Agenda items: 7 & 8

Dear Councilmembers of the Planning and Land Use Committee;

Hollywood Heritage is seeking confirmation that the Department of City Planning has corrected the inaccurate language in the Letter of Determination's **Project Design Feature C-1**, and updated **PDF C-1** to accurately reflect the Planning Commissioner's decision for retention of the "**Stage 21 Studio Globe**", including specific language per height and 'view shed'.

Hollywood Heritage was informed by Planner Ms. Luci Ibarra that this oversight should be corrected at the PLUM hearing; therefore we seek confirmation that the correction has been implemented.

Sincerely,

A handwritten signature in cursive script that reads "Richard Adkins".

Richard Adkins
President, Hollywood Heritage, Inc.
