**This email was sent to the members of the PLUM committee. Thought you would like a copy of it.**

I am writing to you regarding item

[16-0972](#) which is on the PLUM meeting agenda for Tues. Nov. 22.

Building a fraternity at 611 South Gayley Ave. has been held up by 2 appeals. The first appeal was denied. The second one is before you now.

Please deny this appeal too. It has no merit and it really seems like harassment. I believe the owner has done everything possible to appease the appellants.

The property is a vacant lot and has been an eyesore for a long time. It is time to begin building and stop the attacks.

Thank you

Follow up on previous email

Although I sent my message to each member of the PLUM committee it may not get to them in a timely manner. I hope you will make my concerns known to them
