Item Number:

Summary: The Sylmar Neighborhood Council (SNC) strongly supports Council File #16-0298 initiated by the Rules, Elections, Intergovernmental Relations and Neighborhoods Committee. We request that the City identify available City assets for neighborhood councils to use.

We believe there is city space available in Sylmar that could be designated for our use immediately.

Therefore, the SNC requests that the City Council put this item on its earliest possible agenda, in order for the SNC to be provided office/committee space at the above address soonest.

Please move this item expeditiously through the process for the good of neighborhood councils and the stakeholders we serve.
