RE: Notification of Application and Request for Authority to Accept the Office on Violence Against Women (OVW) Fiscal Year 2015 Sexual Assault Justice Initiative Grant Award

Dear Honorable Members:

Pursuant to Section 14.6 of the Los Angeles Administrative Code, the Mayor's Office of Public Safety is notifying the City Council of the submission of a competitive grant application for the FY 2015 Sexual Assault Justice Initiative. The Department of Justice, Office of Violence Against Women (OVW) issued an RFP for the FY 2015 Sexual Assault Justice Initiative on September 1, 2015. An application (Attachment 1) on behalf of the City of Los Angeles was submitted on October 13, 2015. On January 7, 2016 the City of Los Angeles received the award letter (Attachment 2).

Transmitted herewith for consideration by the City Council is a request to accept \$400,000 in grant funds and expend the grant award in accordance with the approved budget. The performance is January 1, 2016 to December 31, 2017. There is no match requirement associated with the OVW FY 2015 Sexual Assault Justice Initiative grant.

Background

The Sexual Assault Justice Initiative (SAJI) program is authorized by 42 U.S.C. §3796hh, et seq. SAJI is intended to support enhanced community responses to sexual violence with an emphasis on prosecution. This initiative involves the development and implementation of performance measures that look beyond just conviction rates and reflect promising practices for prosecuting sexual assault.

Project Description

Los Angeles handles thousands of calls related to sexual assault each year. To address this public safety issue, the City of Los Angeles will develop a multidisciplinary approach to victim-centered sexual assault best practices. Team PROTECT (Promising Resources & Organizations to Enhance Cases and Trials) represents a collaborative effort and partnership between the Los Angeles Police Department (LAPD), the Los Angeles City Attorney's Office, the Mayor's Office of Public Safety (MOPS), and the Santa Monica-UCLA Rape Treatment Center, a non-profit service provider.

Team PROTECT will serve to strengthen Los Angeles' justice system response to sexual violence and to enhance collaborations among sexual assault victim services providers through the addition of a new vertical prosecutor and city-wide systems, policies, and trainings to improve victim-centered approaches.

Deputy Mayor Jeff Gorell
City of Los Angeles
200 N. Spring Street, Room 303
Los Angeles, CA 90012-4812

Dear Deputy Mayor Gorell:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <http://ojp.gov/about/ocr/vawafaqs.htm>.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

Ensuring Equal Treatment for Faith-Based Organizations

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, requires State Administering Agencies (SAAs) to treat faith-based organizations the same as any other applicant or recipient. The regulation prohibits SAAs from making awards or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOPs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

Meeting the EEOP Requirement

If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to the OCR for review within sixty days from the date of this letter. For assistance in developing a Utilization Report, please consult the OCR's website at <http://www.ojp.usdoj.gov/about/ocr/eeop.htm>. In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available at <http://www.ojp.usdoj.gov/about/ocr/pdfs/cert.pdf>.

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see http://www.ojp.usdoj.gov/funding/other_requirements.htm.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston

6. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient --

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized to make subawards or contracts under this award --

a. it represents that --

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

7. Recipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OVW.

10. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

22. The recipient understands and agrees that grant funds may be frozen if the recipient does not respond in a timely fashion to requests to address Office of the Inspector General audit findings and financial or programmatic monitoring findings.
23. Grant funds may be used only for the purposes in the recipient's approved application. The recipient shall not undertake any work or activities that are not described in the grant application, and that use staff, equipment, or other goods or services paid for with OVW grant funds, without prior written approval from OVW.
24. The Director of OVW, upon a finding that there has been substantial failure by the recipient to comply with applicable laws, regulations, and/or the terms and conditions of the award or relevant solicitation, will terminate or suspend until the Director is satisfied that there is no longer such failure, all or part of the award, in accordance with the provisions of 28 CFR Part 18, as applicable mutatis mutandis.

SPECIAL CONDITIONS

28. Under the Government Performance and Results Act (GPRA), VAWA 2000 and subsequent legislation, grantees are required to collect and maintain data that measure the effectiveness of their grant-funded activities. Accordingly, the grantee agrees to submit semi-annual electronic progress reports on program activities and program effectiveness measures. Grantees are required to collect the information that is included on the Measuring Effectiveness Progress Report for the OVW Program under which this award is funded.
29. A final report, which provides a summary of progress toward achieving the goals and objectives of the award, significant results, and any products developed under the award, is due 90 days after the end of the award. The Final Progress Report should be submitted to the Office on Violence Against Women through the Grants Management System with the Report Type indicated as "Final".
30. The recipient agrees that it will submit quarterly financial status reports to OVW on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
31. Funds allocated for OVW-sponsored technical assistance may not be used for any other purpose without prior approval by OVW. To request approval, grantees must submit a Program Office Approval Grant Adjustment Notice (GAN) via the Grants Management System (GMS). The grantee must include a copy of the event's brochure, curriculum and/or agenda, a description of the hosts or trainers, and an estimated breakdown of costs should be attached to the GAN. The GAN request must be submitted to OVW at least 20 days prior to registering for the event. Approval to attend non-OVW sponsored events will be considered on a case-by-case basis. This prior approval process also applies to requests for the use of OVW-designated technical assistance funds to pay a consultant or contractor not designated as an OVW technical assistance provider to develop and/or provide training and/or technical assistance.
32. The grantee agrees to attend and participate in OVW-sponsored technical assistance. Technical assistance includes, but is not limited to, national and regional conferences, audio conferences, webinars, peer-to peer consultations, and workshops conducted by OVW-designated technical assistance providers. All training will be coordinated by OVW-designated technical assistance providers.
33. First-time grantees, or continuation grantees if requested, must agree to have key staff members, as identified by OVW, attend the OVW grantee orientation seminar, which may be offered in-person, online, or a combination of both. Additionally, if there is a change in the project director/coordinator during the grant period, the grantee agrees, at the earliest opportunity, to send the new project director/coordinator, regardless of prior experience with this or any other federal award, to an OVW grantee orientation seminar or require completion of the orientation online, whichever is available.
34. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day or \$81.25 per hour. A detailed justification must be submitted to and approved by the Office on Violence Against Women prior to obligation or expenditure of such funds. Although prior approval is not required for consultant rates below these specified amounts, grantees are required to maintain documentation to support all daily or hourly rates.
35. The recipient agrees to submit one copy of all required reports and any other written materials or products that are funded under this project not less than twenty (20) days prior to public release for OVW review and approval. Prior review and approval of all such material is required if project funds are to be used to publish or distribute any written material developed under this award.

SPECIAL CONDITIONS

36. All materials and publications (written, visual, or sound) resulting from award activities shall contain the following statements: "This project was supported by Grant No. _____ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women."
37. The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.
38. The grantee agrees that grant funds will not support activities that compromise victim safety and recovery, such as: procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or sex of their children; pre-trial diversion programs not approved by OVW or the placement of offenders in such programs; mediation, couples counseling, family counseling or any other manner of joint victim-offender counseling; mandatory counseling for victims, penalizing victims who refuse to testify, or promoting procedures that would require victims to seek legal sanctions against their abusers (e.g., seek a protection order, file formal complaint); the placement of perpetrators in anger management programs; or any other activities outlined in the solicitation under which the approved application was submitted.
39. The grantee agrees to submit for OVW review and approval any anticipated addition of, removal of, or change in collaborating partner agencies or individuals who are signatories of the Memorandum of Understanding, and if applicable, the Internal Memorandum of Agreement.
40. Pursuant to 2 CFR §200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. The Office on Violence Against Women reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use the work, in whole or in part (including in the creation of derivative works), for Federal purposes, and to authorize others to do so.

The Office on Violence Against Women also reserves a royalty-free, nonexclusive and irrevocable right to reproduce publish or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a subrecipient of this award, for Federal purposes, and to authorize others to do so.

In addition, the recipient (or subrecipient, contractor or subcontractor) must obtain advance written approval from the Office on Violence Against Women program manager assigned to this award, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the recipient (and of each subrecipient, contractor or subcontractor as applicable) to ensure that this condition is included in any subaward, contract or subcontract under this award.

AWARD DATE 01/07/2016

SPECIAL CONDITIONS

41. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office on Violence Against Women web site at: <http://www.ovw.usdoj.gov/docs/ffata-award-term.pdf> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own and/or operate in his or her name).
42. The cost allowed for logistical conference planning (this is applicable regardless of whether the recipient is planning in-house or is contracting with an outside conference planner) is limited to \$50 for each attendee (costs of trainers, instructors, presenters and facilitators are to be included as attendees when calculating the planning threshold), not to exceed a cumulative total of \$8,750. For example, if the number of attendees at a conference is 100, the cost allowed for a logistical planner is \$5,000 (\$50 X 100 attendees). Indirect cost rates must be applied to conference planning costs in accordance with negotiated agreements and must be included when calculating the planning thresholds. If it is expected that the conference planning will meet these limitations, no further justification is required. If these limitations are expected to be exceeded, the recipient must justify the costs in writing and those costs must be approved by the Office on Violence Against Women before the recipient proceeds with the logistical planning.
43. The cost allowed for programmatic conference planning (this is applicable regardless of whether the recipient is planning in-house or is contracting with an outside programmatic conference planner) is limited to \$200 for each attendee (costs of trainers, instructors, presenters and facilitators are to be included as attendees when calculating the planning threshold) not to exceed a cumulative cost total of \$35,000. For example, if the number of attendees at the conference is 100, the cost allowed for a programmatic planner is \$20,000 (\$200 X 100 attendees). Indirect cost rates must be applied to conference planning costs in accordance with negotiated agreements and must be included when calculating the planning thresholds. If these limitations are met, no further justification or approval is required. If it is expected that these limitations will be exceeded, the costs must be justified in writing and approved by the Office on Violence Against Women before the recipient proceeds with the programmatic planning.
44. Recipients must limit the cost of conference space and audio-visual equipment to \$25 per day per attendee, not to exceed a total of \$20,000 for the conference. Indirect cost rates must be applied to conference space and audio-visual equipment costs in accordance with negotiated agreements, and must be included when calculating this threshold. If these limitations are going to be exceeded the recipient must submit a justification, in writing to the Office on Violence Against Women for approval before the recipient enters into any contract for the use of conference space and audio-visual equipment.
45. Trinkets (items such as hats, mugs, portfolios, t-shirts, coins, etc., regardless of whether they include the conference name or logo) must not be purchased with funds made available under this agreement. Basic supplies that are necessary for use during the conference (e.g., pens, paper, name tags) may be purchased.
46. Funds made available under this agreement may not be used for costs of entertainment, including amusement, diversion, social activities and any costs directly associated with such costs (such as tickets to shows or sports events, meals, lodging, rentals, transportation, and gratuities).

SPECIAL CONDITIONS

47. Subject to OVW prior approval, and under limited circumstances, OVW funds may be used to purchase food and/or beverages for meals served during a meeting, conference or training and under very specific circumstances, during refreshment breaks. Refreshment breaks will only be considered where there are unique and extenuating circumstances and require significant justification. OVW may approve the use of funds to purchase food and/or beverages served at a working meal if the recipient can justify that provision of the meal is necessary to accomplish official business and enhance the cost effectiveness of the conference. For example, a meal may be permissible where the conference would need to be extended if the working meal is not provided.

Furthermore, if a meal is approved by OVW, the cost of any individual meal, plus taxes and any hotel service costs (e.g., labor cost for room setup), must not exceed 150 percent of the General Services Administration (GSA) Meals and Incidental Expenses (M&IE) rate for that meal in that locality per attendee. OVW strongly encourages costs to stay at or below 100% of the applicable per diem rate for any meal provided, including any service costs. The current GSA M&IE rate breakdown by meal and by locality can be found at <http://www.gsa.gov/portal/content/101518>. This restriction does not impact direct payment of per diem amounts to individuals in a travel status under your organizations travel policy.

48. The recipient must complete and submit the Conference and Events Approval Form to OVW for review and approval prior to entering into any contract (with the exception of logistical or programmatic planning contracts) or expending any funds for any meeting, conference, training, or other event.
49. Within 30 days after the end of any conference, meeting, retreat, seminar, symposium, training activity, or similar event funded, in whole or in part, under this award, and the total cost of which exceeds \$20,000 in award funds, the recipient must provide the program manager with a completed Conference and Events Reporting Form found at <http://www.ovw.usdoj.gov/receive-grant.html>. (Note that the conference expenditures reported on this form should be all those that were paid with OVW funds; do not report those that were funded by another entity.)
50. Grant funds may not be used to directly address child abuse, or other family violence issues such as violence perpetrated by a child against a parent, or violence perpetrated by a sibling against another sibling. Grant funds also may not be used for caregiver abuse of elders and other vulnerable adults.

51. Pursuant to 42 USC 3796hh(d), the grantee understands that 5% of this award is being withheld and that it may not obligate, expend or drawdown that 5% unless, by the period ending on the date on which the next session of the State legislature ends, the State or unit of local government:

(1) certifies that it has a law, policy, or regulation that requires -

(A) the State or unit of local government at the request of a victim to administer to a defendant, against whom an information or indictment is presented for a crime in which by force or threat of force the perpetrator compels the victim to engage in sexual activity, testing for the immunodeficiency virus (HIV) not later than 48 hours after the date on which the information or indictment is presented and the defendant is in custody or has been served with the information or indictment;

(B) as soon as practicable notification to the victim, or parent and guardian of the victim, and defendant of the testing results; and

(C) follow-up tests for HIV as may be medically appropriate, and that as soon as practicable after each such test the results be made available in accordance with subparagraph (B).

The "next session of the State legislature" means the next session after the date on which the application for this award was submitted.

If the grantee submits a certification, a Grant Adjustment Notice (GAN) will be issued, and the funds will become available for drawdown. If, by the date on which the next session of the State legislature ends, the grantee is not in compliance with this provision, the withheld funds will be deobligated from the amount of funds awarded for this award period.

52. The grantee agrees that funds will not be used for prevention activities (e.g., outreach to elementary and secondary schools, implementation of educational programs regarding domestic and dating violence intervention, and public awareness campaigns). The grantee may use funds to provide outreach regarding the specific services offered under the grant.

53. TERMS OF COOPERATIVE AGREEMENT

The Office on Violence Against Women (OVW) has elected to enter into a Cooperative Agreement with the City of Los Angeles to participate in the Sexual Assault Justice Initiative (SAJI). SAJI is a special initiative that will develop performance measures for sexual assault prosecution that look beyond conviction rates and correspond to recommended practices for a victim-centered prosecutorial response. The decision to partner with the City of Los Angeles reflects a strong mutual interest in improving the justice system's response to sexual assault. Furthermore, OVW anticipates a significant level of federal involvement in planning and implementing this project.

STATEMENT OF FEDERAL INVOLVEMENT

The Office on Violence Against Women will:
