

ADOPTED BUDGET RECOMMENDATION

Instruct the Los Angeles Homeless Services Agency (LAHSA) to report to the Homelessness and Poverty Committee, for each LAHSA item in the Detail of Department Programs (Blue Book), provide a detailed breakdown of how the funding will be allocated, including a breakdown of programming versus administrative costs. The report should detail, as appropriate, the specific service provider (non-profit agency) and category of expenditure of funds, such as housing vouchers, housing placement services, supportive services, outreach, bridge housing, administrative costs, etc.
