Re: Council File 16-0763-S1 – Martin Expo Town Center

Dear Honorable Councilmembers:

I am a native and current homeowner in the Brentwood area of Los Angeles and a business owner in Santa Monica.

If you do not believe *any* of the objections to the Martin Town Center warrant a reevaluation, I only ask you to consider that Santa Monica shut down a similar and slightly smaller proposal just to the west at the Bergamont Expo Line stop.

The City of Santa Monica, and a plethora of knowledgeable residents, must have had some valid reasons to be concerned about their “transit-oriented” project and its impacts on the adjacent freeway access point.

Please make sure we cover our bases before approving an irreversible impact on a vital traffic corridor.

Respectfully,

Rodney Liber
