Summary:

On May 23, 2018, your Committee considered May 10, 2018 Department of City Planning and May 18, 2018 City Attorney reports and Ordinance dated May 18, 2018 relative to restrictions on commercial advertising of cannabis, cannabis products, and cannabis activity on signs. The City Attorney reports that the proposed Ordinance would establish a set of restrictions on signage relating to businesses selling cannabis and cannabis products, and that the purpose of the Ordinance is to help keep advertising of cannabis and cannabis products away from impressionable children and prevent permanent damage from the drug to their developing brains.

After consideration, and after providing an opportunity for public comment, the Committee moved to recommend approval of the Ordinance and accompanying determination and findings, as

detailed above in Recommendation Nos. 1 through 5. Also, the Committee moved to recommend instructing the Department of Building and Safety to report in regard to an implementation plan for enforcing the Ordinance. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
