Summary: The Los Feliz Neighborhood Council appreciates and supports the effort to name the intersection of Franklin and Vermont Aves as "Forrest J. Ackerman Square," in reference to one of Los Feliz's most famous residents. Mr. Ackerman's contributions to the world of science fiction, and to our community, are absolutely deserving of this recognition. We thank and support Councilmember David Ryu in this effort and look forward to this official recognition of one of our community's more notable, and memorable, residents.
