Dear Council President Herb Wesson and Planning and Land Use Management Committee,

On June 28, 2016 there will be an item up for a vote (Council File 16-0735) before the Planning and Land Use Management Committee and while I will not be able to attend the hearing, I would like to go on record that I am in FULL SUPPORT OF AN ICO FOR PICFAIR VILLAGE, modeled after Beverly Grove RFA, that will provide us the immediate protection from reckless overdevelopment that is occurring in our neighborhood.

The integrity of our neighborhood is at risk . Let's stop this mindless development.
