Summary: The Palms Neighborhood has recently experienced the demolition of the oldest single-family home in our neighborhood (“the Tabor House”). When the neighborhood learned the Tabor House was to be demolished, the community rose together to fight the demolition. The Council Office heard our story and introduced a motion to the Planning and Land Use Management Committee of City Council to designate the Tabor House as a Historic-Cultural Monument in the City of Los Angeles within 30 days of the demolition posting. However, because the Council Motion in Committee does not officially initiate the designation of a historic-cultural monument, the demolition permit was approved and we lost the Tabor House. In response, the Palms Neighborhood Council supports the motion to prepare an Ordinance to amend all relevant sections of the Administrative Code to expand the definition of initiation of the designation of a historic-cultural monument to include the introduction of a motion by a member of the Council and to extend the notification period to 60 days.
