## MOTION

North Valley Caring Services has been serving the North Hills, Panorama City, Van Nuys, and Arleta areas for over 35 years, providing a variety of community programs that better the lives of nearly 4,000 individuals each year. One such program is the After School Youth Program, which provides homework help and activities for kids and teens. The program offers students with a safe environment and is within easy walking distance of area schools. School age children gain confidence, tolerance and self-assurance learning and playing together. To further its vital contributions to the students of the North Valley, North Valley Caring Services is deserving of a one-time commitment of \$50,000 in Urban Development Action Grant (UDAG) funds to further its After School Youth Program.

I THEREFORE MOVE that the Council authorize the Economic and Workforce Development Department (EWDD) to transfer \$50,000 from the Urban Development Action Grant (UDAG) Fund No. 356 to the Housing and Community Investment Department (HCID) Account 100/43 003040 Contractual Services for the purpose of funding the North Valley Caring Services After School Youth Program.

I FURTHER MOVE that the Council authorize HCID to negotiate and execute a contract with North Valley Caring Services for \$50,000 in UDAG funds to provide for continued services to the residents of the City of Los Angeles.

I FURTHER MOVE that EWDD, with the assistance of HCID, be directed to prepare Controller's instructions and/or technical changes to effectuate the above transfer, subject to the approval of the CAO, and authorize the Controller to implement said instructions.
