

## ADOPTED BUDGET RECOMMENDATION

Instruct the Los Angeles Homeless Services Agency (LAHSA) to report to the Homelessness and Poverty Committee on how to accommodate pets, storage and 24-hour access into the Winter Shelter program. The report should include whether LAHSA has data on the transition of homeless individuals from Winter Shelters into rapid-rehousing or permanent housing, and how successful it is as a first step into more permanent housing solutions or as an access point to other supportive services.
