I would like to submit a written comment to the council regarding Council File No. 16-0209.

I live with in the 500 ft zone regarding this alcohol license change. I received the notifications required to be sent.

I would like to inform the council that attempts to contact Terri Dickerhoff and CGR Development by residents were ignored.

Specifically two emails, and two voice messages went unanswered by Terri Dickerhoff and CGR Development, after Ms. Dickerhoff promised to address residents' concerns at a Neighborhood Council Meeting.

Please remind Terri Dickerhoff that part of informing residents of a license change includes addressing any concerns neighboring properties may have.

I submit these comments as a resident, not as a member of the Neighborhood Council.
