Dear Ms Dickinson and Chen:

PLEASE FORWARD THIS EMAIL TO COUNCIL-MEMBERS:**Huizar****Harris-Dawson****Cedillo, Englander****Price Jr**

I live in the proposed Sunset Square HPOZ on the WEST side of FAIRFAX which has recently come into spotlight because of investors opposing the inclusion of these properties.

It has come to my attention that the investor has used IMPOSTERS (people who claim but do not actually live in the area) to voice objection at the last PLUM meeting at the city hall on 1/18/2017 and plan to bring out more of these imposters to the next meeting on Tuesday 1/31/2017. I am worried that these voices will overshadow a whole community who overwhelmingly has supported and continues to support this valiant effort to preserve the best of Los Angeles heritage. I am requesting that they are asked to somehow show proof of residency within proposed HPOZ.

I am grateful for your consideration.
