Hello!

My husband and I have lived in Brookside for 4 years, and we *love* the character of the neighborhood. We are very much in favor of the ICO, as we have seen several wonderful, original homes torn down, only to be replaced with large, boxy, McMansions that are out of scale and out of character with the rest of the neighborhood. It is heartbreaking, and its frequency has only been increasing in the last few years. Your passing of the ICO will help Brookside keep the neighborhood its residents love intact by deterring over-development and encouraging preservation. We really appreciate your continued support in passing this ICO. Our community depends on it! Thank you.

Respectfully,

As a resident of Brookside, I write to strongly support the ICO under consideration by the PLUM committee. Numbers of houses in our area are being bought by investors and without the ICO will do damage to our lovely little area. Thank you.
