To Whom It May Concern,

I am writing to you on behalf of the Toluca Lake Garden Club President and as a Toluca Lake resident regarding the parcel of land at the corner of Addison and Cahuenga. I am aware of the development of this property as I drove by to look at it recently. I am also told it is to be cleaned up and developed to create and beautify this property. I spoke with Ryan Altoon and he assured me that this property would be fenced, cleaned and maintained. I was also told that there would be steps to protect the nearby residents from unwanted elements that may infiltrate the space and was assured this would not be the case. Therefore we are in favor of this development and look forward to seeing its completion. Thank you for your time and best of luck with this endeavor.

Sincerely yours,

Robyn Allyn
