

COMMUNICATION FROM CHAIR, ENERGY AND ENVIRONMENT COMMITTEE relative to a request from the Bureau of Sanitation (BOS) for authority to execute a contract with Rainbow Disposal Company, Incorporated, dba Rainbow Environmental Services for the receipt, processing, and reuse of green material, food material, and/or horse manure from the City of Los Angeles' Curbside Collection Program.

Recommendation for Council action:

AUTHORIZE the Board of Public Works, or designee, on behalf of the BOS, to execute the proposed personal services contract with Rainbow Environmental Services for the receipt, processing, and reuse of green material, food material and/or horse manure, for a term of five years, with two five-year renewal options and an option to extend on a month-to-month basis for an additional six months at the end of any five-year term, and at a cost not to exceed \$4,472,007, subject to the approval of the City Attorney as to form.

Fiscal Impact Statement: The City Administrative Officer reports that there is no General Fund impact. Funding will be subject to the availability of funds within the Solid Waste Resource Revenue Fund. The contract includes a Financial Liability clause which limits the City's financial obligation to the extent of the City appropriation for this purpose. The recommendation in this report complies with the City's Financial Policies as ongoing special fund revenues will support ongoing expenditures.

Community Impact Statement: None submitted.
