Please delay approval of the Martin Cadillac Project and fully consider the dramatic and irreversible impacts this project will have on traffic flow.

I support the solutions suggested by various homeowner%u2019s groups, including a reduction in office space, restaurant space and the inclusion of more space for Expo Line riders.

The citizens of Santa Monica could not be completely wrong when they rejected a similar proposal last year, so please take a beat to make sure this is the right thing for west Los Angeles.

Thank you.
