Type of NC Board Action: For if Amended

Impact Information

Date: 08/31/2016

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 16-0881

Agenda Date:

Item Number:

Summary: The Northridge East Neighborhood Council supports this motion if amended. While recognizing the challenges first responders encounter, the NENC believes any additional installation costs to Homeowner Associations need to be made known upfront, that such access is restricted only for emergencies, and that a provision addressing compliance by Homeowner Associations, and any necessary enforcement thereof, be included in the ordinance. This motion currently requests the City Attorney, with the assistance of the Fire Department, to prepare and present an ordinance which would require all gated communities to install universal emergency access systems and to give the Police and Fire Departments the ability to automatically open gates of gated communities with their radios or through other automated means instead of relying on key codes or on-site security.
