Summary: The East Hollywood Neighborhood Council after discussion supports CF 16-0454 premise "No corporation should profit from genocide denial, and the City of Los Angeles should not support genocide denial with the taxpayers' money. The City of Los Angeles should not support and enrich publications that provide a platform to denialist propaganda that is inflammatory, insensitive and offensive."

We recommend that CF 16-0454 be more forceful with the following:

1. "return the ad money" - The applicable newspapers to return ad money from "a shadowy group that is dedicated to denying the Armenian Genocide"
2. "print apology" - The applicable newspapers print an apology for accepting advertising from group in #1.
3. "when conditions are not met, city cancels its subscriptions" – That the conditions in # 1 & 2 are met.
