A. Summary of Bids Received/Evaluation Rating Summary of Proposals

Not applicable to this Agreement.

B. Evaluation of Bid/Proposal/Cooperative Agreement

The rates for this Agreement are slightly higher, on average about 8-9%, than the previous agreement. However, the increases are within cost escalations for professional and technical services, about 10%. Therefore, the rates have been determined to be fair and reasonable based upon previous contracts for similar services and historical maintenance expenses and industry inflations.
