I am a resident of Laurel Canyon above Sunset & Crescent Heights. I am unable to attend today's committee hearing regarding the above referenced project at 8150 Sunset Blvd. I wanted to register my support of Councilman Ryu's position.

Thank you,

Douglas Baily

Ms Armstrong,

I am writing to let you know that a family matter prohibits me from attending today's PLUM committee hearings on 8150 Sunset, but that I completely support Council member Ryu's position as well as the positions of Hollywood Hills West Neighborhood Council and all of the other neighborhood organizations that stand in opposition to this development due to the scale, traffic and public safety impacts this development will have on our community.

It's my understanding that calls and emails are also going into Council Member Huizar's office, please make sure that all of those calls and emails all make it into the record from our Laurel Canyon Community.

Regards,
Kristen Stavola
