Governmental Lender shall determine whether the proposed transferee is an Ineligible Purchaser. If the Governmental Lender fails to deliver written notice to the Fiscal Agent of such determination within 10 calendar days of receipt of notice of proposed transfer, the Fiscal Agent shall conclude that such transferee is not an Ineligible Purchaser.

(f) If the transferee is a “Commercial Bank” as defined in the Responsible Banking Ordinance, such transferee shall deliver to the Governmental Lender an executed Responsible Banking Ordinance Certificate in the form of Exhibit E hereto.

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived thereunder by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments (except those related to the Unassigned Rights) derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

The Security so pledged and then or thereafter received by the Fiscal Agent or the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

**Section 4.2. ## ARTICLE V

### LIMITED LIABILITY

**Section 5.1. Source of Payment of Funding Loan and Other Obligations.** The Governmental Lender Note is payable solely from the Pledged Revenues and any other revenues, funds or assets of the Governmental Lender pledged and assigned under this Funding Loan Agreement and not from any other revenues, funds or assets of the Governmental Lender. None of the Governmental Lender, the State, or any political subdivision thereof (except the Governmental Lender, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Governmental Lender Note and the Funding Loan or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth herein, and none of the Funding Loan or the Governmental Lender Note or any of the Governmental Lender's agreements or obligations with respect to the Funding Loan, the Governmental Lender Note, or hereunder, shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. Neither the faith, revenues, credit nor taxing power of the Governmental Lender, the State or any other political corporation or subdivision or agency thereof shall be pledged to the payment of the principal of, premium (if any), or interest on the Governmental Lender Note or this Funding Loan Agreement.

**Section 5.2. Exempt from Individual Liability.** No recourse under or upon any obligation, covenant, warranty or agreement contained in this Funding Loan Agreement or in the Governmental Lender Note, or under any judgment obtained against the Governmental Lender, or the enforcement of any assessment, or any legal or equitable proceedings by virtue of any constitution or statute or otherwise, or under any circumstances under or independent of this Funding Loan Agreement, shall be had against the Mayor, the City Council or any of the members, officers, agents or employees of the Governmental Lender (past, present or future), either directly or through the Governmental Lender or otherwise, for the payment for or to the Governmental Lender or any receiver of the Governmental Lender, or for or to the owner of the Governmental Lender Note, or otherwise, of any sum that may be due and unpaid by the Governmental Lender upon the Governmental Lender Note. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, as such, by reason of any act of omission on his or her part or otherwise, for the payment for or to the owner of the Governmental Lender Note or otherwise of any sum that may remain due and unpaid upon the Governmental Lender Note secured by this Funding Loan Agreement or any of them is, by the acceptance of the Governmental Lender Note, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the issuance of the Governmental Lender Note. Anything in this Funding Loan Agreement to the contrary

notwithstanding, it is expressly understood by the parties to this Funding Loan Agreement that (a) the Governmental Lender may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Governmental Lender by the Fiscal Agent, the Servicer, the Borrower or the owner of the Governmental Lender Note as to the existence of any fact or state of affairs, (b) the Governmental Lender shall not be under any obligation under this Funding Loan Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Fiscal Agent or by the Servicer and (c) none of the provisions of this Funding Loan Agreement shall require the Governmental Lender to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Funding Loan Agreement, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action. No recourse for the payment of any part of the principal of, premium, if any, or interest on the Governmental Lender Note or for the satisfaction of any liability arising from, founded upon or existing by reason of the issuance, purchase or ownership of the Governmental Lender Note shall be had against the Mayor, the City Council or any officer, member, agent or employee of the Governmental Lender, as such, all such liability being expressly released and waived as a condition of and as a part of the consideration for the execution of this Funding Loan Agreement and the issuance of the Governmental Lender Note. No covenant, stipulation, obligation or agreement of the Governmental Lender contained in this Funding Loan Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Governmental Lender or its Mayor or City Council in other than that person's official capacity. No member, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of the principal or redemption price of or interest on the Governmental Lender Note or be subject to any personal liability or accountability by reason of the issuance of the Governmental Lender Note.

It is recognized that notwithstanding any other provision of this Funding Loan Agreement, neither the Borrower, the Fiscal Agent nor any owner of the Governmental Lender Note shall look to the Governmental Lender for damages suffered by the Borrower, the Fiscal Agent or such owner as a result of the failure of the Governmental Lender to perform any covenant, undertaking or obligation under this Funding Loan Agreement, the Borrower Loan Agreement, the Governmental Lender Note or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Governmental Lender in any of such documents, or for any other reason. Although this Funding Loan Agreement recognizes that such documents shall not give rise to any pecuniary liability of the Governmental Lender, nothing contained in this Funding Loan Agreement shall be construed to preclude in any way any action or proceeding (other than that element of any action or proceeding involving a claim for monetary damages against the Governmental Lender) in any court or before any governmental body, agency or instrumentality or otherwise against the Governmental Lender or any of its officers or employees to enforce the provisions of any of such documents which the Governmental Lender is obligated to perform and the performance of which the Governmental Lender has not assigned to the Fiscal Agent or any other person.

**Section 5.3. Limited Obligation.** Notwithstanding any other provision of this Funding Loan Agreement to the contrary:

**THE GOVERNMENTAL LENDER NOTE IS ISSUED PURSUANT TO THE LAW AND IN ACCORDANCE WITH THE ACT, AND IS A LIMITED OBLIGATION OF THE GOVERNMENTAL LENDER. NEITHER THE CITY COUNCIL OF THE GOVERNMENTAL LENDER NOR ANY OFFICIAL OR EMPLOYEE OF THE GOVERNMENTAL LENDER NOR ANY PERSON EXECUTING THE GOVERNMENTAL LENDER NOTE SHALL BE LIABLE PERSONALLY ON THE GOVERNMENTAL LENDER NOTE OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF ITS ISSUANCE. ### FUNDS AND ACCOUNTS

**Section 7.1. Authorization to Create Funds and Accounts.** Except as provided in Section 7.3 hereof, no funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender, the Fiscal Agent (as directed by the Funding Lender) and the Servicer, if any, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender, the Fiscal Agent or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

**Section 7.2. Investment of Funds.** Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested in Permitted Investments at the direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Certificate.

**Section 7.3. Establishment of Funds.** There are established with the Fiscal Agent the following funds and accounts:

(a) The Funding Loan Payment Fund;

(b) The Project Fund, and within the Project Fund a Note Proceeds Account and a Borrower Equity Account;

- (c) The Expense Fund; and
- (d) The Closing Costs Fund.

All money required to be deposited with or paid to the Fiscal Agent for the account of any of the funds or accounts created by this Funding Loan Agreement (except the Closing Costs Fund, the Expense Fund and any Rebate Amount held hereunder) shall be held by the Fiscal Agent in trust for the benefit of the Funding Lender, and shall, while held by the Fiscal Agent, constitute part of the Pledged Revenues and be subject to the lien hereof.

**Section 7.4. Funding Loan Payment Fund.** The Governmental Lender and the Borrower shall have no interest in the Funding Loan Payment Fund or the moneys therein, which shall always be maintained by the Fiscal Agent completely separate and segregated from all other moneys held hereunder and from any other moneys of the Governmental Lender and the Borrower.

The Fiscal Agent shall deposit into the Funding Loan Payment Fund any amounts received from the Borrower as payments of principal of, premium, if any, or interest on the Borrower Loan and any other amounts received by the Fiscal Agent that are subject to the lien and pledge of this Funding Loan Agreement, including any Pledged Revenues not required to be deposited to the Expense Fund or not otherwise specifically directed in writing to be deposited into other funds created by this Funding Loan Agreement.

The Fiscal Agent shall apply all amounts on deposit in the Funding Loan Payment Fund in the following order of priority:

First, to pay or provide for the payment of the interest then due on the Funding Loan to the registered owner of the Governmental Lender Note;

Second, to pay or provide for the payment or the prepayment of principal (and premium, if any) on the Funding Loan to the registered owner of the Governmental Lender Note, provided moneys have been transferred or deposited into the Funding Loan Payment Fund for such purpose; and

Third, to pay or provide for the payment of the Funding Loan on the Maturity Date to the registered owner of the Governmental Lender Note.

**Section 7.5. Expense Fund.** The Fiscal Agent shall deposit in the Expense Fund the amounts required by the Regulatory Agreement or the Borrower Loan Agreement to be paid by the Borrower to the Governmental Lender or the Fiscal Agent. Amounts on deposit in the Expense Fund shall be used to pay the fees and expenses of the Governmental Lender and the Fiscal Agent, as and when the same become due. In that regard, moneys in the Expense Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent to pay (i) on each June 1 and December 1, commencing December 1, 2017, or at the direction of the Governmental Lender, the Ongoing Governmental Lender Fee, (ii) on each June 1, commencing June 1, 2018, to the Fiscal Agent amounts due pursuant to subpart (a) of the definition of “Fiscal Agent’s Fees” herein, (iii) upon receipt, to the Fiscal Agent, any amounts due to the Fiscal Agent which have not been paid, other than amounts paid in accordance with clause (ii) hereof, and (iv) upon

receipt, to, or at the direction of, the Governmental Lender, any amounts owing the Governmental Lender by the Borrower and then due and unpaid, other than amounts paid in accordance with clause (i) hereof.

In the event that the amounts on deposit in the Expense Fund are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Fiscal Agent of the amount of such deficiency.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within 10 days of the respective due date.

Upon payment by the Borrower of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Notwithstanding anything herein to the contrary, the Fiscal Agent, on behalf of the Governmental Lender, shall prepare and submit a written invoice to the Borrower for payment of the Ongoing Governmental Lender Fee not later than 30 days prior to the due date for payment of such the Ongoing Governmental Lender Fee, and shall remit moneys received by the Borrower to the Governmental Lender for payment of such fee.

**Section 7.6. Closing Costs Fund.** On the Closing Date, the Borrower shall deposit or cause to be deposited with the Fiscal Agent, for deposit in the Closing Costs Fund, the amount of \$[\_\_\_\_\_]. Amounts in the Closing Costs Fund shall be disbursed by the Fiscal Agent to pay Governmental Lender Closing Costs on the Closing Date or as soon as practicable thereafter as follows: moneys on deposit in the Closing Costs Fund shall be applied to: (a) pay as stated in a completed requisition in the form of Exhibit D; and (b) pay the Fiscal Agent its closing fee of \$[\_\_\_\_\_]. Any interest earnings on amounts on deposit in the Closing Costs Fund shall remain in the Fund. Any moneys remaining in the Closing Costs Fund (including investment proceeds) after the earlier of (i) the payment of all costs of issuance as certified in writing to the Fiscal Agent by the Borrower or (ii) a period of five months after the Closing Date, shall be paid to the Borrower Equity Account of the Project Fund and the Closing Costs Fund shall be closed.

**Section 7.7. Project Fund.**

(a) All proceeds of the Funding Loan provided by the Funding Lender shall be deposited to the Note Proceeds Account of the Project Fund and disbursed as herein provided. The Fiscal Agent shall disburse moneys in the Note Proceeds Account or Borrower Equity Account of Project Fund for the acquisition and construction of the Project, to pay other Qualified Project Costs and to pay other costs related to the Project as provided herein. All funds deposited by or on behalf of the Borrower for credit to the Project Fund, and otherwise transferred hereunder, including the amount of \$[\_\_\_\_\_] deposited on the Closing Date, shall be deposited to the Borrower Equity Account of the Project Fund and (i) disbursed as requested by the Borrower pursuant to a

Written Requisition in the form attached hereto as Exhibit C; and (ii) automatically used without a requisition to pay the Ongoing Governmental Lender Fee or interest on the Governmental Lender Note when due.

Not less than 95% of the moneys deposited in and credited to the Note Proceeds Account of the Project Fund representing the proceeds of the Funding Loan, including Investment Income thereon, will be expended for Qualified Project Costs (the “95% Requirement”). The amounts on deposit in the Note Proceeds Account of the Project Fund shall not be applied to the payment of Governmental Lender Closing Costs.

Before any payment shall be made from the Project Fund, the Regulatory Agreement shall have been executed and submitted to a title company for recordation in the official records of the County of Los Angeles and there shall be filed with the Fiscal Agent a Written Requisition of the Borrower substantially in the form attached hereto as Exhibit C and approved by (i) the Funding Lender pursuant to the terms, conditions and provisions of the Construction Funding Agreement, and (ii) the Governmental Lender. The Governmental Lender agrees that if the Governmental Lender has not objected in writing to any disbursement from the Note Proceeds Account or Borrower Equity Account within five Business Days of receipt of a request for approval of such disbursement, the Governmental Lender shall be deemed to have approved such disbursement. Furthermore, if the Governmental Lender and the Funding Lender disagree as to whether a particular disbursement from the Note Proceeds Account or the Borrower Equity Account shall be approved or disapproved, they shall meet and confer in good faith, upon the request of either of them in an effort to resolve the matter, which meeting may be by telephonic or electronic means, or may be at a personal meeting. If they fail to agree upon the approval or disapproval of such a disbursement following such good faith efforts, the Funding Lender can approve the disbursement and the Fiscal Agent shall pay it from the proceeds of the Governmental Lender Note or sums held in the Borrower Equity Account, as applicable. Notwithstanding the forgoing, the Fiscal Agent shall disburse from the Project Fund: (i) first from the Borrower Equity Account; and (ii) second from any other account or subaccount of the Project Fund, to the registered owner of the Governmental Lender Note, the accrued interest on the Governmental Lender Note when due, automatically, without the need for: (i) a Written Requisition or (ii) the consent of the Borrower and the Governmental Lender.

In addition to the above, in connection with a Written Requisition:

(i) Only the signature of an authorized officer of the Funding Lender and the Governmental Lender shall be required on a Written Requisition during any period in which a default by the Borrower has occurred and is then continuing under the Borrower Loan (notice of which default has been given in writing by an authorized officer of the Funding Lender to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such Written Notice as to the occurrence and continuation of such a default).

(ii) The Fiscal Agent shall disburse amounts in the Project Fund upon receipt of a Written Requisition signed only by the Funding Lender and the Governmental Lender, as applicable (and without any need for any signature by an Authorized Borrower Representative), so long as the amount to be disbursed is to be used solely to make payments of principal, interest and/or fees due under the Funding Loan Documents.

(iii) The Fiscal Agent may conclusively rely on all Written Requisitions, the execution of the Written Requisitions by the Authorized Borrower Representative and the approval of all Written Requisitions by the Funding Lender and the Governmental Lender, as required by this Section, as conditions of payment from the Project Fund, which Written Requisitions constitute, as to the Fiscal Agent, irrevocable determinations that all conditions to payment of the specified amounts from the Project Fund have been satisfied. These documents shall be retained by the Fiscal Agent, subject at all reasonable times to examination by the Borrower, the Governmental Lender, the Funding Lender and the agents and representatives thereof upon reasonable notice to the Fiscal Agent. The Fiscal Agent is not required to inspect the Project or the construction work or to make any independent investigation with respect to the matters set forth in any Written Requisition or other statements, orders, certifications and approvals received by the Fiscal Agent. The Fiscal Agent is not required to obtain completion bonds, lien releases or otherwise supervise the acquisition, construction, renovation, equipping, improvement and installation of the Project.

(b) Upon receipt of each Written Requisition submitted by the Borrower and approved in writing by the Funding Lender and the Governmental Lender, as applicable, the Fiscal Agent shall promptly, but in any case within three Business Days, except as provided in subsection (a) above, make payment from the appropriate account within the Project Fund in accordance with such Written Requisition. The Fiscal Agent shall have no duty to determine whether any requested disbursement from the Note Proceeds Account or the Borrower Equity Account of the Project Fund complies with the terms, conditions and provisions of the Funding Loan Documents, constitutes payment of Qualified Project Costs or complies with the 95% Requirement. The approval in writing of a Written Requisition by the Funding Lender and the Governmental Lender, as applicable, shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, shall constitute conclusive evidence that all of the terms, conditions and requirements of the Funding Loan Documents applicable to such disbursement have been fully satisfied or waived and the Written Requisition from the Borrower shall, insofar as the Fiscal Agent and the Governmental Lender, as applicable, are concerned, constitute conclusive evidence that the costs described in the Written Requisition constitute Qualified Project Costs or other permitted Project costs.

The Fiscal Agent shall immediately provide Written Notice to the Borrower, the Funding Lender and the Governmental Lender if there are not sufficient funds available to or on deposit with the Fiscal Agent to make the disbursements as and when required by this Section 7.7(b). Except as provided in the next sentence, all such payments shall be

made by check or draft payable, or by wire transfer, either (i) directly to the person, firm or corporation to be paid, (ii) to the Borrower and such person, firm or corporation, or (iii) upon receipt by the Funding Lender and the Governmental Lender, as applicable, of evidence that the Borrower has previously paid such amount and Written Direction to the Fiscal Agent as to such as evidenced by the Funding Lender's and the Governmental Lender's approval, as applicable, of the Written Requisition, to the Borrower. Upon the occurrence of an Event of Default of the Borrower of which the Fiscal Agent has knowledge as provided herein, which is continuing under the Funding Loan Documents, with the Written Consent of the Funding Lender, the Fiscal Agent may apply amounts on deposit in the Note Proceeds Account or the Borrower Equity Account of the Project Fund to the payment of principal of and interest on the Funding Loan. If a Written Requisition signed by the Authorized Borrower Representative and countersigned by an authorized officer of the Funding Lender and the Governmental Lender is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Fund, the Fiscal Agent shall close the Project Fund.

(c) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to the terms hereof, any amounts then remaining in the Note Proceeds Account or the Borrower Equity Account of the Project Fund shall, at the written direction of the Funding Lender, be transferred to the Funding Loan Payment Fund to be applied to the prepayment of the Funding Loan pursuant hereto.

(d) Amounts on deposit in the Project Fund shall be invested in Permitted Investments directed in writing by the Borrower. Investment Income earned on amounts on deposit in each account of the Project Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Project Fund.

(e) Amounts on deposit in the Funding Loan Payment Fund, Expense Fund and Closing Costs Fund shall be invested in Permitted Investments directed in writing by the Borrower. Investment Income earned on amounts on deposit in each account of the Funding Loan Payment Fund, Expense Fund and Closing Costs Fund shall be retained in and credited to and become a part of the amounts on deposit in that account of the Funding Loan Payment Fund, Expense Fund and Closing Costs Fund.

The Fiscal Agent may make any and all investments permitted under this Funding Loan Agreement through its own trust or banking department or any affiliate and may pay said department reasonable, customary fees for placing such investments. The Fiscal Agent and its affiliates may act as principal, agent, sponsor, advisor or depository with respect to Permitted Investments under this Funding Loan Agreement. The Fiscal Agent shall not be liable for any losses from investments made by the Fiscal Agent in accordance with this Funding Loan Agreement.

The Governmental Lender, the Funding Lender and the Borrower (by its execution of the Borrower Loan Agreement) acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Governmental Lender or the Funding

Lender the right to receive brokerage confirmations of security transactions as they occur, the Governmental Lender and the Funding Lender will not receive such confirmations to the extent permitted by law. The Fiscal Agent shall furnish the Borrower, the Funding Lender and the Governmental Lender (to the extent requested by such parties) periodic cash transaction statements which shall include detail for all investment transactions, if any, made by the Fiscal Agent hereunder.

The amounts received upon the sale of the Governmental Lender Note and interest and other investment earnings on those amounts shall be allocated and used for financing Qualified Project Costs of each building and related land in the Project so that the aggregate basis of each such building and related land, within the meaning of Section 42(h)(4) of the Code, shall be financed 50% or more from those amounts.

The Governmental Lender makes no representations as to the necessity of registering the Governmental Lender Note or the Borrower Note pursuant to any securities laws or complying with any other requirements of securities laws.

(c) To the knowledge of the Governmental Lender, no litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is

pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan as evidenced by the Governmental Lender Note.

(e) The California Debt Limit Allocation Committee has provided an allocation of the State's 2014 private activity bond volume cap under section 146 of the Code to the Governmental Lender for the Governmental Lender Note, the Governmental Lender has timely made any required carry forward election with respect to such allocation. The Governmental Lender hereby elects to apply the alternative option under clause (2) of the first paragraph of Section 3.01 of IRS Notice 2011-63 with respect to the issue date of the Governmental Lender Note; and, in connection therewith, has directed Tax Counsel to include the information on Form 8038 filed for the Governmental Lender Note that is required by section 3.03 of said Notice.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

**Section 8.2. No Encumbrance on Security.** The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

**Section 8.3. Repayment of Funding Loan.** Solely from amounts pledged therefor, and subject to the provisions of Article V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

**Section 8.4. Servicer.** The Funding Lender may appoint a Servicer to service and administer the Governmental Loan and/or the Borrower Loan on behalf of the Funding Lender and the Fiscal Agent, including without limitation the fulfillment of rights and responsibilities

granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

**Section 8.5. Borrower Loan Agreement Performance.**

(a) The Funding Lender, the Fiscal Agent and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Fiscal Agent, the Servicer, if any, and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event.

**Section 8.6. Maintenance of Records; Inspection of Records.**

(a) The Fiscal Agent shall keep and maintain records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Fiscal Agent shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Funding Lender and the Governmental Lender and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender and the Funding Lender will at any and all times, upon the reasonable request of the Servicer, if any, the Borrower, the Fiscal Agent, the Governmental Lender or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender or the Funding Lender, as appropriate, relating to the Project and the Funding Loan, if any, and to make copies thereof.

**Section 8.7. Tax Covenants.** The Governmental Lender covenants to and for the benefit of the Fiscal Agent and the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) Enforce or cause to be enforced all obligations of the Borrower under the Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the Regulatory Agreement within a reasonable period after any such violation is first discovered;

(b) Not take or cause to be taken any other action or actions, or fail to take any action or actions, which would cause the interest payable on the Governmental Lender Note to be includable in gross income for federal income tax purposes;

(c) At all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Note will be excluded from the gross income of the holder of the Governmental Lender Note, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any holder of the Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, pursuant to the terms and provisions of the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Governmental Lender Note to be an “arbitrage bond” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Governmental Lender Note; and

(f) Require the Borrower, pursuant to the terms and provisions of the Borrower Loan Agreement and the Tax Certificate, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificate, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Section 8.7 and the requirements of the Tax Certificate, the Tax Certificate shall control.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s control and no acts, omissions or directions of the Borrower, the Fiscal Agent, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

**Section 8.8. Performance by the Borrower.** Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or potential Default under the Borrower Loan Agreement exists.

**Section 8.9. Maintenance of Records; Responsible Banking Ordinance Filing.** The Funding Lender shall keep and maintain adequate records pertaining to the funds and accounts, if

any, established hereunder, including all deposits to and disbursements from said funds and accounts and will provide information and records relating thereto to the Fiscal Agent or the Governmental Lender upon written request. The Funding Lender represents that it has, prior to the Closing Date, filed the report due by [July 1, 2016] under the Responsible Banking Ordinance for calendar year [2015].

## **ARTICLE IX**

### **DEFAULT; REMEDIES**

**Section 9.1. Provisions Regarding any Default and Acceleration.** Upon a default by the Governmental Lender of its obligations hereunder or a default by the Borrower of its obligations under the Borrower Loan Documents, the Fiscal Agent shall, subject to the provisions of Article XI, take such actions, and only such actions, to enforce the provisions of this Funding Loan Agreement, the Borrower Loan Documents and the Funding Loan Documents as are specified in writing by the Funding Lender. Notwithstanding the foregoing, or anything else to the contrary herein, no default by the Borrower under the Borrower Loan Agreement or the Borrower Note shall constitute an event of default with respect to the Funding Loan (including, without limitation, a failure to make any payment due with respect to the Funding Loan as a consequence of the Borrower's failure to make any payment due under the Borrower Loan Agreement). The Governmental Lender's, Fiscal Agent's, Funding Lender's and Servicer's remedies with respect to a default under the Borrower Loan Documents shall be as set forth under the Borrower Loan Documents. In the event of a default by the Borrower under the Borrower Loan Documents, the Funding Lender, in its discretion, may accelerate the amounts due under the Borrower Loan Agreement and take other remedial actions available thereunder without accelerating the amounts due with respect to the Funding Loan. Notwithstanding the foregoing, the Funding Lender may, upon the acceleration of the Borrower's obligations under the Borrower Loan Documents, direct the Fiscal Agent to simultaneously accelerate the maturity of the Funding Loan and apply any funds available hereunder to the payment of the Funding Loan (after paying the fees and expenses of the Fiscal Agent and the Governmental Lender). Any portion of the Funding Loan remaining outstanding upon such an acceleration of the Funding Loan shall be deemed paid upon transfer, to or at the direction of the Funding Lender, of the Borrower Loan Documents and all security therefor free and clear of the lien of this Funding Loan Agreement.

The Governmental Lender shall cooperate with the Fiscal Agent and the Funding Lender in exercising rights and remedies under the Borrower Loan Documents, but only upon being satisfactorily indemnified by the Borrower for any fees or expenses relating thereto as provided in the Borrower Loan Agreement and Regulatory Agreement.

**Section 9.2. Effectiveness of Sections 9.2 Through 9.15 at the Direction of Governmental Lender; Events of Default.** At the written request of the Funding Lender, the Governmental Lender may authorize, by written notice to the Fiscal Agent, the effectiveness of this Section 9.2 and Sections 9.3 through 9.15. The Governmental Lender's authorization of

such provisions may be granted on such terms as the Governmental Lender may determine in its sole and absolute discretion, including, without limitation, provision by the Funding Lender of indemnification reasonably satisfactory to the Governmental Lender. Upon delivery of the above-referenced authorization the provisions of this Section 9.2 and Sections 9.3 through 9.15 shall be effective. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 12.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the 30-day cure period and the subject matter of the default is not capable of cure within said 30-day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

### **Section 9.3. Acceleration of Maturity; Rescission and Annulment.**

(a) Subject to the provisions of Section 9.10 hereof, upon the occurrence of an Event of Default under Section 9.2 hereof, then and in every such case, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender, may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and

the Borrower and upon any such declaration, all principal of and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) All Events of Default, other than the nonpayment of the principal of the Governmental Lender Note which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.10 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that neither the Fiscal Agent nor the Funding Lender shall pursue any remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

#### **Section 9.4. Additional Remedies; Funding Lender Enforcement.**

(a) Upon the occurrence of an Event of Default, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, may, subject to the provisions of this Section 9.4 and Section 9.10 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender or the Fiscal Agent hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, or the Fiscal

Agent at the direction of the Funding Lender, shall deem expedient. Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, or the Fiscal Agent at the direction of the Funding Lender, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement,

and if such default remains uncured for a period of 60 days after the Borrower, the Equity Investor, the Fiscal Agent and the Funding Lender receives Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.15 or 5.16 of the Borrower Loan Agreement (subject to the applicable notice and cure periods) for fees, expenses or indemnification, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right to exercise all its rights and remedies thereunder (subject to Section 9.14 hereof).

**Section 9.5. Application of Money Collected.** Any money collected by the Funding Lender pursuant to this Article, and any other sums then held by the Funding Lender or the Fiscal Agent as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender or the Fiscal Agent at the direction of the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion, or the Fiscal Agent at the direction of the Funding Lender;

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.5 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.5 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

**Section 9.6. Remedies Vested in Funding Lender.** All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and

enforced by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

**Section 9.7. Restoration of Positions.** If the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender or the Fiscal Agent, then and in every such case the Governmental Lender and the Funding Lender or the Fiscal Agent shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender and the Fiscal Agent shall continue as though no such proceeding had been instituted.

**Section 9.8. Rights and Remedies Cumulative.** No right or remedy herein conferred upon or reserved to the Funding Lender or the Fiscal Agent is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**Section 9.9. Delay or Omission Not Waiver.** No delay or omission of the Funding Lender or the Fiscal Agent to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender or the Fiscal Agent may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender or the Fiscal Agent at the direction of the Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.10 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

**Section 9.10. Waiver of Past Defaults.** Before any judgment or decree for payment of money due has been obtained by the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, the Funding Lender or the Fiscal Agent at the direction of the Funding Lender may, subject to Section 9.7 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

**Section 9.11. Remedies Under Borrower Loan Agreement or Borrower Note.** As set forth in this Section 9.11 but subject to Section 9.10 hereof, the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the

Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

**Section 9.12. Waiver of Appraisal and Other Laws.**

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.12(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.12.

**Section 9.13. Suits To Protect the Security.** The Funding Lender, or the Fiscal Agent at the direction of the Funding Lender, shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender or the Fiscal Agent.

**Section 9.14. Remedies Subject to Applicable Law.** All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

**Section 9.15. Assumption of Obligations.** In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

## **ARTICLE X**

### **AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS**

**Section 10.1. Amendment of Funding Loan Agreement.** Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender, the Fiscal Agent and the Governmental Lender. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender, the Fiscal Agent or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Governmental Lender, the Funding Lender and the Fiscal Agent.

**Section 10.2. Amendments Require Funding Lender Consent.** Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender, or the Fiscal Agent at the direction of the Funding Lender.

**Section 10.3. Consents and Opinions.** No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and, in the case of this Funding Loan Agreement, the Fiscal Agent should have also approved the same in writing and (ii) the Funding Lender and the Fiscal Agent shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

## **ARTICLE XI**

### **THE FISCAL AGENT**

**Section 11.1. Appointment of Fiscal Agent; Acceptance.** The Governmental Lender hereby appoints U.S. Bank National Association, as Fiscal Agent hereunder. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it by this Funding Loan Agreement by executing this Funding Loan Agreement.

## **Section 11.2. Certain Duties and Responsibilities of Fiscal Agent.**

(a) The Fiscal Agent undertakes to perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement, and no implied covenants or obligations shall be read into this Funding Loan Agreement against the Fiscal Agent.

(b) If an event of default exists hereunder or under any Borrower Loan Document, the Fiscal Agent shall exercise such of the rights and powers vested in it by this Funding Loan Agreement, and subject to Section 11.2(c)(iii) hereof, use the same degree of care and skill in their exercise, as a prudent corporate trust officer would exercise or use under the circumstances in the conduct of corporate trust business.

(c) No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, in each case, as finally adjudicated by a court of law, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Fiscal Agent shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Fiscal Agent was negligent in ascertaining the pertinent facts;

(iii) The Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Funding Lender relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any trust or power conferred upon the Fiscal Agent under this Funding Loan Agreement; and

(iv) No provision of this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it in its sole discretion.

Subject to its rights to indemnification pursuant to Section 11.4 hereof, the Fiscal Agent is directed to enter into the Borrower Loan Documents to which it is a party and other related documents, solely in its capacity as Fiscal Agent.

(d) Whether or not therein expressly so provided, every provision of this Funding Loan Agreement and the other Funding Loan Documents relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section.

(e) The Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions

furnished to the Fiscal Agent and conforming to the requirements of this Funding Loan Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Fiscal Agent, the Fiscal Agent shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Funding Loan Agreement.

(f) The permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement shall not be construed as a duty.

(g) The rights of the Fiscal Agent and limitations of liability enumerated herein and in Section 11.4 shall extend to actions taken or omitted in its role as assignee of the Governmental Lender under the Borrower Loan Agreement and the other Funding Loan Documents.

**Section 11.3. Notice of Defaults.** Upon the occurrence of any default hereunder or under any Borrower Loan Document and provided that a Responsible Officer of the Fiscal Agent is aware of or has received Written Notice of the existence of such default, promptly, and in any event within 15 days, the Fiscal Agent shall transmit to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender, in the manner and at the addresses for notices set forth in Section 12.1 hereof, notice of such default hereunder known to the Fiscal Agent pursuant to Section 11.4(g) hereof, unless such default shall have been cured or waived.

**Section 11.4. Certain Rights of Fiscal Agent.** Except as otherwise provided in Section 11.1 hereof:

(a) The Fiscal Agent may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) Any request or direction of the Governmental Lender mentioned herein shall be sufficiently evidenced by a certificate or order executed by an Authorized Governmental Lender Representative;

(c) Whenever in the administration of this Funding Loan Agreement or any Borrower Loan Document the Fiscal Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Fiscal Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Written Certificate of the Governmental Lender, the Funding Lender, the Servicer or the Borrower, as appropriate;

(d) The Fiscal Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Funding Loan Agreement or any Borrower Loan Document at the request or direction of the Funding Lender, pursuant to this Funding Loan Agreement, unless the Funding Lender shall have offered to the Fiscal Agent in writing security or indemnity reasonably satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in compliance with such request or

direction, except costs, expenses and liabilities which are adjudicated to have resulted from its own negligence or willful misconduct, provided that nothing contained in this subparagraph (d) shall be construed to require such security or indemnity for the performance by the Fiscal Agent of its obligations under Article VIII hereof;

(e) The Fiscal Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, debenture, coupon or other paper or document but the Fiscal Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Fiscal Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books and records of the Governmental Lender, if any, and of the Borrower, in either case personally or by agent or attorney after reasonable notice and during normal business hours;

(f) The Fiscal Agent may execute any of its powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and pay reasonable compensation thereto and the Fiscal Agent shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder. The Fiscal Agent may act upon the advice of counsel of its choice concerning all matters hereof and the Fiscal Agent shall not be responsible for any loss or damage resulting from any action or inaction taken in good faith reliance upon said advice; and

(g) The Fiscal Agent shall not be required to take notice or be deemed to have notice of any default hereunder or under any Borrower Loan Document except for failure by the Borrower to make payments of principal, interest, premium, if any, or Governmental Lender Fee when due, unless a Responsible Officer of the Fiscal Agent shall be specifically notified by a Written Notice of such default by the Governmental Lender, the Servicer or the Funding Lender, and all notices or other instruments required by this Funding Loan Agreement or under any Borrower Loan Document to be delivered to the Fiscal Agent, must, in order to be effective, be delivered in writing to a Responsible Officer of the Fiscal Agent at the Office of the Fiscal Agent, and in the absence of such Written Notice so delivered the Fiscal Agent may conclusively assume there is no default as aforesaid.

**Section 11.5. Not Responsible for Recitals.** The recitals contained herein and in the Governmental Lender Note shall be taken as the statements of the Governmental Lender, and the Fiscal Agent assumes no responsibility for their correctness. The Fiscal Agent makes no representations as to the value or condition of the Pledged Revenues, the Security or any part thereof, or as to the title of the Governmental Lender thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Funding Loan Agreement or of the Funding Loan.

The Fiscal Agent shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the funding of the Funding Loan.

The Fiscal Agent shall not be required to monitor the financial condition of the Borrower or the physical condition of the Project. Unless otherwise expressly provided, the Fiscal Agent shall be under no obligation to analyze, review or make any credit decisions with respect to any financial statements, reports, notices, certificates or documents received hereunder but shall hold such financial statements reports, notices, certificates and documents solely for the benefit of, and review by, the Funding Lender and such other parties to whom the Fiscal Agent may provide such information pursuant to this Funding Loan Agreement.

The Fiscal Agent makes no representations as to and shall have no responsibility for the sufficiency of the insurance required under any of the Borrower Loan Documents.

**Section 11.6. May Hold Funding Loan and the Governmental Lender Note.** The Fiscal Agent in its individual or any other capacity may become the owner or pledgee of the Funding Loan and the Governmental Lender Note and may otherwise deal with the Governmental Lender, the Funding Lender and the Borrower with the same rights it would have if it were not Fiscal Agent.

**Section 11.7. Moneys Held in Trust.** Moneys held by the Fiscal Agent in trust hereunder need not be segregated from other funds except to the extent required by law. The Fiscal Agent shall be under no liability for interest on any moneys received by it hereunder except as otherwise provided herein.

**Section 11.8. Compensation and Reimbursement.** Under the Borrower Loan Agreement, the Borrower has agreed to, except as otherwise expressly provided herein, reimburse the Fiscal Agent as provided in this Funding Loan Agreement or the Borrower Loan Agreement, upon its request for all reasonable expenses, disbursements and advances incurred or made by the Fiscal Agent in accordance with any provision of this Funding Loan Agreement (including the reasonable fees, expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Fiscal Agent's negligence or willful misconduct, both as finally adjudicated by a court of law.

When the Fiscal Agent incurs expenses or renders service in connection with any bankruptcy or insolvency proceeding, such expenses (including the fees and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration under any bankruptcy law or law relating to creditors rights generally.

(a) The Governmental Lender has no obligation to pay the Fiscal Agent for services rendered.

(b) As security for the performance of the obligations of the Borrower under this Section and for the payment of such compensation, expenses, reimbursements and indemnity, the Fiscal Agent shall have the right to use and apply any moneys held by it as Pledged Revenues.

(c) The Fiscal Agent's rights to compensation and reimbursement shall survive its resignation or removal, the payment of the Funding Loan or the Borrower Loan or the release of this Funding Loan Agreement.

**Section 11.9. Fiscal Agent Required; Eligibility.** Any successor Fiscal Agent shall at all times be a trust company, a state banking corporation or a national banking association with the authority to accept trusts in the State approved in writing by the Governmental Lender and either (a) have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, (b) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (c) be otherwise acceptable to the Funding Lender and the Governmental Lender in their sole and absolute discretion.

**Section 11.10. Resignation and Removal; Appointment of Successor.**

(a) No resignation or removal of the Fiscal Agent hereunder and no appointment of a successor Fiscal Agent pursuant to this Article shall become effective until the written acceptance by the successor Fiscal Agent of such appointment.

(b) The Fiscal Agent may resign at any time by giving 60 days' Written Notice thereof to the Governmental Lender, the Borrower, the Servicer, if any, and the Funding Lender. If an instrument of acceptance by a successor Fiscal Agent shall not have been delivered to the Fiscal Agent within 45 days after the giving of such notice of resignation, the resigning Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(c) The Fiscal Agent may be removed at any time with 30 days' notice by (i) the Governmental Lender, with the Written Consent of the Funding Lender, (ii) the Borrower (unless the Borrower is in default under any of the Borrower Loan Documents), with the Written Consent of the Funding Lender and the Governmental Lender, or (iii) the Funding Lender by Written Notice delivered to the Fiscal Agent, the Governmental Lender and the Borrower.

(d) If the Fiscal Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the Office of the Fiscal Agent for any cause, the Governmental Lender shall promptly appoint a successor Fiscal Agent, with the consent of the Funding Lender. In case all or substantially all of the Pledged Revenues and Security shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee may similarly appoint a successor to fill such vacancy until a new Fiscal Agent shall be so appointed by the Governmental Lender. If, within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, the Governmental Lender has failed to so appoint a successor Fiscal Agent, then a successor Fiscal Agent shall be appointed by the Funding Lender (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with Written Notice thereof delivered to the Governmental Lender, the Borrower, the Servicer, if any, and the retiring Fiscal Agent, and the successor Fiscal Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Fiscal Agent and supersede the successor Fiscal Agent appointed by such receiver or Fiscal Agent. If no

successor Fiscal Agent shall have been appointed by the Governmental Lender or the Funding Lender and accepted appointment in the manner hereinafter provided, the Fiscal Agent may petition any court of competent jurisdiction for the appointment of a successor Fiscal Agent.

(e) The retiring Fiscal Agent shall cause Written Notice of each resignation and each removal of the Fiscal Agent and each appointment of a successor Fiscal Agent to be provided to the Funding Lender. Each notice shall include the name of the successor Fiscal Agent and the address of the office of the successor Fiscal Agent.

**Section 11.11. Acceptance of Appointment by Successor.**

(a) Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to the Governmental Lender and to the retiring Fiscal Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Fiscal Agent shall become effective and such successor Fiscal Agent, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, trusts and duties of the retiring Fiscal Agent; notwithstanding the foregoing, on request of the Governmental Lender or the successor Fiscal Agent, such retiring Fiscal Agent shall, upon payment of its charges, execute and deliver an instrument conveying and transferring to such successor Fiscal Agent upon the trusts herein expressed all the estates, properties, rights, powers and trusts of the retiring Fiscal Agent, and shall duly assign, transfer and deliver to such successor Fiscal Agent all property and money held by such retiring Fiscal Agent hereunder. Upon request of any such successor Fiscal Agent, the Governmental Lender shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Fiscal Agent all such estates, properties, rights, powers and trusts.

(b) No successor Fiscal Agent shall accept its appointment unless at the time of such acceptance such successor Fiscal Agent shall be qualified and eligible under this Article, to the extent operative.

**Section 11.12. Merger, Conversion, Consolidation or Succession to Business.** Any corporation into which the Fiscal Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Fiscal Agent, shall be the successor of the Fiscal Agent hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, to the extent operative, without the execution or filing of any paper or any further act on the part of any of the parties hereto. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause Written Notice of such succession to be delivered to the Governmental Lender and Funding Lender within 30 days of such succession.

**Section 11.13. Appointment of Co-Fiscal Agent.** It is the purpose of this Funding Loan Agreement that there shall be no violation of any laws of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case

of litigation under this Funding Loan Agreement, the Borrower Loan Agreement, any other Borrower Loan Document or the Regulatory Agreement, and in particular in case of the enforcement of any of them on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Fiscal Agent or hold title to the properties, in trust, as herein provided, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent appoint an additional individual or institution as a separate or co-fiscal agent. The following provisions of this Section are adopted to these ends.

The Fiscal Agent is hereby authorized to appoint an additional individual or institution as a separate or co-fiscal agent hereunder, upon Written Notice to the Governmental Lender, the Funding Lender and the Borrower, and with the consent of the Governmental Lender and the Funding Lender, but without the necessity of further authorization or consent, in which event each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement, any Borrower Loan Document, the Regulatory Agreement or the Borrower Loan Agreement to be exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be exercisable by and vest in such separate or co-fiscal agent but only to the extent necessary to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-fiscal agent shall run to and be enforceable by either of them.

Should any instrument in writing from the Governmental Lender be required by the separate fiscal agent or co-fiscal agent appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request of the Fiscal Agent, be executed, acknowledged and delivered by the Governmental Lender. In case any separate fiscal agent or co-fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate fiscal agent or co-fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a successor to such separate fiscal agent or co-fiscal agent.

**Section 11.14. Loan Servicing.** The Governmental Lender and the Fiscal Agent acknowledge that the Funding Lender shall have the right to appoint a Servicer to service and administer the Borrower Loan as set forth in a Servicing Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Servicer or for any acts or omissions of such Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Servicer.

**Section 11.15. No Recourse Against Officers or Employees of Fiscal Agent.** No recourse with respect to any claim related to any obligation, duty or agreement contained in this Funding Loan Agreement or any other Funding Loan Document shall be had against any officer or employee, as such, of the Fiscal Agent, it being expressly understood that the obligations, duties and agreements of the Fiscal Agent contained in this Funding Loan Agreement and the other Funding Loan Documents are solely corporate in nature.

**Section 12.2. Term of Funding Loan Agreement.** This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for; except that on and after payment in full of the Governmental Lender Note, this Funding Loan Agreement shall be terminated, without further action by the parties hereto.

**Section 12.6. Invalidity, Illegality or Unenforceability of Provisions.** If any provision of this Funding Loan Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired. In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Note or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

**Section 12.7. Execution in Several Counterparts.** This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

**Section 12.9. Electronic Transactions.** The transactions described in this Funding Loan Agreement may be conducted and related documents and may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

**Section 12.10. Nondiscrimination and Affirmative Action.** The Fiscal Agent shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles, California

(the “City”). Fiscal Agent shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person’s race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. NEITHER THE MEMBERS OF THE CITY COUNCIL OF THE OBLIGOR NOR ANY PERSONS EXECUTING THIS GOVERNMENTAL LENDER NOTE SHALL BE LIABLE PERSONALLY ON THIS NOTE BY REASON OF THE ISSUANCE HEREOF.**

**THIS GOVERNMENTAL LENDER NOTE HAS BEEN ISSUED PURSUANT TO THE LAW AND IN ACCORDANCE WITH THE ACT.**

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THIS GOVERNMENTAL LENDER NOTE, OR FOR ANY CLAIM BASED ON THIS GOVERNMENTAL LENDER NOTE, OR OTHERWISE IN RESPECT OF THIS GOVERNMENTAL LENDER NOTE, OR BASED ON OR IN RESPECT OF THE FUNDING LOAN AGREEMENT OR ANY SUPPLEMENT THERETO, AGAINST ANY MEMBER, OFFICER, EMPLOYEE, ATTORNEY OR AGENT, AS SUCH, OF THE OBLIGOR OR ANY SUCCESSOR, WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THIS GOVERNMENTAL LENDER NOTE AND AS PART OF THE CONSIDERATION FOR THE ISSUE OF THIS GOVERNMENTAL LENDER NOTE, EXPRESSLY WAIVED AND RELEASED.**

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or under the Funding Loan Agreement at

a rate in excess of the Maximum Rate; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

The rights and remedies of the Holder hereof during the occurrence of a default are as set forth in the Funding Loan Agreement. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Subject to the limits on liability set forth herein and in the Funding Loan Agreement, and solely from the collateral pledged therefor, Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement.

The transfer of this Governmental Lender Note is subject to certain restrictions as provided in the Funding Loan Agreement and described below and to registration by the holder in person or by the holder's attorney hereof upon surrender of this Governmental Lender Note at the principal corporate trust office of the Fiscal Agent, duly endorsed or accompanied by a written instrument or instruments of transfer in form satisfactory to the Fiscal Agent and executed and with guaranty of signature by the holder hereof or his, her or its attorney duly authorized in writing, containing written instructions as to the details of the registration of the transfer of this Governmental Lender Note. Thereupon the Obligor shall execute (if necessary) and the Fiscal Agent shall authenticate and deliver in the name of the transferee or transferees (but not registered in blank or to "bearer" or a similar designation), a new Governmental Lender Note.

**BY ITS ACQUISITION HEREOF, THE HOLDER OF THIS GOVERNMENTAL LENDER NOTE AGREES (A) THAT IT HAS EXECUTED REQUIRED TRANSFEREE REPRESENTATIONS IN SUBSTANTIALLY THE FORM REQUIRED BY THE FUNDING LOAN AGREEMENT AND THAT IT WILL NOT SELL OR OTHERWISE TRANSFER THIS GOVERNMENTAL LENDER NOTE EXCEPT AS PROVIDED IN THE FUNDING LOAN AGREEMENT, AND (B) THAT IT WILL GIVE TO EACH PERSON TO WHOM THIS GOVERNMENTAL LENDER NOTE IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.**

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note or caused this Governmental Lender Note to be duly executed and delivered by its authorized representative as of the date first set forth above.

[\$6,400,000]

City of Los Angeles  
Multifamily Mortgage Revenue Note  
(Casa Carmen Senior Apartments)  
Series 2017A

June [ ], 2017

The undersigned as holder (the "Holder") of the Loan in the Maximum Amount of \$[6,400,000] from CITIBANK, N.A.(the "Funding Lender") to the CITY OF LOS ANGELES (the "Governmental Lender") under a Funding Loan Agreement dated as of June 1, 2017 (the "Funding Loan Agreement") among the Funding Lender, U.S. BANK NATIONAL ASSOCIATION, as fiscal agent (the "Fiscal Agent") and the Governmental Lender (the "Funding Loan") which Funding Loan is evidenced by that Governmental Lender Note issued under the Funding Loan Agreement, hereby represents to the Governmental Lender and Fiscal Agent that:

1. The Holder has sufficient knowledge and experience in financial and business matters with respect to the evaluation of residential real estate developments such as the Project to be able to evaluate the risk and merits of the investment represented by the Funding Loan. We are able to bear the economic risks of such investment.

2. The Holder acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable lender would attach significance in making investment decisions, and the Holder has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Governmental Lender, the Project, the Borrower, the use of proceeds of the Funding Loan and the Funding Loan, the Governmental Lender Note and the security therefor so that, as a reasonable investor, the Holder has been able to make its decision to extend the Funding Loan and purchase the Governmental Lender Note. In entering into this transaction the Holder acknowledges that it has not relied upon any representations or opinions of the Governmental Lender relating to the legal consequences to the Funding Lender or other aspects of its making the Funding Loan and acquiring the Governmental Lender Note, nor has it looked to, nor expected the Governmental Lender to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project (including the financing or management thereof), or any other matter pertaining to the merits or risks of the transactions contemplated by the Funding Loan Agreement and the Borrower Loan Agreement, or the adequacy of the funds pledged to the Funding Lender to secure repayment of the Governmental Lender Note.

3. The Holder is an Approved Transferee.

4. The Holder acknowledges that it is purchasing the Governmental Lender Note for investment for its own account and not with a present view toward resale or the distribution thereof, in that it does not now intend to resell or otherwise dispose of all or any part of its interests in the Governmental Lender Note; provided, however, that the Holder may sell or transfer the Governmental Lender Note in whole or any participation interests in the Governmental Lender Note, to an Approved Transferee, subject to delivery to the Governmental Lender and the Fiscal Agent of representations from the transferee in substantially the same substance as these Required Transferee Representations with no revisions except as may be approved in writing by the Governmental Lender. The Holder shall not sell or transfer the Governmental Lender Note or any interest therein to a party related to or affiliated with the Borrower or any general partner, limited partner or member of the Borrower without the prior written consent of the Governmental Lender.

5. The Holder understands that the Governmental Lender Note is a limited obligation of the Governmental Lender, payable solely from funds and moneys pledged and assigned under the Funding Loan Agreement, and that the liabilities and obligations of the Governmental Lender with respect to the Governmental Lender Note are expressly limited as set forth in the Funding Loan Agreement and related documents.

6. The Holder hereby waives the requirement of any “due diligence investigation or inquiry” by the Governmental Lender, by each employee of the Governmental Lender, by each member of the City Council of the Governmental Lender, and by counsel to the Governmental Lender, the Fiscal Agent, counsel to the Fiscal Agent and Tax Counsel in connection with the authorization, execution and delivery of the Governmental Lender Note and the Holder’s purchase of the Governmental Lender Note, other than, in the case of counsel, such professional due diligence normally and customarily required for such counsel to deliver any opinion delivered by it in connection with the issuance of the Governmental Lender Note. The Holder recognizes and agrees that the Governmental Lender, each employee of the Governmental Lender, each member of the City Council of the Governmental Lender, counsel to the Governmental Lender, the Fiscal Agent, counsel to the Fiscal Agent and Tax Counsel have made no representations or statements (expressed or implied) with respect to the accuracy or completeness of any of the materials reviewed by the Holder in connection with the Holder’s purchase of the Governmental Lender Note. In making an investment decision, the Holder is relying upon its own examination of the Governmental Lender, the Borrower, the Project and the terms of the Governmental Lender Note.

7. The Holder understands that (a) the Governmental Lender Note has not been registered with any federal or state securities agency or commission, and (b) no credit rating has been sought or obtained with respect to the Governmental Lender Note, and the Holder acknowledges that the Governmental Lender Note is a speculative investment and that there is a high degree of risk in such investment.

8. The Holder acknowledges that the Governmental Lender Note is a limited obligation of the Governmental Lender, payable solely from amounts provided by or at the direction of the Borrower, and is not an obligation payable from the general revenues or other funds of the Governmental Lender, the State of California or any other political subdivision of the State of California. The Holder acknowledges that the Governmental Lender is issuing the

Governmental Lender Note on a conduit, nonrecourse basis, and has no continuing obligations with respect thereto except as expressly set forth in the Funding Loan Agreement.

9. The Holder agrees to indemnify and hold harmless the Governmental Lender, its officers, employees and agents and the members of the governing board of the Governmental Lender, past, present and future, with respect to any claim asserted against any of them that is based upon the Holder's sale, transfer or other disposition of its interest in the Funding Loan in violation of the provisions hereof or of the Funding Loan Agreement or any inaccuracy in any statement made by the Holder in these representations.

10. Capitalized terms used herein and not otherwise defined have the meanings given such terms in the Funding Loan Agreement.

**WITNESSETH:**

WHEREAS, pursuant to Section 248 of the City Charter of the City and Article 6.3 of Chapter 1 of Division 11 of the Los Angeles Administrative Code, as amended (collectively, the “Law”), and in accordance with Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the Health and Safety Code of the State of California, as amended (the “Act”), the City is empowered to issue notes and other evidence of indebtedness to finance the acquisition, construction and equipping of multifamily rental housing; and

WHEREAS, on May 20, 2016, the City indicated its intent to provide for the issuance of a revenue bond or note to finance a portion of the acquisition, construction and equipping of Casa Carmen Senior Apartments, a multifamily residential rental housing project for seniors located in the City of Los Angeles at 1800 West 11<sup>th</sup> Street on the site more particularly described in Exhibit A hereto (the “Project”) and the City Council of the City subsequently adopted a resolution (the “Resolution”) authorizing the issuance of a note for such purpose; and

WHEREAS, in furtherance of the purposes of the Law, the Act and the Resolution, and as a part of the City’s program of financing housing, the City has issued \$[6,400,000] maximum aggregate principal amount of its Multifamily Mortgage Revenue Note (Casa Carmen Senior Apartments) Series 2017A (the “Note”) the proceeds of which will be used to fund a loan (the “Loan”) to the Borrower to finance a portion of the acquisition, construction and equipping of the Project; and

WHEREAS, in order for interest on the Note to be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the “Code”), and the below-defined Regulations and rulings with respect to the Code, and in order to comply with the Law, the Act and the policies with respect to the City’s housing program, the use and operation of the Project must be restricted in certain respects; and

WHEREAS, the City, the Fiscal Agent and the Borrower have determined to enter into this Regulatory Agreement in order to set forth certain terms and conditions relating to the acquisition, rehabilitation and equipping of the Project and in order to ensure that the Project will

be used and operated in accordance with the Code, the Law, the Act and the additional requirements of the City and the California Debt Limit Allocation Committee (“CDLAC”);

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the City, the Fiscal Agent and the Borrower hereby agree as follows:

**Section 1. Definitions and Interpretation.** Terms not otherwise defined herein shall have the meanings assigned thereto in the Funding Loan Agreement or Loan Agreement, as applicable. The following terms shall have the respective meanings assigned to them in this Section 1 unless the context in which they are used clearly requires otherwise:

“*Area*” means the Los Angeles Primary Metropolitan Statistical Area.

“*Authorized Borrower Representative*” means any person who, at any time and from time to time, may be designated as the Borrower’s authorized representative by written certificate furnished to the City and the Fiscal Agent containing the specimen signature of such person and signed on behalf of the Borrower by or on behalf of any authorized general partner of the Borrower if the Borrower is a general or limited partnership, by any authorized managing member of the Borrower if the Borrower is a limited liability company, or by any authorized officer of the Borrower if the Borrower is a corporation, which certificate may designate an alternate or alternates, or in the event that such term shall refer to successors or assigns of the Borrower, any authorized general partner if the successor or the assignee is a general or limited partnership, any authorized managing member if the successor or assignee is a limited liability company or any authorized officer if the successor or the assignee is a corporation. The Fiscal Agent may conclusively presume that a person designated in a written certificate filed with it as an Authorized Borrower Representative is an Authorized Borrower Representative until such time as the Borrower files with it (with a copy to the City) a written certificate identifying a different person or persons to act in such capacity.

“*Bond Counsel*” means an attorney at law or firm of attorneys of nationally recognized standing in matters pertaining to the validity of, and the Tax-exempt nature of interest on, obligations issued by states and their political subdivisions, selected by the City and duly admitted to the practice of law before the highest court of any state of the United States of America or the District of Columbia but shall not include counsel for the Borrower or the Fiscal Agent.

Qualified Project Costs do not include Costs of Issuance. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations.

The CDLAC Conditions apply for a period which, in some cases, exceeds the Qualified Project Period.

In the case of an integrated operation contained in a building before its acquisition, such term includes rehabilitating existing equipment in such building or replacing it with equipment having substantially the same function. “Qualified Rehabilitation Expenditures” do not include any amount which is incurred after the date that is two years after the later of the date on which the building was acquired by the Borrower or the date on which the Note was issued. “Qualified Rehabilitation Expenditures” do not include any expenditure described in Section 47(c)(2)(B) of the Code. Unless the context clearly requires otherwise, as used in this Regulatory Agreement, words of the masculine, feminine or neuter gender shall be construed to include each other gender and words of the singular number shall be construed to include the plural number, and vice versa. This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section 1, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

In the event of any conflict between this Regulatory Agreement and the CDLAC Conditions, the most restrictive requirement shall govern.

**Section 2. Acquisition, Rehabilitation and Equipping of the Project.** The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Fiscal Agent as follows:

- (a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition and construction of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Note.

(b) The Borrower's reasonable expectations respecting the total cost of the acquisition and construction of the Project are accurately set forth in the Borrower Cost Certificate (the "Borrower Cost Certificate") submitted to the City on the Closing Date.

(c) The Borrower has acquired the Project Site and will, within six months following the Note Closing Date, commence the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related parties" as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition and construction of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Note proceeds pursuant to the Funding Loan Agreement and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Note proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Fiscal Agent with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Note will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Loan expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Note will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Note proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any "related person" (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The

Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) [Reserved].

(h) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Note to be applied in a manner contrary to the Funding Loan Agreement, the Loan Agreement, the Law, the Act or the Code.

(i) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Fiscal Agent and the City, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist.

(j) The foregoing certificate evidencing the Completion Date shall be delivered to the Fiscal Agent no later than the date 30 months from the Closing Date unless the Borrower delivers to the Fiscal Agent a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Note being included in gross income for federal income tax purposes. The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Note proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Note proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any "related person" (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of Note proceeds expended on such Qualified Project Costs are at least 97% of the amount of Note proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Fiscal Agent and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(k) No Note proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

**Section 3. Residential Rental Property.** The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a "qualified residential rental project" (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified

Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units are

required to be leased or rented to Low Income Tenants and persons 62 years of age and older, (2) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law; and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, and subject to the provisions of the Funding Loan Agreement and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

**Section 4. Low Income Tenants; Records and Reports.** Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the

Project from time to time. Within 30 days the date on which 10% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing and Community Investment Department, Occupancy Monitoring Section, 1200 West 7<sup>th</sup> Street, 8<sup>th</sup> Floor, Los Angeles, CA 90017), and the Fiscal Agent a certificate identifying such dates. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certificate, the Borrower shall execute and deliver to the City (with a copy to the Fiscal Agent) and to CDLAC a Certificate of Qualified Project Period. The Borrower shall use its best efforts to record a copy of such certificates in the Office of the County Recorder of the County of Los Angeles, California.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this paragraph (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the [40]% requirement of paragraph (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification or other certification delivered in connection with a governmental housing subsidy program dated no later than the day prior to the initial occupancy in the Project of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification or other certification delivered in connection with a governmental housing subsidy program. The Borrower will obtain such additional information as may be required in the future by the State of California, by

the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each [ ] and [ ] until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Fiscal Agent, no later than the fifteenth day of each month following the receipt by the Fiscal Agent of the Construction Completion Certificate to and including the month in which such report indicates that [40]% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each [ ] and [ ] until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to paragraph (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project

Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 24 units plus 1 manager unit of which at least 24 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 50% of the area median income.

**Section 5. Tax-exempt Status of the Note.** The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Note from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Note and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Note becomes taxable to a person solely because such person is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Fiscal Agent, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the

City and the Fiscal Agent, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Note being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee’s compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Note in an amount related to the amount of the Loan.

**Section 6. Additional Requirements of the Act.** In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than [40]% of the total number of units in the Project (excluding units occupied by property managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed [60]% of the median adjusted gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times [60]% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5

and the Borrower shall provide to the California Debt and Investment Advisory Commission the annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Note shall be used to finance the acquisition, construction, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the United States Housing Act of 1937, as amended, that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Note, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

**Section 7. Additional Requirements of the City.** In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Note as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age (except restrictions upon occupancy of units to tenants aged 62 years of age and older), sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for

information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction or rehabilitation work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages ("Prevailing Wages") as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis-Bacon Act under 40 U.S.C.S. 3141-3148 and implementing regulations ("Davis-Bacon Wages"), if applicable; and (iii) the "Living Wage" as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City's prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable HCIDLA-approved program. The fee for the LCP Tracker, or comparable HCIDLA-approved program, will be in the amount equal to 0.03% of the total rehabilitation and construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such

appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to Low Income Tenants at the following four points in time:

(i) Upon initial move-in/lease execution, Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be for a term equal to the later of the expiration of: (a) the Qualified Project Period; or (b) the CDLAC Conditions. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at a market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(iii) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(iv) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must again give written notice to its

tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels.

Unless Borrower meets the requirements of California Government Code 65863.13, pursuant to California Government Code 65863.11, prior or concurrent with the twelve month notice referenced above in (ii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly. The notice shall conform to the requirements of California Government Code 65863.11(h) and shall be sent to the entities by registered or certified, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Note Closing Date, pay to the City its initial fee and thereafter pay to the City its ongoing fees with respect to the issuance of the Note as follows. The Borrower shall pay the City an initial fee immediately upon issuance of the Note equal to \$[16,000] (.25% of the aggregate maximum principal amount of the Note issuable under the Funding Loan Agreement (\$[6,400,000])). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each June and December commencing December 1, 2017 for the period from the date of issuance of the Note through the later of: (i) the end of the Qualified Project Period; or (ii) termination of the CDLAC Conditions, prorated for the initial and any subsequent partial period, a semiannual amount equal to the greater of: \$1,250 or one-half of 0.125% of the maximum principal amount of Note issuable under the Funding Loan Agreement (\$[6,400,000]); or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes. Throughout the term of this Agreement, the Fiscal Agent, or the City, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the City) and shall collect such payments from the Borrower and immediately remit such funds to the City. In the event of any prepayment of the Note in whole, prior to the later of: (i) the end of the Qualified Project Period or (ii) the termination of the CDLAC Conditions, the Borrower, at its election, shall either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the later of (1) the end of the Qualified Project Period or (2) the termination of the CDLAC Conditions, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes; or (B) enter into a fiscal agent agreement with a corporate trustee acceptable to the City requiring the fiscal agent appointed thereunder to bill and collect from the Borrower and to pay the City on an annual basis, in arrears on or before each June 1, the annual fee described above. The Borrower shall bear the cost of such fiscal agent through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding

sentence if the Note is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to: the greater of \$5,000 or 0.125% of the maximum principal amount of the Note issuable under the Funding Loan Agreement; plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Note. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Fiscal Agent shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Note outstanding as of such June 30 or December 31, as appropriate.

(r) The Borrower shall promptly provide the City such information with respect to the Project or the Note as the City shall from time to time request.

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an "Owner/Developer"); (ii) any Immediate Family Member of an Owner/Developer ("Immediate Family Members" consists of: (A) spouses; (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant other or domestic partner); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Note or other loan in support of the Project, unless such person otherwise qualifies for tenancy under this Agreement and such tenancy is approved in writing by the City.

The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Note or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(u) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the City as the source of the financing provided for

the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Note for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Note to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

**Section 8. Modification of Covenants.** The Borrower, the Fiscal Agent and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Note, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Fiscal Agent and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Note. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Fiscal Agent shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Fiscal Agent as

its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Fiscal Agent shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the City.

**Section 9. Indemnification.** The Borrower shall defend, indemnify and hold harmless the City and the Fiscal Agent and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, rehabilitation, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Note made or given to the City or the Fiscal Agent, or any underwriters or purchaser of the Note, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Note or the tax-exempt status of interest on the Note or (d) the failure or alleged failure of any person or entity (including Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the rehabilitation or construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Fiscal Agent, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Fiscal Agent from (i) any lien or charge upon payments by the Borrower to the City and the Fiscal Agent hereunder or under the Note Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Fiscal Agent shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Fiscal Agent shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the

Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Note or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Note or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, or (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Fiscal Agent shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Fiscal Agent's own income and operations.

**Section 10. Consideration.** The City has issued the Note to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire and construct the Project. In consideration of the issuance of the Note by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

**Section 11. Reliance.** The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Note and in the exemption from federal income taxation and California personal income taxation of the interest on the Note. In performing their duties and obligations hereunder, the City and the Fiscal Agent may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Fiscal Agent may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Fiscal Agent may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Fiscal Agent by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

**Section 12. Project in the City of Los Angeles.** The Borrower hereby represents and warrants that the Project is located entirely within the City.

**Section 13. Sale or Transfer of the Project; Equity Interests.** The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and the Fiscal Agent shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the

obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Note, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a “bring-down” certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Fiscal Agent’s acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of Borrower’s limited partner shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the limited partners of Borrower, without the consent of the City and/or Fiscal Agent but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project. In addition to the above requirements, the Borrower shall obtain the consent of CDLAC to any transfer of the Project in the manner and to the extent as may at the time be required by CDLAC.

**Section 14. Term.** This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to CDLAC Resolution No. 16-162, which imposes restrictions for a

term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Note, discharge of the Loan and termination of the Funding Loan Agreement and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Fiscal Agent, survive the term of this Regulatory Agreement or the replacement of the Fiscal Agent, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Fiscal Agent's tenure as Fiscal Agent under the Funding Loan Agreement, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Fiscal Agent from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Note attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Fiscal Agent to the effect that the exclusion from gross income for federal income tax purposes of interest on the Note will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any "related party" (within the meaning of Section 1.150-1(b) of the Regulations) or "related person" (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

**Section 15. Covenants To Run With the Land.** The Borrower hereby subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Fiscal Agent, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement

from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

**Section 16. Burden and Benefit.** The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

**Section 17. Uniformity; Common Plan.** The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

**Section 18. Default; Enforcement.** If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Note. The Fiscal Agent hereby consents to any correction of the default by the City on behalf of the Borrower. The City hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower's limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to Borrower's limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Fiscal Agent, as directed by the City and subject to the provisions of the Funding Loan Agreement relative to the Fiscal Agent's duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants

hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Fiscal Agent hereunder;

(b) have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project; and

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower's default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to [40]% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Fiscal Agent has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Fiscal Agent or the City, of compliance with the requirements of Section 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Fiscal Agent for credit against payments due under the Loan Agreement. The Fiscal Agent shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Funding Loan Agreement, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Fiscal Agent shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Fiscal Agent incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Funding Loan Agreement has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only

means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

**Section 19. The Fiscal Agent.** The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement. The Fiscal Agent is entering into this Regulatory Agreement solely in its capacity as fiscal agent under the Funding Loan Agreement, and the duties, powers, rights and liabilities of the Fiscal Agent in acting hereunder shall be subject to the provisions of the Funding Loan Agreement.

The City shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Fiscal Agent may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Note remains outstanding as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the City.

**Section 20. Recording and Filing.** The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City or the Fiscal Agent may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the City as grantee.

**Section 21. Governing Law.** This Regulatory Agreement shall be governed by the laws of the State of California. The Fiscal Agent's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Funding Loan Agreement.

**Section 22. Amendments.** Except as provided in Section 33(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the City of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Note and is not contrary to the provisions of the Law or the Act and with the written consent of the Fiscal Agent.

The City, the Fiscal Agent and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the City), in order that interest on the Note remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of the City and a request that such Bond Counsel render to the City an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Note.

**Section 25. Multiple Counterparts.** This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

**Section 26. Nondiscrimination and Affirmative Action.** The Fiscal Agent and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. The Fiscal Agent and the Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Fiscal Agent and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Fiscal Agent and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Fiscal Agent and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and Fiscal Agent shall also comply with all rules, regulations, and policies of the City of Los Angeles' Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower or Fiscal Agent relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

**Section 27. Business Tax Registration Certificate.** Subject to any exemption available to it, the Fiscal Agent and Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, the Fiscal Agent and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

**Section 28. Financial Obligations Personal to Borrower.** The City acknowledges that the Project shall be encumbered by this Regulatory Agreement. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this

Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an “owner” hereunder during its period of ownership.

**Section 29. [Reserved].**

**Section 30. Child Support Assignment Orders.** This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, each of the Borrower and the Fiscal Agent certifies that it will (a) fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (b) that the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) maintain such compliance throughout the term of this Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Fiscal Agent to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Fiscal Agent to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Fiscal Agent to termination under the Funding Loan Agreement where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Fiscal Agent by the City. Any subcontract entered into by the Borrower or the Fiscal Agent relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Fiscal Agent to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Fiscal Agent to termination under the Funding Loan Agreement where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Fiscal Agent by the City.

The Borrower and the Fiscal Agent shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the Fiscal Agent each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New

Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of the Public Contract Code Section 7110.

**Section 31. Americans with Disabilities Act.** The Borrower and the Fiscal Agent each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Requirements (as defined in Exhibit I). The Borrower, the Fiscal Agent and each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Fiscal Agent, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

**Section 32. Slavery Disclosure Ordinance.** This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 of the Los Angeles Administrative Code, as it may be amended from time to time. The Borrower hereby agrees to execute and deliver a certificate in the form attached hereto as Exhibit H (or such other form as is required by the City) certifying that it has complied with the applicable provisions of this Ordinance. The Borrower acknowledges that failure to fully and accurately complete the affidavit may result in a default under this Regulatory Agreement.

**Section 33. Requirements of CDLAC.** In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to CDLAC Resolution No. 16-162, adopted on October 19, 2016 (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and is attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least 50% of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Note, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Funding Loan Agreement, the Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

effect that compliance with any such requirement would cause interest on the Note to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third-party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Fiscal Agent or to cause the City or the Fiscal Agent to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Noteholder and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date. Upon receipt thereof, the Borrower shall record or cause to be recorded such CDLAC Conditions, by a written instrument executed by the parties hereto or their successors in title, in the real property records of the County of Los Angeles, California and pay any expenses in connection therewith.

All terms used herein and not otherwise defined shall have the meanings set forth in the Regulatory Agreement.

**Section 2. Requirements of the City.** The Borrower represents, warrants, covenants and agrees as follows:

(a) Accessible Housing Units. The Housing Development shall be constructed in accordance with the 2010 ADA Standards to ensure accessibility for persons with disabilities. Accessibility retrofit of the development shall take place concurrently with Project rehabilitation. The following types of Accessible Housing Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the unit.

(i) At least 10% of the total Housing Units in the Housing Development shall be constructed or rehabilitated and maintained by the Borrower as Housing Units with Mobility Features.

(ii) At least 4% of the total Housing Units in the Housing Development shall be constructed or rehabilitated and maintained by the Borrower as Housing Units with Hearing/Vision Features.

(iii) In determining the number of units any fractions of units shall be rounded up to the next whole number.

(iv) The Accessible Housing Units shall, to the maximum extent feasible, be geographically distributed and dispersed in terms of location within the Housing Development, and shall be provided in a range of unit sizes and types.

(v) The Project shall comply with HCIDLA Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and Accessibility Report Requirements.

(vi) Following reasonable notice to Borrower, Borrower shall allow the City to conduct annual on-site inspections of the Housing Development and the Housing Units in order to verify compliance with the Accessibility Standards.

(b) The Housing Development as a whole and all Housing Units shall meet the requirements of the FHA as defined above.

**Section 3. Occupancy of Accessible Units.** Borrower shall use suitable means to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities, and will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit. To this end, Borrower will take the following steps when an Accessible Unit becomes vacant:

(a) First, Borrower will offer the unit to a current occupant of the Housing Development who has requested and needs the features of an Accessible Unit;

(b) Second, Borrower will offer the unit to a current occupant of a Housing Development under common control who has requested and needs the features of an Accessible Unit;

(c) Third, Borrower will offer the unit to an eligible, qualified applicant on the accessible waiting list who needs the features of an Accessible Unit;

(d) Fourth, Borrower will make reasonable efforts to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.Housing.LACity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from HCID of organizations that serve people with disabilities, and sending an e-blast to parties on the [Housing.LACity.org](http://www.Housing.LACity.org) website Outreach List.

In the event that more than one household has requested an Accessible Unit, Borrower will offer the Unit to households in order on the Waiting Lists within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then Borrower will offer the unit to the next household on the conventional unit waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a Lease Addendum in the form approved by HCIDLA. The Lease Addendum requires the household to move to the next available, comparable, conventional unit, when given legal notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, Borrower will pay the costs of transferring to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

**Section 4. Rental Policies.** The Borrower shall adopt rental policies that meet the requirements of the ADA, other federal regulations as applicable, and the Fair Housing Policy in Regard to Disability of the City, as amended. To that end, Borrower shall adopt the HUD approved rental occupancy policies provided by the City. Borrower shall develop and utilize a PMP approved by the City which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the fair housing requirements for individuals with disabilities. Within 90 days of bond issuance, the Housing Development must have an approved PMP.

Rental applications will include a section to be filled out by applicants requesting an accommodation. Applicants will not be required to disclose a disability under any circumstances unless requesting reasonable accommodation or modification and that disclosure shall be limited to only what is necessary to establish the need for the requested accommodation or modification. Outreach efforts to the disability community shall include, but not limited to, notices and other communications describing the availability of such units, specific information regarding the features of accessible units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the HCIDLA Fair Housing Policy in Regard to Disability, dated July 28, 2014, as amended over time.

**Section 5. Residential Rental Property.** The Borrower hereby represents, covenants, warrants and agrees as follows:

(a) All of the dwelling units in the Project will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single-room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(b) All of the dwelling units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that for the following: (1) any dwelling units are required to be leased or rented to low income tenants and persons 62 years of age and older; (2) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City); (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project; (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law; and (5) Accessible Housing Units shall be made available to persons with disabilities as provided herein.

**Section 6. Monitoring Requirements.** HCIDLA will monitor the initial production and ongoing occupancy of the Accessible Housing Units and the Accessible Housing Development by applying the updated ADAAG to ensure full compliance with the Accessibility Requirements. In order to determine compliance with the Accessibility Requirements, Borrower shall submit and HCIDLA shall review and approve a Certified Access Specialist (“CASp”) Inspection Report of the housing development that identifies the necessary and required design elements to make the units and site accessible for individuals with disabilities. HCIDLA shall inspect the construction/rehabilitation to verify production of the correct number of Accessible Housing Units and appropriate site improvements, in compliance with Section 2 and supported by an independent CASp consultant’s report.

From the date of this Agreement through the term of the Regulatory Agreement as set forth in Section 8, HCIDLA will utilize the Housing Development’s City approved Property Management Plan and Fair Housing Policy in Regard to Disability, to monitor ongoing occupancy compliance of the Accessible Housing Units and nondiscrimination in regards to individuals with disabilities. Compliance with the Accessibility Requirements shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Housing Units, reasonable accommodations and modifications, a service animal policy, policy for re-leasing empty Accessible Housing Units and all elements contained in the Fair Housing Policy in Regard to Disability dated July 28, 2014, as amended over time.

**Section 7. Notices, Demands, Payments and Communication.** Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally to the principal office of the City as follows:

**Section 8. Term of the ADA Covenants.** The covenants contained in this Exhibit shall become effective upon the issuance of the Note and shall terminate at the end of the CDLAC Conditions set forth in the California Debt Limit Allocation Committee Resolution for the Project, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Note.

**Section 9. Covenant To Run With the Land.** The Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

**Section 10. Default; Enforcement.** As part of ensuring compliance with the Accessibility Requirements, the City or its agent, will conduct annual on-site visits inspecting the Housing Development, which inspection may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply with the Accessibility Requirements, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of compliance, and providing a date by which the Borrower must comply. The Order to Comply shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is taking steps to correct the violation ("Compliance Date"), and diligently pursues such action until the default is corrected, which extension is in the City's sole discretion. The City shall reinspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension; however, failure to inspect or reinspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, the City may take any one or more of the following steps:

(a) **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice will result in a late charge equal to two times the fee and a collection fee equal to 50% of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of HCIDLA. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with HCIDLA within 10 calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within 10 calendar days of the filing of the appeal. A copy

of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. The HCIDLA may waive the penalty imposed pursuant to this section if HCIDLA determines that good cause exists for the Borrower's failure to pay in a timely manner.

(b) By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;

(c) Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project; and

(d) Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

**Section 11. Americans with Disabilities Act.** The Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Requirements. The Borrower and any contractor and subcontractor will provide reasonable accommodations upon request to ensure equal access and effective communication to all its programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAA, the ADAAG, Section 504, the UFAS, the FHA and all subsequent amendments. The Borrower and any contractor and subcontractor will not discriminate in the provision of its programs, services and activities against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

**Section 12. Parties Bound.** The provisions of this Agreement shall be binding upon and inure to the benefit of the City and Borrower and their respective successors and assigns.
